## Submission details

The specific provisions of the proposal that my submission relates to are as follows: *(please give details)*

The proposed Rezoning of my property at 83 Bradys Road, North Loburn, RD 2 Rangiora to GRUZ-01 from its current designation.

My submission is that: *(state in summary the Proposed Plan chapter subject and provision of your submission. Clearly indicate whether you support or oppose the specific provisions or wish to have amendments made, giving reasons) (please include additional pages as necessary)*

I am opposed to having my property re zoned to be GRUZ-01, our property has already been subdivided and is 4 hectares so including it in GRUZ-01 does not make any sense. The 2 properties across the road have remained Rural Lifestyle zoned while other land on the other side of Bradys road has been proposed to be rezoned to be GRUZ-01 as well as our side of the road so there doesn't appear to be any clear logic applied to the zoning changes proposed for our road.

Despite being subdivided already I am concerned we will be subject to the more constraining rules of GRUZ zoning when in practice we are already a 10 acre lifestyle block.

I/we have included: 0 additional pages

I/we seek the following decision from the Waimakariri District Council: *(give precise details, use additional pages if required)*

I would like our property to be rezoned to be part of the Rural Lifestyle zone and thus have the same zoning as our neighbours, given we are all on 10 acres this would be a consistent transition with existing farms on the road being zoned GRUZ to protect their current unsubdivided status
