Woodend-Sefton Community Board

Discretionary Grant Application

Information to assist groups with their application

The purpose of the Board discretionary grants is to assist projects that enhance community group capacity and/or increase participation in activities.

When assessing grant applications the Board considers a number of factors in its decision making. These include, but are not limited to; type of project, time frame, benefits to the community and costs. The more information you as a group can provide on the project and benefits to participants the better informed the Board is. You are welcome to include a cover letter as part of your application. The decision to grant funds is the sole discretion of the Board.

The Board cannot accept applications from individuals. All funding is paid to community-based project groups, non-profit community organisations, registered charities or incorporated societies. Council funding is publicly accountable therefore the Board needs to demonstrate to the community where funding is going and what it is being spent on.

The Board encourages applicants, where practically possible, to consider using local businesses or suppliers for any services or goods they require in their application. The Board acknowledges that this may result in a higher quote.

It would be helpful to the Board to receive a project summary that includes costs, and shows the areas where funds will be spent, fund raising the group has undertaken towards the project, and other sources of funding that have been accessed. Please note that your application will not be processed if the required financial information is not provided. The Board reserve the right to request additional information.

Criteria for application

- The Board supports a wide range of community activities. However, an application will only be considered if it is deemed of the nature listed in the table of examples of what the Board can fund (see previous page).
- The Board will consider grant applications every month. Applications must be received at least four weeks before Board meeting dates to be processed on time.
- Applications will only be accepted from community-based project groups, not-for-profit organisations, registered charities or incorporated societies. No application from an individual which benefits only one person will be accepted.
- Applications from Funding Committees and/or similar community-based groups associated with schools will be considered only if significant community benefit has been shown and proof is provided that the Ministry of Education does not fund the activity. However, schools themselves are not considered non-profit community-based organisations.
- Grant funding will not be allocated for events/projects that have already occurred, i.e. retrospectively.
- The grant funding is limited to projects primarily within the Board area or benefiting the residents of the ward.
- Grants are generally limited to \$750 with a maximum of \$1,000 in any financial year (July to June). However, a group may apply twice a year, provided it is for different projects. The Board will only consider granting more than \$750 in exceptional circumstances and will provide detailed reasons for exceeding the present limit.
- The application should clearly state the purpose for which the funds will be used. It should be noted that the board will not fund ongoing or annual operating expenditure associated with the administration or running of the applicant's club organisation or club.
- Organisations predominately funded by the Central Government must provide supporting evidence that the requested grant will not be spent on projects that the Central Government should/do fund.
- The applicant should submit relevant financial information to prove they can deliver the project. Financial information should include a balance sheet/profit and loss and, at least, a bank statement to enable the Board to make an informed decision.
- Applicants must declare any other funding sources for the proposed project for which funding is being sought, especially Council community grants, other Community Boards grants, and Enterprise North Canterbury funding.
- If the group does not provide the information to enable the grant to be paid within three months of approval of the grant being notified, the application will be regarded as closed, and funds will be released for reallocation by the Board.
- If funds are not spent on the specific project applied for within six months of the date of the event/project, the recipient will be required to return the funding to the Council.
- The Council must receive an Accountability Form within 20 working days after the event, completion of the project, or when the funds were spent outlining how the funds were applied. Relevant proof of purchase, such as receipts, bank statements, or invoices, must accompany the Accountability Form, and photos of the event or purchase are encouraged.
- Where possible, Boards request permission to use these photos on their Facebook page, the Council website, or other social media to encourage other community groups' participation.
- No new application will be accepted until the Board receives the Accountability Form and relevant documentation for previous funding granted.
