7 REPORTS

7.1 Adoption of Community Board Standing Orders – E Cordwell (Governance Adviser)

S Nichols spoke to the report, noting Standing Orders were required by legislation. She advised that 18 months ago Local Government New Zealand (LGNZ) had undertaken a review of Standing Orders as legislative changes meant Standing Orders were out of kilter with legislative requirements. She noted that the main changes had been to wording with an emphasis on plain English and an improved flow to the document. The general concept had not changed. A thorough assessment had been completed in-house and cross-referenced between the LGNZ and WDC Standing Orders. The Mayor, CE and Councillors had all been involved in the process. S Nichols noted that the Standing Orders for the Council and the proposed Community Board were the same except for the removal of several sections directly related to the Council. Council Standing Orders would also apply to all Committees and Hearing Panels.

S Nichols advised that the resultant Standing Orders were adopted by the Council at its December meeting. Two changes had been made.

- Page 17, Section 42 – Council had changed the maximum duration of a meeting to 10 hours. Six hours had been retained in the proposed Community Board Standing Orders.
- Page 29, Section 10.5 – to extend the time period for a Quorum to be present from 10 minutes to 15 minutes. This has been reflected in the Community Board Standing Orders.

In addition, Page 40, Section 19.11 was a new addition regarding the use of electronic devices. Devices could be used to access pertinent information relevant to the meeting however non-meeting related contact was not acceptable.

S Nichols noted that there would a training session/refresher on Standing Orders for elected members on the 21 March 2018.

S Farrell sought clarification on members speaking once to a motion with S Nichols advising that in the rules of debate members could ask as many questions as practical to ensure they had sufficient information to assist their decision making; it was after the motion had been moved and seconded that restrictions applied.

Moved W Doody    seconded J Lynn

THAT the Oxford-Ohoka Community Board:

(a) Receives report No. 180220017403.

W Doody thanked the staff for their effort in producing the updated Standing Orders on behalf of the Community Board.

J Lynn noted that it was great to have consistency.

7.2 **Application to the Oxford-Ohoka Community Board’s Discretionary Grant Fund 2017-2018 – E Cordwell (Governance Adviser)**

S Nichols spoke briefly to the report commenting that the event received many visitors.

W Doody noted that advertising in the Oxford Bulletin and the Observer was unlikely to total $500 and suggested that this should be acknowledged and that any remainder be used for promotional advertising in any other publication at the Trust’s discretion.

Moved J Lynn seconded T Robson

K Felstead advised that Enterprise North Canterbury had attended the last trip and would be attending again and commented he could raise the travel agent suggestion.

W Doody advised that she had withdrawn from the visit for family reasons. S Nichols advised that the Mayor, Councilor Felstead and Councilor Barnett would travel to Enshi in mid-May.
11 MEMBERS’ INFORMATION EXCHANGE

11.1 J Ensor
- Advised he had repaired a large water leak at Mandeville Sports Centre.
- Attended the All Boards Briefing and that it had been very informative.

11.2 J Lynn
- Gatekeepers Lodge was progressing steadily. Fulton Hogan had been contracted for the move, which was scheduled for 18/19 April.
- Presented with D Nicholl at the Ecan resource consent hearing against Canterbury Landscape Supplies (CLS). He commented that the independent planner engaged by the Board had been beneficial to the cause.

11.3 S Farrell
- Attended the CLS consent hearing and believed the Community Board had been well represented.
- Attended Pearson Park Advisory Group meeting and expressed disappointment at the lack of answers to questions. C Brown advised he was following up on matters raised.
- Had received complaints about speeds on Main Street and interest in potential for 40km/hr zones in urban areas in the future. She had spoken to K Graham (Road Safety Co-ordinator) regarding moving the flashing 40km/hr sign, however that would be at a cost of $2-3000.

J Lynn asked if there had been any comments regarding the removal of the carparks and S Farrell advised she had not received any negative comments.

11.4 T Robson
- Attended Youth Council meeting where he had stepped down as co-chair. Arabella Jarman had taken on the role.
- Attended AGAG meeting and noted that the Heritage Pavilion was in its final stage of design.
- Attended All Boards Briefing and found it informative.
- Attended Pearson Park Advisory Group meeting, which had been a challenging meeting with issues raised.
- Was receiving complaints regarding the standard of roading in the area. Highlighted the repairs outside the Police Station, and Oxford Road.
- Attended Oxford Rural No1 Scheme meeting and suggested that it would be useful for the Board to understand delays and challenges with the scheme.

11.5 K Felstead
- Judge John Brandts-Giesen had been presented with his Community Service Award.
- Report on Dudley Drain Regeneration and request to bring $176,000 into this year’s budget approved.
- The Rangiora-Woodend Cycleway had been formally named the Rangiora-Woodend Path.
- Approved the speed limit change on Lees Road and Barkers Road, Kaiapoi to 50km/hr.
- Renewed District Promotions contract with Enterprise North Canterbury.
- Received this Board’s re-classification of the Woodstock Road Reserve.

With regard to the Rural No.1 Scheme, K Felstead advised that the Council had taken the priority approach to water schemes looking at the
main centres and then working down. The single contamination result was unfortunate in the light of the Havelock North incident and advice had been to retain the boil water notice. While they had drilled a well with good flow now, there had been previous attempts, which had failed and slowed the process. The new well is currently going through a consent process with Ecan.

11.6 **W Doody**
- Tabled her Councillor’s Report for March 2018 (Trim 180312025816). Which included information on
  - Multi Use Sports Facility
  - Oxford Swimming Pool
  - Stepping Up digital literacy training
  - Oxford Cenotaph

**CARRIED**

K Felstead asked if D Nicholl and J Lynn had a Section 42A report for that area which would set out all the background. D Nicholl advised that it had been referred to in the submission. They had presented a summary version at the hearing. S Nichols advised the Section 42A report would be circulated.

Staff advised matters were still being worked through regarding CLS application through the Council. K Felstead commented that he believed there should have been a joint hearing and S Nichols advised that had been raised by the applicants at the hearing. ECan had argued that there were enough matters to consider on the Ecan side.

13 **REGENERATION PROJECTS**

13.1 **Town Centre, Oxford**

Updates on the Oxford Town Centre projects are emailed regularly to Board members. These updates can be located using the link below:

14.2 **General Landscaping Fund**

Balance as at 8 March 2018 $10,790.
It was noted that C Brown would bring a report on the items discussed in the workshop to the April meeting.

K Felstead referred to the General Landscaping Fund 'wish list' exceeding the $10,790 in budget and asked if funds remaining in the Discretionary Grant could be transferred. S Nichols advised that in April-May, if there were funds left over then it could be allocated to another group providing they met criteria, or the Board could look back to allocations during the year.

15 MEDIA ITEMS

1.2 The land parcel being developed is Lot 1 DP 519569.

1.3 The proposed names were supplied by the developer.

**Attachments:**

i. Plan of the subdivision showing the new road to be named. (Trim 180315028079)

ii. Waimakariri District Council Policy for Road Naming. (Trim 120712043907)

(b) **Approves** three names for new roads on Lot 1 DP 519569 as marked as roads 1-3 on the attached plan.

1. Hallfield Drive

2. Orbiter Drive.

3. Mighty Quinn Way

3. **BACKGROUND**

3.1 The developer Hallfield Limited is creating a 55 Lot subdivision in the Res4A zone to be undertaken in four stages. Providing access to each of the new properties within the subdivision will be three new roads which will require naming in accordance with the Council’s Policy for road naming.
4. **ISSUES AND OPTIONS**

4.1. The proposed names were provided by the developer Hallfield Limited. The names reflect a horse breeding and racing focus. The developer’s preference for road #1 is Hallfield Drive, road #2 Orbiter Drive and road #3 Mighty Quinn Way. Another alternative name of Kinsella has been proposed by the developer to be used in place of roads 2 & 3 should any of the others not be deemed suitable.

4.2. The name Hallfield comes from the name of the property after Margaret Hall a standard breed bloodmare. Orbiter was the name of a horse which was breed from Margaret Hall as were the horses named Kinsella and Mighty Quinn.

4.3. From the names proposed by the developer, none of them are the same or similar to existing road names in the District.

4.4. **Options Considered**

   4.4.1. Approve the naming of the new roads as proposed.

   4.4.2. Replace any proposed names with a road name of the Oxford Ohoka Community Board’s choice.

The development is zoned Res4A which means will consist of low density housing in a rural area and will have access to many of the same the services as other similar developments in the area. Naming the new formed roads will mean consistency for emergency services and residents.

NAMING OF ROADS AND STREETS (INCLUDING PRIVATE ROADS) POLICY

1 Introduction
The Waimakariri District Council is responsible for naming (and renaming) roads within its boundaries. Roads are named to reflect the identity of the local area and to ensure ease of identification for the Council, the public and key public and private services such as emergency, postal and courier services.

2 Policy Context
This policy applies where proposed roads and other vehicular accesses are being created either through subdivision development or the formation of existing unformed legal roads and to the naming of existing unnamed roads/vehicular accesses both public and private. This policy should form part of any subdivision design and approval process reference material.

3 Policy Objective
This policy specifies Council’s requirements for the naming of roads and vehicle accesses throughout the District to provide a consistent and comprehensive approach to naming of roads in the District.

The Waimakariri District Council is responsible for the naming of roads by the Local Government Act 1974 section 319(j).

4 Policy Statement

4.1 The Council’s four Community Boards have the delegated authority for the naming of new streets and roads and altering existing street names within their respective wards.

4.2 Re-naming of streets and roads will only be undertaken if the Council considers the change will result in a clear benefit to the community.

4.3 Where a street is named for the first time or a street name is altered then the District Land Registrar, the Chief Surveyor, NZ Fire Service, Telecom, MainPower, valuation service provider, NZ Police, Civil Defence, and the Canterbury Regional Council shall be informed of the new name or change.

4.4 Where an existing street is extended, the street extension will be the same name as that of the existing street.

4.5 All new private roads in the Waimakariri District shall be named in consultation with the applicant, and at the applicant’s expense, and relevant road signs shall be suitably annotated “Private Road”.

All private roads that are to be named, are to have a minimum of four lots with access from the private road.

4.6 A new street or road shall not be named the same or similar to a street or road already in existence in the District.

4.7 Council’s ‘List of Approved but Unallocated Road Names’

The list of unallocated potential road names for the Waimakariri District is maintained by Customer Services. Names approved for addition to the List of Approved but Unallocated
NAMING OF ROADS AND STREETS (INCLUDING PRIVATE ROADS) POLICY

Road Names will remain there until they are either allocated to a road or removed as the result of a review of the list.

From time to time a road name may no longer need to be used as two or more roads may be jointed into one road or a road may be permanently closed. In both of these cases, the road name(s) may be put back on the list for potential reallocation, usually for a new or renamed road in the same general area.

The list of Approved but Unallocated Road Names will be reviewed by the Community Boards every six years.

4.8 Naming of streets in new subdivisions:

The rights of the subdivision developer to promote preferred road names for the subdivision will be taken into consideration, but the decision regarding road names will be made by the Community Boards by applying the clauses of this policy.

4.9 Approval Criteria and Weighting

The following factors shall be taken into account when selecting street, road or private road names in the Waimakariri District:

(a) The proposed name has local historical, cultural, environmental or geographical significance - e.g. Torlesse, Boys, Ashley, Cam.

(b) Maori names of local significance chosen in conjunction with local iwi representatives to ensure appropriateness of meaning and correct spelling.

(c) Significant and well known or previously well known names of farms, properties or run holdings – e.g. Coldstream, Carleton.

(d) Names of local residents who have achieved prominence in their chosen fields such as arts, sport, commerce, science, politics, local government, military, etc (e.g. Kippenberger, Kirk), or who have been long term residents.

BILL BAGRIE

During the 1950s the Ohoka amateur trainer/driver Bill Bagrie and his wife, Elaine were farming in Southland. But after Bill suffered a haemorrhage he was told by his doctor he should give up farming and find a less physically exhausting job. Both Bill and Elaine came from farming families so when an alternative lifestyle had to be chosen it was difficult to know where to look so they decided to head north for Christchurch to see what life there had to offer.

Bill had an interest in harness racing and he had decided to buy a broodmare and begin breeding racing stock. So one of the first things he did when the family arrived in Christchurch was to attend a dispersal sale where he outbid the considerable sum (in those days) of 450 guineas for the Dillon Hall-Tondclay mare Margaret Hall, a fine racemare who had won six races and was already the dam of the outstanding racemare, Rowan Star (now better known as the dam of the Australian pacer and now successful sire, Garry Rowan), and another winner in Rosslyn Rowan. Margaret Hall was in foal to U Scott but the foal was born dead. She was sent back to U Scott, the sire of her earlier winners, and in 1958 she foaled a filly whom Bill and Elaine called Kinsella.

At this time parking was just becoming a marketable commodity in Christchurch and so soon after Bill and Elaine arrived in the city they bought a parking centre - one of the first in Christchurch - close to Cathedral Square in the central city. They ran the centre - now known as the Avon Parking and Service Station Ltd - for five or six years before buying another central city business, Bennetts Shoe Store.

When it came time to begin working Kinsella, Bill leased facilities from Alan McKenzie in Harewood Road. Kinsella was the first horse Bill ever trained or drove, but she proved an outstanding introduction to harness racing, winning seven races and Bill drove her in all of them. Kinsella had given the Bagrie family a taste of success in harness racing but Margaret Hall's next foal - her 1959 colt by U Scott called Orbiter - was to achieve even better things on the racetrack.

Orbiter won 17 races in NZ including the 1963 Kaikoura Cup, the 1964 New Brighton Cup, the 1964 Hannon Memorial, the 1965 Allan Matson Stakes, the 1965 M G Pezaro Memorial, the 1965 Champion Free-For-All and the Dunedin Festival Cup Final in 1966. He also recorded a best mile time of 1:58.8 when he won the Flying Mile Free-For-All by three and a half lengths at Cambridge in 1966. From only 52 race starts in this country he finished further back than fourth in only 11 races, an outstanding record of consistency, particularly when the many miles he travelled during campaigns outside Canterbury are considered. Although he won only two races in the 1964-65 season, as a 5-year-old, he recorded four important seconds that year, three of which were at the NZ Cup meeting. He ran second to Lordship in the National...
Handicap at Addington in August, second to Cairnbrae in the NZ Cup, second to Lordship again in the NZ Free-For-All, and again in the Allan Matson Stakes on the final night of the Cup meeting.

Because Orbiter was racing so well, it was only a matter of time before somebody made Bill and Elaine an offer they could not refuse for the gelding. Early in 1966 the inevitable happened and an offer of $US120,000 was made for Orbiter by Noel Simpson, on behalf of a small group of Americans. The offer did prove irresistible and Orbiter had his last race in NZ at Forbury Park on February 5, 1966 when he won the Dunedin Festival Cup Final. His American buyers wanted the gelding to race in the rich International Series at Yonkers that year and he was to be trained by Del Insko.

The geldings new owners - keen to get the best out of their purchase - invited Bill to travel to the United States with Orbiter and Elaine joined him there later. They were given an all-expenses-paid holiday in New York to enable Bill to assist Del Insko to prepare Orbiter. But somehow things did not work out as planned. Insko had his own way of doing things and he did not appreciate advice from somebody else on how he should train his horses. To make matters worse, Orbiter contracted some sort of chill or virus soon after he arrived in New York and the morning of the big race he was in an oxygen tent - fluid streaming from his nose - and obviously a very sick horse. Elaine said that it had been "heart breaking" to see him in such a bad way and if he had been at home he would not have even been worked in such a condition let alone raced. But race he did and, needless to say, was unable to show his true ability that day. However, a NZ bred pacer did win the $100,000 International that year. The Yonkers favourite Cardigan Bay proved much too good and won easily, five lengths clear at the finish in the near race record time of 3:04.4 for the mile. Bill and Elaine returned home to NZ dissappointed and disillusioned at the way things had gone on the trip.

Soon after their return, Bill decided that the rented facilities he was using to train from in Harewood Road were no longer sufficient for his needs, so he decided to invest some of his money from Orbiter's sale in land. He sold the shoe business and bought 133 acres on Smiths Road (now known as Bradleys Road), at Ohoka, near Rangiora. The property, which has since been increased to 260 acres in two blocks, was essentially a sheep and cropping farm but even 20 years ago it was considered to be only marginally financially feasible. So the first thing Bill did was diversify the property. A large chicken shed was built and a contract to supply chickens to General Foods was undertaken. This proved a great success and today the Bagrie family have a contract to supply 100,000 chickens annually.

About six years ago Bill decided to further diversify the farm and he bought 17 hinds in calf. They now run about 120 stags and 130 hinds on the property. The deer provide three sources of revenue - velvet, venison meat and live sales. Although all three can be lucrative, live sale had been the most profitable because of the demand and subsequent inflated prices. Farming the property has always been a family concern and never more so than now, for last April Bill suffered a brain haemorrhage from which he has still not fully recovered. While Bill is recuperating Elaine and their son Peter, have continued to run the farm. Their workload is simply an extension of what they were already doing before Bill's illness.

Bill had a small team of horses in work when he became ill and Peter, an amateur trainer/driver, has been able to work them for him in the meantime while Elaine has been taking care of the mares and foals. Peter has often driven his father's horses in the past and he enjoyed an outstanding run of success in 1978 with Bill's horse, Gentle George who died at stud in 1983. Gentle George, by Bachelor Hanover from the race-winning mare Orbette (a half sister by Hal Tryax to Kinsella and Orbiter), won eight races altogether but created a big impression when he won four races at the 1978 NZ Cup Meeting. The stallion won one race at each of the two day and two night meetings (a feat equalled by only two other horses, Cardigan Bay in 1963 and the trotter Tutira in 1969), surprising many people but nobody more than the Bagrie family. Cello Sydney Wilkes (1919) and Red Shadow (1933) also won four races each at the NZ Cup meeting but not one win on each day. "We thought he might run fourth on the first day," Elaine said. "Bill usually drove him but this time he told Peter he could." And so Peter ended up driving George in all four of the wins at the meeting.

Gentle George's win on Cup Day topped off what had already been an exciting day for the Bagrie family, for earlier on Trusty Scot had won the big prize, the NZ Cup. The stallion was
trained, driven and part-owned by Bill and Elaine's son-in-law Henderson Hunter, who had only been training a short time and had prepared Trusty Scot for the Cup at his in-laws property at Ohoka. The run of luck continued for both Gentle George and Trusty Scot on the second day of the meeting when Gentle George won the Cashmere Handicap and Trusty Scot won the Benson and Hedges Free-For-All.

The Bagrie's are currently breeding from five broodmares - Kinsella, Kindalla, Patronette, Roshelle and Georgette. Kinsella who is now 28 years old was bred with Niastra last year but she did not get in foal. She was bred to him again this season and it is not known yet is she in foal but because of her age, hopes are not high. She has been a wonderful broodmare though and left a number of good winners including Morpheus, Dalestar, Halffield Star, Halffield Dream and Trinity.

Peter said that while they were "farmers first and foremost," his interest in horses has taken him to the United States three times working for Charlie Hunter and Brian Meale. He worked in California and Chicago - at Sportsman's Park and Hawthorne. His first trip to the States was in 1972. That was in the days when horses were shipped regularly by boat. "I went on the last boat load that went," Peter said. The idea of a relaxing cruise with only a few horses to look after had instant appeal. "They thought they were going to have a leisurely trip," Elaine said. But once the trip was underway, those thoughts were soon shattered.

The trip took 22 days and the weather was rough. "We were as sick as dogs," Peter explained. But their illness was not the main problem. The horses were stabled during the trip in lightweight boxes located up on the deck and one morning, during a particularly bad storm, the grooms were told that they were not able to go up on deck too feed the horses because it was too rough. The command could not have suited them better because they were feeling too ill to move anyway, but they were only spared a short time. Not long afterwards they were given an urgent call to get up on deck immediately. They had two horses loose. "A big wave had smashed the boxes and left the horses starting in a heap of kindling," Peter said. The First Mate made a quick alteration of course in an attempt to "level things out" so the frightened horses out on the deck were able to be caught and put into shared quarters with the other horses until the ship's carpenter had completed replacement boxes. "We were lucky we didn't lose any over the edge," Peter said. Fortunately the rest of the trip was less eventful and all arrived at their destination safe and sound.

2. **RECOMMENDATION**

THAT the Oxford-Ohoka Community Board:

(a) Receives report No. 180321030302.

(b) Approves a grant of $________ to Ohoka School PTA Plant Sale Sub-Committee towards the costs of ‘children size’ gloves, garden tools, wheelbarrows and other items to enable children to participate in growing plants and vegetables.

OR

(c) Declines the application from Ohoka School PTA Plant Sale Sub-Committee.
3. **BACKGROUND**

3.1 The Ohoka School PTA Plant Sale Sub-Committee holds a biennial plant sale fundraiser in late October/early November.

3.2 The group plants seeds, takes cuttings and generally cultivates all manner of plants and vegetables to be sold to raise funds for the school. The PTA have built a compound on the school site where these activities can now take place and where the plants can be housed until sale time.

3.3 The Sub-Committee would like to encourage and enable the children to take part in these ‘growing’ activities including plant and vegetable care to encourage learning as part of an extended ‘Envirogroup’ programme. It will also enable more plants and vegetables to be grown and contribute further to school funds.

3.4 A variety of ‘children sized’ equipment such as wheelbarrows and garden tools are needed together with gloves and masks to enable safe handling of potting mix.

4. **ISSUES AND OPTIONS**

4.1. The project is ongoing and will be constrained by the ability to secure funds to purchase the tools and other items.

4.2. Over 200 children, all from the Oxford-Ohoka Board’s community area will benefit from the project both directly through participation and indirectly when the funds raised are used to support other school initiatives.

4.3. Financial information has been supplied.

4.4. The Management Team have reviewed this report.

6. **IMPLICATIONS AND RISKS**

6.1. **Financial Implications**

   The Annual Plan for 2017/18 includes budget provision for the Oxford-Ohoka Community Board to approve grants to community groups up to a total of $5,400. The requested grants for consideration in April 2018 total $500.00.

   The current balance of the fund is $2,776.19.

   The application criteria specify that grants are normally limited to a maximum of $500 in any one financial year (July to June) but the group can apply up to twice in that year, providing it is for different projects.

   GST is paid to appropriately registered groups where applicable above the Board resolved values.
6.2. **Community Implications**

There would be benefits to all the children participating in the project as well as the wider community as these young people translate their learning into other activities and potentially follow through on their interest and skills in the home setting.

6.3. **Risk Management**

Describe what the project is and what the grant funding be used specifically for? (Use additional pages if needed)

The Ohoka School PTA have recently built a compound in the school to house plants for its biennial plant sale fundraiser. It is intended that the potting exercise will be undertaken on school grounds in future, and we would like to get the children involved in certain aspects of it to extend their learning opportunities within the school as part of the envirogroup programme, including taking cuttings, seed planting, plant care and vegetable gardening.

In order to be able to do this we would need supplies for the children including masks (to remain safe when dealing with potting mix), children size gloves, garden tools and wheelbarrows, and would look to use the funding to purchase these and any other items required.

Information to assist groups with their application

The purpose of the Board discretionary grants is to assist projects that enhance community group capacity and/or increase participation in activities.

When assessing grant applications the Board consider a number of factors in their decision making. These include, but are not limited to; type of project, time frame, benefits to the community and costs being contributed. The more information you as a group can provide on the project and benefits to participants the better informed the Board is. You are welcome to include a cover letter as part of your application. The decision to grant funds is the sole discretion of the Board.

The Board cannot accept applications from individuals. All funding is paid to non-profit community based organisations, registered charities or incorporated societies. Council funding is publicly accountable therefore the Board need to demonstrate to the community where funding is going and what it is being spent on. This is one of the reasons the Board require a copy of your financial profit/loss statements and balance sheet for the previous/current financial year. Staff cannot process your application without financial records.

The Board encourages applicants, where practically possible, to consider using local businesses or suppliers for any services or goods they require in their application. The Board acknowledges that this may result in a higher quote.

It would be helpful to the Board to receive an expense summary for projects that cost more than the grant being requested to show the areas funds are being spent and a paragraph on what fund raising the group has undertaken towards the project, or other sources considered (ie voluntary labour, businesses for supplies).

Criteria for application

- Grant applications will be considered every second month by the Oxford-Ohoka Community Board: July, September, November 2017 and February, April, June 2018. Applications are recommended to be received three weeks prior to Board meeting dates for processing.

- Generally funding grants will be a maximum of $500 in any one financial year (July 2017 to June 2018) but the group can apply up to twice in that year, providing it is for different projects.

- The grant funding is limited to projects within the Board area or primarily benefiting the residents of the ward.

- Applications will only be accepted from non-profit community-based organisations, registered charities or incorporated societies.

- The group should have strong links with the Oxford-Ohoka community.

- The applications should clearly state the purpose for which the money is to be used.

- The applicants should submit a 1-2 page balance sheet and an income and expenditure statement which shows their current financial assets and liabilities. Applications cannot be processed until financial information is received.

- Where possible, or feasible, applicants must declare other sources from which funding has been applied for, or granted from, for the project being applied to the Oxford-Ohoka Community Board.

- The Board support a wide range of community activities but the application will only be considered if it is deemed of the nature listed in the table of examples of what the Board can fund (see previous page).

- An accountability form must be provided to Council outlining how the funds were applied, within six months of the grant being allocated, when funds are spent, or prior to a new application. A new application will not be accepted until the previous accountability form has been completed and returned. The group should maintain accurate records around the grant including, but not limited to: receipts, banks statements and invoices. In the event that funds are not spent on the project or activity applied for the recipient may be required to return the grant funding to the Council.

1. SUMMARY

1.1 This report provides feedback on the Board’s request of 9 November 2017 that staff assess the possibility of using the Mandeville Sports Club facility, on occasion, for future Board meetings.

2. RECOMMENDATION

THAT the Oxford-Ohoka Community Board:

(a) Receives report No. 180320029482.

(b) Resolves to hold its future 2018 Board meetings at the following venues commencing at 7.00pm on the following dates.

- Thursday 3 May – Oxford Town Hall (A&P Room)
- Thursday 7 June – Ohoka
- Thursday 5 July – West Eyreton Hall
- Thursday 9 August – Ohoka
- Thursday 6 September – Oxford Town Hall (A&P Room)
- Thursday 4 October – West Eyreton Hall
- Thursday 8 November – Ohoka
- Thursday 6 December – Oxford Town Hall (A&P Room)

3. BACKGROUND

3.1 At its meeting of 9 November 2017 the Board considered both its meeting dates for 2018 and the potential venues for these meetings.

3.2 The Board wished to continue to hold meetings in local venues which would more easily enable members of the community to attend such meetings and for these to be located throughout the Board’s large geographical community area. These venues being: Oxford Town Hall, Ohoka Hall or Ohoka Pavilion and West Eyreton Hall.

3.3 Although the Ohoka venues have worked well, members also requested that staff assess the possibility of using the Mandeville Sports Club facility.

3.4 The club facilities had been used previously for a Public Forum although there had been issues with non-exclusive use and the impact of this on the formal Forum/Board
proceedings. This included both the noise and general disruption from other activities and groups using the centre as well as potential health and safety issues raised by attendees related to the sale and consumption of alcohol on the premises.

4. **ISSUES AND OPTIONS**

4.1. Staff have contacted the Mandeville Sports Club and also spoken with the Council’s appointed representative to the Mandeville Sports Club Committee, Councillor Wendy Doody. Board member Mark Brown is an independent member of the Mandeville Sports Club Committee in his private capacity, and he has been consulted also.

4.2. The Club is extremely successful and offers a range of facilities for the various sports clubs and private hire and is used extensively with multiple occupancy being the norm.

4.3. Both the Club and Councillor Doody confirm that it would not be possible for the Board to have exclusive use of the facility for Board meetings as this would prevent other users having access to the facility and compromise a wide range of sports and community activities.

4.4. Councillor Doody also confirms that even the Mandeville Sports Club Committee does not hold its meetings in the Sports Centre as the rooms are usually fully booked and there is little if any spare capacity and certainly not on an exclusive use basis.

4.5. Staff have also confirmed that even if a suitable room on a ‘non-exclusive’ use basis was to be found there is the further issue of alcohol being served and consumed on the premises. Although totally in keeping with, and appropriate for a sports and events facility, this would not be an appropriate environment for a public meeting held by the Community Board, open to all demographics including youth.

4.6. It is also noted that the Mandeville Sports Club is located within a few minutes’ drive (5km) of the Ohoka Community Hall which is currently used for Board meetings. The Ohoka Pavilion, in the Domain may be used during 2018, once building modifications have occurred. The Ohoka, Clarkville and surrounding communities are therefore already well served by these current venues.

4.7. The Mandeville Sports Club facility is an exemplar facility and is extremely well run and organised as a sports, community and events facility. It is as a consequence of this success and as outlined above that the Board is therefore advised that the Mandeville Sports Club is not a suitable venue for Board meetings.

4.8. The Management Team have reviewed this report and support the recommendations.

5. **COMMUNITY VIEWS**

5.1. **Groups and Organisations**

Staff have consulted the Mandeville Sports Club and also the Council’s appointed member to the Club Committee.

5.2. **Wider Community**

Not applicable.

6. **IMPLICATIONS AND RISKS**

6.1. **Financial Implications**
Potentially room hire may be charged by the Club. There is no Community Board budget for venue hire, hence why Council facilities are used wherever possible.

6.2. Community Implications

The community is already well served by the Board meetings being held at the Ohoka Hall or the Ohoka Pavilion. The Board also meets in the West Eyreton Hall, enabling ease of access to residents in the Swannanoa to Eyreton areas. Oxford Town Hall is used three to four times per year by the Board, enabling Oxford residents’ easy access to Board meetings.

6.3. Risk Management

None.

6.4. Health and Safety

None.

7. CONTEXT

7.1. Policy

This matter is not a matter of significance in terms of the Council’s Significance and Engagement Policy.

7.2. Legislation

Local Government Act 2002 schedule 7 clause 19.

7.3. Community Outcomes

There are wide ranging opportunities for people to contribute to the decision-making by local, regional and national organisations that affect our District.

7.4. Delegations

The Board has delegated authority to determine its meeting dates and venues.
1. SUMMARY

On **19 March** I had a meeting with WDC drainage staff to inspect the lower reaches of the Ohoka Stream. A plan was implemented to clear partial blockages to improve river flow and reduce water levels.

On **20 March** all Community Board Chairs met, together with Thomas Robson, to discuss a potential Young Achievers Grant. This is a new concept and needs further work and may secure funding from the Draft LTP.

On **21 March** I attended the Standing Orders Refresher run by the Governance team followed by attending the Ohoka Residents’ Association meeting where there was discussion of the Draft Long Term Plan.

On **22 March** I attended the Annual Hui hosted by the Council where it was obvious that there is a strong desire for understanding and cooperation.

2. RECOMMENDATION

**THAT** the Oxford-Ohoka Community Board:

**Receives** report No. 180327032689.
