1. Charles Upham Drive
2. Valour Drive
3. Crete Road

J Gerard commented that Charles Upham is associated with Amberley rather than Rangiora. He has reservations as to mixing names that are linked to Rangiora and Amberley, Hurunui. He was disappointed there had been no prior consultation by Ryman Healthcare with the Rangiora Community Board regarding the name they had considered for their new facility in Rangiora, which has been named the Charles Upham Retirement Village, or the roads within the complex. Kippenberger is the name associated with Rangiora, Hazlitt is also not a name associated with Rangiora except as ‘Haslett’ which was a local manager for Pyne Gould Guinness.

M Nelson also expressed her disappointment for the choice of Charles Upham as a name for the same reason. She commented the name Valour was respectful.

J Hoult reminded the Committee that the Rangiora Community Board had requested names from Ryman Healthcare before Christmas 2015 but there had been no response. However with the complex named Charles Upham it made sense for the main road through it to be named Charles Upham Drive.

7 **CHAIRPERSON’S REPORT**

J Hoult was approached by a niece of William Amos Diedrichs who would like to see the name used to name a local road. J Hoult explained the system that the Rangiora Road and Reserves Naming Committee use to have names added to the master list of pre-approved names.

J Gerard stated he did not believe the Diedrichs name was a suitable one for the list.

The Chair requested staff prepare a report for the Committee to consider adding ‘Diedrichs’ to the master list of pre-approved Road names.
