In accordance with the direction issued by the Minister for Canterbury Earthquake Recovery pursuant to section 24 of the Canterbury Earthquake Recovery Act 2011, public notice is hereby given of the decision, made by the Waimakariri District Council to change the Waimakariri District Plan.

The Waimakariri District Plan is amended as follows:

- Introduce rules, definitions, maps and an Outline Development Plan to provide for cluster housing within the Rural Zone within Māori Reserve 873 at Tuahiwi and the expansion of the Residential 3 Zone that is the Tuahiwi village.

**Action 21** directed the Waimakariri District Council to provide to the Minister for Canterbury Earthquake Recovery any amendments to its district plan to the extent necessary to provide methods to give effect to the objectives and policies for Māori Reserve 873 (Tuahiwi) to enable land to be used for housing and change or vary objectives, policies and methods to recognise and provide for the relationship of Ngāi Tahu whānui with other Māori reserves.

The Waimakariri District Plan is amended in accordance with this decision and is deemed operative from Thursday, 29 October 2015.

The District Plan can be inspected at the Council’s Service Centres and Libraries at any time when open to the public or on the Council’s website [www.waimakiriri.govt.nz](http://www.waimakiriri.govt.nz) under District Plan.
