

FINAL CHANCE FOR FREE AGRICHEMICAL COLLECTION

265-150-4

NZ Label

Harmful

If you are a rural landowner in the Waimakariri District with old or unwanted agrichemicals such as DDT, Lindane, Dieldrin, PCP, herbicides, pesticides, fungicides, animal drenches and dips, and other agricultural chemicals, please register your interest now!

To be part of this last free collection download a registration form from:

www.waimakariri.govt.nz/services/waste/agrichem/index.htm

Fill it in and send it to the Council.

The deadline to register is 16 January 2009.

This will be your last opportunity in the Waimakariri District for a free on-farm collection of old or unwanted agrichemicals.

Anything less than 20kg or 20 litres can be taken to the HazMobile in February 2009.
