

DELEGATIONS

Part 3

Delegation to Committees

Jurisdiction of the District Sewerage Project Subcommittee

Subcommittee discharged U & R Committee meeting 14/8/07

Scope of Activity

The District Sewerage Project Subcommittee shall be responsible for –

- Implementing the adopted eastern district sewerage solution within the overall approved budget and within an acceptable risk framework.

Specific Jurisdiction

Investigating, designing and implementing a project based on –

- Upgrading of the existing treatment plants and wetlands to meet the proposed outfall effluent discharge standards (and short-term consent standards where applicable); and
- Constructing an ocean outfall to serve the eastern district; and
- Connecting pipelines
