Dog Control Act 1996

Section 42(1) of the Dog Control Act 1996 requires that:
"...every person commits an offence and is liable on summary conviction to a fine not exceeding \$3,000 who is the owner of a dog of a greater age than 3 months unless the dog is registered under this Act for the current registration year..."

Please note failure to register your dog(s) will result in an infringement notice (\$300 per dog) being issued under Section 66 of the Dog Control Act 1996.

Microchips

Your dog will need a microchip if it is:

- A new puppy
- A dog registered after 1 July 2006 (working farm dogs are exempt)
- A dog that has been declared menacing or dangerous.

Please see your vet to arrange microchipping. If your dog has a microchip number and the microchip column does not have a 'Yes', can you please attach one of the stickers that came with the microchip to this form, or write the number down and attach it to this form.

Disability assist dog

A dog that has been certified by an appropriate authorised organisation (no fee).

Owner date of birth
