RECOMMENDATION 4-8

THAT the Hearing Panel:

(a) Receives report No. 190801108009;

(b) Receives and considers all submissions.

(c) Notes that six written submissions were received on the proposal to put in place a targeted rate for the sealing of Browns Road & North Eyre Road, with five supporting the targeted rate and one submission preferring the lump sum payment.

(d) Notes that the Hearings Panel will consider these submissions and make a recommendation to the Council on whether to approve the targeted rate or not approve the targeted rate.

(e) Recommends that the Council:
Either:

1. **Approves** the targeted rate for the sealing of Browns Road & North Eyre Road as detailed in the Statement of Proposal (Trim 190522072232).

2. **Notes** that property owners have the option of paying by lump sum rather than by a targeted rate.

Or:

3. **Declines** to approve the targeted rate for the sealing of Browns Road & North Eyre Road as detailed in the Statement of Proposal (Trim 190522072232).

4. **Notes** that Browns Road & North Eyre then it would be unlikely the sealing would be able to proceed due to affordability for residents.

6. **HEARING PANEL DELIBERATIONS**
