## Proposed District Plan Submission

Submitter: Steven Belworthy  
Subject: Large Lot Residential Zone of 464 and 474 Mandeville Road

### Reason for submission:

- Object to Large Lot Residential Zone of 464 and 474 Mandeville Road.

### Outcome sought:

- That the zone of 464 and 474 Mandeville Road is changed to Local Centre Zone.

### Reasons for submission:

- The sites are adjacent to the Mandeville LCZ. 474 Mandeville Road is isolated from other residential lots due to the Mandeville Road access to the retail village. Amenity and character within the sites is impacted on by the activities within and associated with the Mandeville LCZ. Adverse effects arising from activities within the Mandeville LCZ on amenity values within 464 and 474 Mandeville Road cannot be managed within the Mandeville LCZ due to the close proximity of the access road and commercial style buildings and lengthy interface with the Mandeville LCZ. Exclusion of 464 and 474 Mandeville Road from the LCZ results in an overall poor urban design outcome.
- Inclusion of 464 and 474 in the Mandeville LCZ is considered to provide beneficial outcomes with regard to the layout and functionality of the Mandeville LCZ. Extension of the Mandeville LCZ to include 464 and 474 Mandeville Road is a logical and easily integrated inclusion which will provide uniformity and logical boundaries to the LCZ.
- Restriction of activities within the Mandeville LCZ will not result in commercial activity dispersal resulting from inclusion of these sites in the LCZ.
- Inclusion of 464 and 474 Mandeville Road in the LCZ will assist with ensuring sufficient capacity is available to cater for retail and commercial services for the immediately surrounding area. The Waimakariri District has had high growth which is expected to continue, some of which will occur at Mandeville, and which needs to be provided for in the Proposed District Plan.
- RC205261 has been issued and provides for the establishment and operation of a hire yard at 464 Mandeville Road. This land use consent will be given effect to in the near future and establishes a commercial activity on this site which will integrate with and complement the retail activities in the existing Mandeville Village retail area. It is considered that this commercial activity would be better served by the LCZ to enable further integration of the site with those existing retail activities and to allow greater synergies and complementary activities. It also means that the existing residential activity at 474 Mandeville Road will appear somewhat incongruous in the adjacent commercial activity context.
