Dear Sir/Madam

## **WAIMAKARIRI DISTRICT COUNCIL ANNUAL REPORT ON DOG CONTROL: 2017/2018**

In accordance with the Dog Control Act 1996, Section 10A, the following is a copy of the annual report for Waimakariri District Council's dog control policy and practices.

### **Dog Control Policy**

Waimakariri District Council (The Council) adopted a Dog Control Policy in 2009. The objectives of the policy include:

- To encourage responsible dog ownership
- To provide for Dog Access to Public areas
- To enforce dog owner obligations

### **Education**

Animal Control delivers education to schools in the District encouraging safe practices around dogs including bite prevention.

### **Dog Parks**

The Council currently provide three dog parks.

**Southbrook Dog Park** - This 3-hectare dog park was established in Southbrook Park, Rangiora, in 2010. Access to the park is either from Coronation Street or the Southbrook Park car park. The park features a pleasant walking circuit leading to a large fenced area where dogs can run and exercise. Information signs and seating are provided.

**Millton Memorial Park Dog Park** - This dog park, at the corner of Millton Avenue and River Road, Rangiora, covers 2.6 hectares and was opened in 2015. The park features a 'large dog area' and 'small dog area'.

**Gladstone Road Dog Park** – This park was opened in early 2018 and covers approximately 2 hectares.

A further dog park is planned for Kaiapoi shortly. The dog parks have a Facebook community page [www.facebook.com/RangioraDogParks/](https://www.facebook.com/RangioraDogParks/).

### **Dog Control on parks and reserves**

To protect public safety and enjoyment, the Dog Control Bylaw 2009 classifies the district's parks and reserves into three categories: Dog Prohibited Areas, Leash Control Areas and Under Control Areas. The First Schedule of the bylaw lists all the district's reserves and their classifications. You can exercise your dog off the leash in Under Control Areas as long as you keep the dog under continuous supervision and control.
