Oxford-Ohoka Community Board

Agenda

Thursday 9 February 2017

7.00pm

Oxford Town Hall,
30 Main Street,
Oxford

Members:
Doug Nicholl (Chair)
Mark Brown (Deputy Chair)
Wendy Doody
James Ensor
Shirley Farrell
Kevin Felstead
John Lynn
Thomas Robson
Board Members
OXFORD-OHOKA COMMUNITY BOARD

AGENDA FOR THE MEETING OF THE OXFORD-OHOKA COMMUNITY BOARD TO BE HELD IN THE OXFORD TOWN HALL, 30 MAIN STREET, OXFORD ON THURSDAY 9 FEBRUARY 2017 AT 7PM.

Karyn Ward
Community Board Advocate

RECOMMENDATIONS IN REPORTS ARE NOT TO BE CONSTRUED AS COUNCIL POLICY UNTIL ADOPTED BY THE COUNCIL

BUSINESS PAGES

1 APOLOGIES

2 CONFLICTS OF INTEREST

3 ACKNOWLEDGEMENTS

Acknowledgement of the passing of Karen Eastwood, Woodend-Sefton Community Board Member.

New Year’s Honours List

Vi Cottrell, Ohoka, Officer of the New Zealand Order of Merit (ONZM) recognised for over 40 years involvement with Trade Aid, an honorary member of the World Fair Trade Organisation and member of its monitoring committee.

4 CONFIRMATION OF MINUTES

4.1 Minutes of the Oxford-Ohoka Community Board – 8 December 2016

RECOMMENDATION

THAT the Oxford-Ohoka Community Board:

(a) Confirms the circulated minutes of the Oxford-Ohoka Community Board meeting, held 8 December 2016, as a true and accurate record.

5 DEPUTATIONS AND PRESENTATIONS

5.1 Rick Leftly, Isaac Community Association, will provide an update to the Board on the proposed Isaac block quarry.

6 ADJOURNED BUSINESS

Nil.
7 NOTICE OF MOTION

7.1 Proposed Application from Christchurch Ready Mix Concrete for a Quarry in Isaacs Road

RECOMMENDATION

THAT the Oxford-Ohoka Community Board:

(a) Requests that the Council consider recommending to staff that the Resource Consent Application, when it is received from Christchurch Ready Mix Concrete for a Quarry operation in Isaacs Road, Eyrewell, be a Notifiable Consent under the Resource Management Act 1991.

Recommends THAT the Council:

(b) Authorises staff that the Resource Consent Application, when it is received from Christchurch Ready Mix Concrete for a Quarry operation in Isaacs Road, Eyrewell, be a Notifiable Consent under the Resource Management Act 1991.

8 REPORTS

8.1 Proposed Street Tree removals Burnett Street, Oxford – G Barnard (Parks Community Assets Officer)

RECOMMENDATION

THAT the Oxford-Ohoka Community Board:

(a) Receives report No. 170125006337.

(b) Approves the removal of the two Rowan (Sorbus sp) trees located on the south west side of Burnett Street adjacent to Pearson Park.

(c) Notes that a line of six additional trees will be planted near the Burnett Street boundary line of Pearson Park.

(d) Notes that the removal of the Rowan tree is not consistent with section 3.3 of the Council's standard operating procedure for the removal of trees.

8.2 Safety barrier on Meyer Place footpath – K Stevenson (Roading Manager)

RECOMMENDATION

THAT the Oxford-Ohoka Community Board:

(a) Receives report N° 170117003204.

(b) Approves the installation of a barrier/fence alongside the raised footpath on the west side of Meyer Place.

OR

(c) Agrees that that no barrier/fence is installed alongside the raised footpath on the west side of Meyer Place.

(d) Circulates this report to the Utilities and Roading Committee.
8.3 Meeting Venues for March and April 2017 Meetings

RECOMMENDATION

THAT the Oxford-Ohoka Community Board:
(a) Receives report No. 170131008513.
(b) Resolves to hold the 9 March 2017 meeting of the Oxford-Ohoka Community Board at the Oxford A & P Room, Oxford Town Hall.
(c) Resolves to hold the 6 April 2017 meeting of the Oxford-Ohoka Community Board at West Eyreton Hall, corner Earlys Road and North Eyre Road, West Eyreton.
(d) Notes that a further comprehensive report will come to the Board about subsequent Community Board meeting venues after additional research has been completed by staff.

8.4 Application to the Oxford-Ohoka Community Board Discretionary Grants 2016-2017 – K Ward (Community Board Advocate)

RECOMMENDATION

THAT the Oxford-Ohoka Community Board:
(a) Receives report No. 170118003839.
(b) Approves a grant of $...................... to Canterbury Justices of the Peace Association Inc. towards the cost of a pull-up banner.
OR
(c) Declines the application from Canterbury Justices of the Peace Association Inc.

8.5 Summary of Discretionary Grant accountability to 31 December 2016 – K Ward (Community Board Advocate)

RECOMMENDATION

THAT the Oxford-Ohoka Community Board:
(a) Receives report No.170120004926.
(b) Circulates a copy of this report to all of the Community Boards.

8.6 Property Lease/Licence Renewals 01 January 2017 to 31 December 2017 – M Ball (Property Officer)

RECOMMENDATION

THAT the Oxford-Ohoka Community Board:
(a) Receives attached report number 170106000629.
(b) Notes the upcoming renewals, status and nature of the lease/licence agreements.
9 **CORRESPONDENCE**

9.1 Letter from Mrs Lorna Bowis, local resident, to the Board regarding the sewage dump station in High Street, Oxford.

10 **CHAIRPERSON’S REPORT**

10.1 *Chairperson’s Report for December 2016 - January 2017*

**RECOMMENDATION**

THAT the Oxford-Ohoka Community Board:

(a) Receives report No. 170126006858.

11 **MATTERS FOR INFORMATION**

11.1 *Promotion of Waimakariri District – 2015/16 Annual Report* (S Markham, Manager Strategy and Engagement) – Report to Audit and Risk Committee – 13 December 2016 (Trim No. 161201124351)

11.4 *Capital Projects Report for the period ended 30 September 2016* (P Christensen, Finance Manager) – Report to Audit and Risk Committee – 13 December 2016 (Trim No. 161114116589)

11.5 *Woodend-Sefton Community Board meeting minutes – 12 December 2016* (Trim No. 161212127949)

11.6 *Rangiora-Ashley Community Board meeting minutes – 14 December 2016* (Trim No. 161214129383)

11.7 *Kaiapoi-Tuahiwi Community Board meeting minutes – 19 December 2016* (Trim No. 161214129405)

**RECOMMENDATION**

THAT the Oxford-Ohoka Community Board receives the information in items 10.1-10.7

*Note: items were circulated separately to members on 2 February 2017.*

12 **MEMBERS’ INFORMATION EXCHANGE**

The purpose of this exchange is to provide a short update to other members in relation to activities/meetings that have been attended or to provide general Board related information.
13 CONSULTATION PROJECTS

13.1 Draft Annual Plan
Submissions open between Friday 10 March to Tuesday 11 April.

14 REGENERATION PROJECTS

14.1 Town Centre
Updates on the Oxford Town Centre projects are emailed regularly to Board members. These updates can be located using the link below:

14.2 New Arterial Road
Regular updates on the progress of the new Arterial Road will be posted on the Council’s website. There are also links to intersection layout plans for each of the new intersections. The updates can be located using the link below:

15 BOARD FUNDING UPDATE

15.1 Board Discretionary Grant
Balance as at 1 February 2017: $2,360.

15.2 General Landscaping Budget
Balance as at 1 February 2017: $11,650.

16 MEDIA ITEMS

17 QUESTIONS UNDER STANDING ORDERS

18 URGENT GENERAL BUSINESS UNDER STANDING ORDERS

NEXT MEETING
The next meeting of the Oxford-Ohoka Community Board is scheduled for 7pm, Thursday 9 March 2016 in a location yet to be advised.

Workshop

1. Members’ Forum
2. Roading update, including Mandeville Speed Limit Review. K Stevenson (Roading Manager)
MINUTES OF THE MEETING OF THE OXFORD-OHOKA COMMUNITY BOARD HELD IN THE WEST EYERTON HALL, CORNER NORTH EYRE ROAD AND SCHOOL ROAD, WEST EYRETON ON THURSDAY 8 DECEMBER 2016 AT 7PM:

PRESENT

D Nicholl (Chair), M Brown (Deputy Chair), W Doody, J Ensor, S Farrell, K Felstead, J Lynn, and T Robson.

IN ATTENDANCE

S Markham (Manager, Strategy and Engagement), K Graham (Journey Planner/Road Safety Coordinator), D Lewis (Construction Management Engineer), S Morrow (Land Information Officer), M McIlraith (Communications and Engagement Manager), K Ward (Community Board Advocate) and E Stubbs (Minute Secretary).

The meeting adjourned at 7.40 and recommenced at 7.43pm to allow members of the public to depart.

The meeting adjourned at 8.14pm for a workshop, resuming at 8.30pm.

D Nicholl welcomed the large public gallery (approximately 75 members of the public).

1 APOLOGIES

Nil.

2 BOARD MEMBER DECLARATION

The Chair invited member elect, M Brown, to read and sign the declaration form so concluding the oath taken by all elected members.

3 CONFLICTS OF INTEREST

Nil.

4 CONFIRMATION OF MINUTES

4.1 Minutes of the Oxford-Ohoka Community Board – 3 November 2016

Moved S Farrell seconded W Doody

THAT the Oxford-Ohoka Community Board:

(a) Confirms the minutes of the Oxford-Ohoka Community Board meeting held 3 November 2016, having been circulated, as a true and accurate record.

CARRIED
5 DEPUTATIONS AND PRESENTATIONS

5.1 Bud Caldwell and Shaun Ryan (local residents), spoke to the Board regarding Ready Mix Concrete Limited’s proposed Isaac’s Road Quarry on behalf of the deputation organised by Michael Ducray. Mr Caldwell thanked the members of the public attending and stressed that he was representing a community of residents from Isaac’s Road. This community had major concerns related to the proximity of the proposed quarry to their homes. He noted the location had been chosen due to the quality of materials, but questioned if this particular 50 hectares had better material than others.

Mr Caldwell noted that the quarry was being presented as small-medium sized, however he believed it was a large quarry that would be active for some time. It had proposed extensive hours of operation – well beyond that typically expected in a rural zone considering the location of lifestyle blocks. Residents had concerns regarding noise, dust, vehicle movements and light pollution. They were also concerned it would set a precedent for the entire rural area of Waimakariri.

Mr Ryan read a tabled Statement (Trim 161213128533) on behalf of concerned residents of Isaac Road, and noted that many of the objections raised had been upheld in favour of the community in other quarry locations in Canterbury. He was firmly of the opinion that the siting of the quarry would have a direct impact on residents and as such should go through a notified resource consent process.

K Felstead noted that the quarry application was an unprecedented one for the Waimakariri District Council (WDC). Mr Caldwell commented that they believed the application would be lodged the following week with the Council and Environment Canterbury (ECan); it was understood that there was limited information at present due to no official application being lodged.

J Lynn asked about the nature of engagement residents had with ReadyMix Concrete. Mr Caldwell advised that some residents of Isaac Road had received a letter and there had been some ‘one-on-one’ meetings with the company. J Lynn queried whether there was the intention of having a more open community group meeting. Mr Caldwell advised that they had not been given that opportunity. The community would also like to meet with the landowners who had approached ReadyMix with regard to establishing a quarry.

Mr Caldwell commented that they understood the need for a quarry and did not object from that point of view, rather they were concerned with regard to the proximity of lifestyle blocks considering the landowner had a large holding. There was an opportunity to shift the quarry away from homes, which would probably remove most of the objections.

S Markham outlined the current position of the Council which was that they had not yet received a resource consent application and as such the information that the residents had was more than that of the Council. With respect a notified resource consent, the Board would have the right to make a submission.

Mr Ryan acknowledged the advice of S Markham and commented the community was not trying to stop the process of democracy; rather they wanted to ensure Council was fully aware of the level of community interest. He referred to the recent plastic factory development and residents’ concerns the upcoming quarry application would not be ‘swept under the carpet’. He requested that the terms and conditions of recent similar consents granted elsewhere be compared to what was proposed.

S Markham advised that he would indicate to those colleagues meeting with ReadyMix of the public turnout this evening and extent of concern.
There was some discussion from the public around the granting of the building consent for the Wrights Road Storage Dam prior to granting of land use consent and there was a request for that not to happen in this case. S Markham advised that there was a procedure to follow when a building consent application was lodged, and an obligation to process that application within a specified time frame.

There was a suggestion from the floor that Waimakariri Irrigation Ltd (WIL) and ReadyMix should work together to create a water storage facility from quarrying, thereby eliminating the need for a dam. D Nicholl advised on some of the difficulties of that process.

Mr Edge was invited by the Chair to comment from the public gallery. Mr Edge believed there was a bigger issue: a greater level of protection for lifestyle blocks is required and a District Plan change is needed to reflect that.

*The meeting adjourned at 7.40 and recommenced at 7.43pm to allow members of the public to depart.*

5.2 Kathy Graham (Journey Planner/Road Safety Coordinator) and Dan Lewis (Construction Management Engineer) spoke to the Board regarding the Urban Cycleways project. K Graham advised there were two main routes in the project - Rangiora to Kaiapoi and Rangiora to Woodend; both routes had been approved funding. The purpose of the presentation was to provide an overview for the Board and an opportunity to provide feedback. Public feedback had emphasised residents were keen to see connections between towns. Strategy priorities were to get communities active, connected, and provide a choice of transport modes.

S Markham observed that in the past there had been reasonably active walking and cycling investment, however reduced government subsidy through the New Zealand Transport Agency had resulted in, until recently, less funding for cycleways and more had gone into roading. The Urban Cycleways project was a response to community concern about this by the Government.

Although the project was focused on two routes outside the boundaries of the Oxford-Ohoka Community Board area, K Graham explained there was a district-wide vision being designed in relation to walking and cycling. It was about creating a network and a safe recreation facility to encourage more people to cycle. The cycleways had to be built to a high standard with strict criteria to receive government funding.

There was some discussion relating to the specific location of the routes.

D Nicholl commented that it was a huge cost and cyclists were not contributing to the cost through fuel levies. D Lewis commented that this was a common comment that staff involved had encountered, yet most cyclists also owned a car. Evidence analysed had also shown in an urban environment, cyclists frequented shops more often than car drivers.

D Lewis advised that $1.4 million of funding had been approved through the Urban Cycleways Project. Construction estimates were currently being looked at. Part of the process was to inform the Community Board of funding and level of cost; a report would be considered by the Council in early March.

J Lynn queried whether the shortfall of around $1 million would be contributed to by ratepayers. It was advised the shortfall would become part of the general rates and loan funded, so funded over a longer period of time.

S Farrell queried whether the route through Loburn and Oxford would be part of the National Cycleways Project and S Markham advised that it was unlikely to receive funding as the number of ‘great rides’ had been capped.
W Doody commented that the loop from Christchurch to Oxford needed to be looked at as a large proportion connected into the Oxford-Ohoka Ward. K Graham advised that there was continual monitoring.

6 ADJOURNED BUSINESS

There was no adjourned business.

7 REPORTS

7.1 Road Naming – Private Right of Way Oxford – S Morrow (Land Information Officer)

S Morrow advised he would take the report as read.

W Doody commented that it was timely that the Board seriously look at names they would like to use, as road naming invariably came up and there was no set criteria. K Felstead commented the previous Advisory Board had attempted the task but found to be too difficult.

Moved M Brown seconded S Farrell

THAT the Oxford-Ohoka Community Board:

(a) Receives report No 161122120128.

(b) Approves a new road name for a Private Right of Way created off Cheapside Street, Oxford as Phillips Lane, DP393069.

CARRIED

The meeting adjourned at 8.14pm for a workshop, resuming at 8.30pm.

8 CORRESPONDENCE

8.1 Letter from Hazel Walker, Oxford Resident, regarding the well discovered under the Oxford Service Centre and Library. (Trim No. 161129122831)

Moved W Doody seconded J Lynn

THAT the Oxford-Ohoka Community Board:

(a) Receives letter No.161129122733.

CARRIED

S Farrell advised that Hazel Walker had given her the letter and wished to see something made of the well so that it could be a tourist attraction.

K Felstead advised that he had spoken to C Sargison in relation to preserving the well. C Sargison had advised that the well was in a difficult location and would require re-planning of the whole site. He had been keen to keep it if possible but believed it was not feasible. The well had been filled with sand and a concrete lid placed on top which would preserve the well for the future.

J Lynn suggested that due to the public interest in the well there should be a good explanation provided to the public of the reason for its sealing through the Observer.
W Doody will speak to C Sargison in relation to replying to Hazel Walker, and drafting an item for the Observer.

8.2 A letter from Mr and Mrs C and H Taylor, Oxford Residents, regarding the intersection of Burnt Hill Road and Harewood Road was tabled, as was a Memo from the Roading Manager in response to this letter.

Moved W Doody seconded J Lynn

THAT the Oxford-Ohoka Community Board:

(a) Receives letter No. 161201124193.
(b) Notes memo No. 161201124333.

CARRIED

9 CHAIRPERSON’S REPORT

9.1 Chairperson’s Report for November 2016

Moved M Brown seconded T Robson

THAT the Oxford-Ohoka Community Board:

(c) Receives report No.161129122733.

CARRIED

10 MATTERS FOR INFORMATION

10.1 Rangiora-Ashley Community Board meeting minutes – 7 November 2016 (Trim No. 161104114041)

10.2 Woodend-Sefton Community Board meeting minutes – 15 November 2016 (Trim No. 161109115482)

10.3 Kaiapoi-Tuahiwi Community Board meeting minutes – 21 November 2016 (Trim No. 161118118922)

10.4 Visit to Belgium for Passchendaele Commemorations – J Palmer (Chief Executive) - Council, 1 November 2016 (Trim No. 161026109825)

10.5 Oxford Library/Service Centre Development – C Sargison (Manager Community and Recreation) – Council, 1 November 2016 (Trim No. 161020108313)

10.6 Contract Acceptance Report – 14/27 – Southbrook Road / South Belt Intersection Upgrade – K Stevenson (Roading Manager) and K Straw (Project Manager) – Public Excluded Council, 1 November 2016

10.7 Request for Increases to Water Source Upgrade Budgets for Waikuku Beach, Garrymere and Poyntzs Road Water Supply Schemes – C Roxburgh (Water Asset Manager) – Utilities and Roading Committee, 22 November 2016 (Trim No. 16108115095)

10.8 Report on expenditure due to reactive maintenance work carried out on Rangiora, Kaiapoi and Pegasus Water Supply Wells – S de Roo (Utilities Engineering Officer) – Utilities and Roading Committee, 22 November 2016 (Trim No. 16109115696)

10.9 West Kaiapoi New Arterial Road Update – K Stevenson (Roading Manager) and J McBride (Civil Projects Team Leader) – Public Excluded Utilities and Roading Committee, 22 November 2016
10.10 **Contract 15/66: Northbrook Road Urbanisation Tender Evaluation and Tender Acceptance Report – K Straw (PDU Project Manager) and K Stevenson (Roading Manager)** – Management Team, 28 November 2016

Moved J Ensor seconded T Robson

**THAT** the Oxford-Ohoka Community Board receives the information in items 10.1-10.10.

**CARRIED**

11 **MEMBERS’ INFORMATION EXCHANGE**

11.1 **S Farrell**
- Attended Pearson Park Advisory Group meeting. $100,000 would be spent on the Oval. There would be nominations for members in the New Year.
- Asked for information regarding the Jaycee Rooms; W Doody as Council portfolio holder for Community Spaces, to request information from C Sargison.

11.2 **J Lynn**
- Attended Neighbourhood Watch meeting.
- Would attend GreyPower meeting in January.
- Ohoka Residents Association meeting: concerns around the health and low flows of the Ohoka Stream were raised. Advised that the Residents Association had been offered the Ohoka Lodge Gatehouse Building (at no cost) which had a Historic Building Grade 2 listing. The Historic Places Trust had advised that it was a candidate for Earthquake restoration funding. S Markham advised that the Residents Association should write directly to J Palmer with regard to this project.

11.3 **K Felstead**
- Advised that the earthquake infrastructure recovery programme has 44 of 50 projects completed. The remaining six are on hold until the decision from the Minister regarding the regeneration zone is announced in the near future.
- Fernside/ Flaxton Road area has had a reduction in speed limit to 80km/hr.
- Implementation of a working party to progress the Northern Pegasus Bay Bylaw.
- Recommencement of Kaiapoi River Rehabilitation Working Party.
- Extra funding for water main at Rangiora end of Oxford Road.
- New District Licensing Committee established.
- Councillor P Williams has been appointed to the Ashley River Water Supply Scheme.

11.4 **W Doody**
- Advised the old part of Oxford Town Hall has hairline cracks following the Kaikoura earthquake. Opus Consulting are monitoring.
- There has been a burglary at the Mandeville Sports Club for the fourth time.
- Commented on the new hockey turf at Coldstream Road
- Neighbourhood Support is planning a family picnic at Waikuku Beach for March.
11.5 **T Robson**
- Attended a recent Youth Council meeting. Raised the idea of creating a liaison role between the Youth Council and the Board. The Youth Council are keen to strengthen the relationship.
- Will be meeting with member of the public with regard to road surface issues.

11.6 **J Ensor**
- Attended WHAG meeting - concerns around underfunding of mental health and isolation of elderly.
- Advised a Fernside Federated Farmers group was being set up.
- Believes there had been an unsatisfactory response to local flooding issues. D Nicholl suggested it should be on the agenda for the Drainage Committee meeting.

11.7 **D Nicholl**
- Has met with Gavin Bennett with regard to his concerns around the Mandeville business zone application. Advised that an independent planning consultant had recommended the application proceed as non-notified. The process still had to go before a Hearings Commissioner.

12 **CONSULTATION PROJECTS**

Nil.

13 **REGENERATION PROJECTS**

Regular updates on the Oxford Town Centre projects are emailed regularly to Board members. These updates can be located at the link below:

14 **BOARD FUNDING UPDATE**

14.1 **Board Discretionary Grant**
Balance as at 1 December 2016: $2,360.

14.2 **General Landscaping Budget**
Balance as at 1 December 2016: $11,650.

The Board noted the balances.

15 **MEDIA ITEMS**

Large public turnout at the Board’s meeting with the Isaac Road residents’ delegation.

Information regarding the decision-making process around the historic well found on the Oxford Service Centre site.
16 QUESTIONS UNDER STANDING ORDERS
There were no questions under Standing Orders.

17 URGENT GENERAL BUSINESS UNDER STANDING ORDERS
There was no urgent general business under Standing Orders.

NEXT MEETING
The next meeting of the Oxford-Ohoka Community Board is scheduled for 7pm, Thursday 9 February 2016 in a location in Ohoka yet to be advised.

THERE BEING NO FURTHER BUSINESS, THE MEETING WAS CLOSED AT 9.07PM.
CONFIRMED

__________________________        __________________
Chairperson                      Date
Workshop (9.11-10.05pm)

1. Members’ Forum
   Members had a general discussion around a number of items of interest.

2. Media and Communication. M McIlraith (Communications & Engagement Manager)
   Spoke to modern media communications and options for the Board to consider utilising.

3. Our District, Our Future Waimakariri 2048: Waimakariri District Development Strategy. S Markham (Manager Strategy and Engagement)
   Interactive discussion regarding this Strategy and the aspects that particularly relate to the Board’s community area.

   Deferred until 2017.
NOTICE OF MOTION

The Chief Executive

Waimakariri District Council

That the following Notice of Motion has been submitted by Shirley Farrell pursuant to Standing Order 3.10.1, for the 9 February 2017 meeting of the Oxford-Ohoka Community Board, received on 26 January 2017.

Proposed Application from Christchurch Ready Mix Concrete for a Quarry in Isaacs Road

a) The Oxford-Ohoka Community Board requests that the Council consider recommending to Planning and Regulation staff that the Resource Consent Application, when it is received from Christchurch Ready Mix Concrete for a Quarry operation in Isaacs Road, Eyrewell, be a Notifiable Consent under the Resource Management Act 1991.

Explanation

The Oxford-Ohoka Community Board is aware there are a large number of residents in the area who have serious concerns that the quarry operation could adversely affect them.

As per the Council Delegation to Community Boards S-DM1041, Issue 10, as at 25 October 2016, 3.1-3, and 8 the Oxford-Ohoka Community Board advocates that these residents need to have their concerns heard.

Adverse effects from quarry operations can be:

- Air Emission and Dust Pollution – This is an emergency health and safety issue throughout New Zealand. Dust can aggravate heart and lung-related conditions when inhaled throughout noise and mouth. Crops, animals and insects are also damaged by dust as well as living conditions threatened and compromised. Therefore dust has negative effects on health. People living in the vicinity of a gravel pit or similar operation are at greatest risk from exposure to dust particles.
- Noise Pollution – residents living in the area now have a quiet neighbourhood, except for noise created by farm activities. Quarry operations could (and usually do) have an adverse effect on health if sleep and rest habits are affected. The continued noise of machinery, trucks and vibration also pose a threat to people’s health. Tranquility of the area could disappear.
- Light Pollution – could be an issue, especially if quarry operations are to be conducted throughout the hours of darkness.
- Potential loss of quality of life and loss of value on properties in the neighbourhood.
Recommendation to the Oxford-Ohoka Community Board

THAT the Oxford-Ohoka Community Board:

a) **Requests** that the Council consider recommending to staff that the Resource Consent Application, when it is received from Christchurch Ready Mix Concrete for a Quarry operation in Isaacs Road, Eyrewell, be a Notifiable Consent under the Resource Management Act 1991.

Recommendation to Council

The Oxford-Ohoka Community Board recommends that the Council resolves to:

a) **Authorises** staff that the Resource Consent Application, when it is received from Christchurch Ready Mix Concrete for a Quarry operation in Isaacs Road, Eyrewell, be a Notifiable Consent under the Resource Management Act 1991.

Signed:

_________________________________              ________________________________
Shirley Farrell (Mover)                                            Thomas Robson (Seconder)
1. SUMMARY

1.1. The purpose of this report is to provide the Oxford–Ohoka Community Board with information to allow a decision to be made on the future of two Rowan (Sorbus sp) street trees located outside Pearson Park on the western side of Burnett Street adjacent to the skate park and playground.

1.2. Currently there are two street trees in the road reserve beside the park. Both are in very poor condition due to being planted in harsh ground conditions and surrounded by compacted soils which is the result of vehicles parking along the unformed berm adjacent to the trees.

1.3. Council’s Project Delivery Unit has requested that trees be removed to allow for the installation of kerb and channel, construction of roadside side car parking and the addition of street gardens.

1.4. In order to provide the best outcome from the scheme it is proposed that the current street trees be removed and a line of suitable replacement trees be planted within the park.

1.5. This report proposes that the Oxford–Ohoka Community Board approves the removal of the roadside trees and the planting of additional replacement trees within Pearson Park.

Attachments:

i Burnett St Car Park Proposed tree removal map site map (Trim170125006343)

2. RECOMMENDATION

THAT the Oxford–Ohoka Community Board:

(a) Receives report No. 170125006337

(b) Approves the removal of the two Rowan (Sorbus sp) trees located on the south west side of Burnett Street adjacent to Pearson Park.

(c) Notes that a line of six additional trees will be planted near the Burnett Street boundary line of Pearson Park.
(d) **Notes** that the removal of the Rowan tree is not consistent with section 3.3 of the Council’s standard operating procedure for the removal of trees.

3. **ISSUES AND OPTIONS**

3.1. Council’s Project Delivery Unit has developed a plan to improve the parking around the Oxford Town Hall and Service Centre area. The plan calls for the ad-hoc parking arrangements that are currently in use along the south west side of Burnett Street on the Pearson Park frontage to be replaced by a fully formed chip-sealed car park and concrete kerb and channel. The plan also includes kerb buildouts planted with gardens, the removal of the current park fencing and the installation of bollards to allow easy and safe access to the park by pedestrian.

3.2. The original plan, which was presented to the Board early in 2016, allowed for the retention of the street trees. However, as the scheme was further developed and a Safety in Design assessment carried out three key deficiencies were identified as follows:

3.2.1. **Access to Pearson Park.** Regular access points along the fence line would be required to ensure pedestrians didn’t need to either walk along the road, or in front of other vehicles in the parking spaces. This risk was eliminated by agreeing to remove the existing fence and replace it with bollards.

3.2.2. **The proposed layout would lead to higher maintenance costs** as it was inaccessible for sweeper trucks. This has been mitigated by the redesign of the kerb and channel to allow sweeper trucks access while maintaining the maximum number of car parks possible.

3.2.3. **The original proposed layout** allowed for the kerb build outs around three street trees that were in-situ at the time. Since the proposed plan was drawn up, one of those street trees has been removed after it was damaged by a vehicle. The remaining two street trees are in poor condition and it is proposed that they be removed. It is proposed that six new trees be planted within the adjacent reserve as close to the fence line as is practical to offset the loss of the two street trees.

3.3. The trees are Rowan (*Sorbus* sp) trees and are approximately 5 metres in height with a trunk diameter of 100mm, a crown spread of 2.5 metres and are approximately 10 years old. They have failed to thrive in the harsh conditions and compacted soils present in the unformed berm. It is anticipated that while it is possible they will continue to remain alive their condition is not expected to improve in the future and it is likely they will deteriorate further over time to the point where it will be necessary to remove them.

3.4. **Staff recommend removal of the trees for the following reasons;**

3.4.1. The Rowan trees are in very poor condition and while they may continue to live for a number of years they are not expected to improve in either health or form.

3.4.2. **Should the trees remain it will be necessary to accommodate them in the car park layout.** This will reduce the number of car parks that can be installed and restricting where kerb buildouts can be constructed.

3.4.3. The scheme provides the opportunity to plant a total of six trees within the Pearson Park boundary which will enhance not only the reserve but also the streetscape and provide mitigation of the loss of the two street trees. It is intended that specimen trees be planted as near to the park boundary as practical so that as they mature they will overhang the fence line and contribute to visually soften the hard surface areas of the car park area.
3.4.4. New trees will complement the new gardens to be planted on the kerb buildouts and provide a rejuvenation of the area that retaining the existing trees will not provide.

3.4.5. Removal of the two trees will allow additional car parking over that provided for in the initial presentation and the installation of a redesigned kerb layout will allow more efficient maintenance by the use of sweeper trucks.

3.5. Standard Operating Procedure defines the conditions for the removal of street trees only in cases where trees are dead, diseased or dying or where they are creating severe hardship. These trees are in poor health and form and, therefore, do not meet the criteria for removal. However, the benefits to be gained by removing them at this time as detailed above outweighs the minimal benefit that they may provide now or in the future. By replanting additional trees in the same area the overall outcome is an improvement to the amenity value of the area and the environment.

3.6. The options for the future of the trees are:

3.6.1. Allow the trees to remain in their current state with appropriate future maintenance. This is not the preferred option.

3.6.2. Remove the trees entirely and plant replacement trees together with additional trees inside the adjacent reserve boundary. This is the preferred option.

4. COMMUNITY VIEWS

4.1. No formal community consultation has been carried out on the matter of the tree removals. The scheme for the construction of the car parking was previously presented to the Board early last year and a number of suggestions made by the Board have been incorporated into the scheme. At that time it was anticipated that the trees would be retained but investigation has determined that given the poor condition of the trees and the unlikely prospect of them improving over time it is now recommended that they be removed and their loss mitigated by planting additional trees in a better location.

4.2. There are several high use buildings with the immediate vicinity of the scheme such as the Oxford Town Hall and Council Service Centre which is currently being revamped. Both of these buildings and general use of the recreation facilities in Pearson Park has increased demand for formalised parking in the area. Removal of the trees allows the maximum number of parking spaces to be incorporated while the planting of additional trees provides a higher amenity value to the community than retaining the trees would provide.

5. FINANCIAL IMPLICATIONS AND RISKS

5.1. Option 1: Maintain the status quo, i.e. retain the trees under Council’s Tree Maintenance Programme. There is no additional cost to Council.

5.2. Option 2: Remove the trees and replace them together with additional trees within Pearson Park in with an appropriate species of juvenile tree. There will be no cost to remove the trees as this will be carried out as part of the scheme works. Planting of two replacement trees and 4 additional trees will cost approximately $1800 which will be funded as part of the project works.
6. **CONTEXT**

6.1 **Policy**

This matter is not a matter of significance in terms of the Council’s Significance Policy.

6.2 **Legislation**

There is no specific legislation regarding the removal of street trees. Applicants do have the right of legal recourse under the provisions of the Property Law Act 2007 should the Board decide not to authorise removal of the trees. Sub part 4 of the act refers to the removal of trees. Section 335 refers to what the court may consider should an application be made.

335 Matters court may consider in determining application for order under section 333

- (1) In determining an application under section 334, the court may make any order under section 333 that it thinks fit if it is satisfied that—
  - (a) the order is fair and reasonable; and
  - (b) the order is necessary to remove, prevent, or prevent the recurrence of—
    - (i) an actual or potential risk to the applicant’s life or health or property, or the life or health or property of any other person lawfully on the applicant’s land; or
    - (ii) an undue obstruction of a view that would otherwise be enjoyed from the applicant’s land, if that land may be used for residential purposes under rules in a relevant proposed or operative district plan, or from any building erected on that land and used for residential purposes; or
    - (iii) an undue interference with the use of the applicant’s land for the purpose of growing any trees or crops; or
    - (iv) an undue interference with the use or enjoyment of the applicant’s land by reason of the fall of leaves, flowers, fruit, or branches, or shade or interference with access to light; or
    - (v) an undue interference with any drain or gutter on the applicant’s land, by reason of its obstruction by fallen leaves, flowers, fruit, or branches, or by the root system of a tree; or
    - (vi) any other undue interference with the reasonable use or enjoyment of the applicant’s land for any purpose for which it may be used under rules in the relevant proposed or operative district plan; and
  - (c) a refusal to make the order would cause hardship to the applicant or to any other person lawfully on the applicant’s land that is greater than the hardship that would be caused to the defendant or any other person by the making of the order.
6.3 **Delegated Authority**

The Rangiora Community Board has the delegated authority to authorise tree removal within the ward.

6.4 **Quality Systems**

The Council's operating procedures contained within the Quality Manual (QS-R905 Street Trees), relating to tree removal in streets and relevant to this situation are as follows:

"3. REMOVAL OF STREET TREES;

3.1 Objective

To protect the Council’s and community’s investment in street trees in the immediate future and throughout generations.

3.2 Explanation

3.2.1 Not everyone values street trees. The Council receives a number of requests each year from residents requesting that a particular tree or street of trees be removed. The most common reasons given for the request are nuisance from shading and leaf litter.

3.2.2 In some cases inappropriate species have been planted and a replacement programme is needed. In others the Council considers the nuisance the tree is causing an individual is less than the loss the removal of the tree will be to the community and future generations, given the number of years it takes for a tree to reach maturity.

3.3 Standard Operating Procedure

3.3.1 The removal of a healthy tree will only be considered in the following circumstances and even then, only when all options for retaining it have been eliminated:

- Where it causes severe hardship consistent with District Court decisions
- Where it causes severe disruption to essential services
- Where it is necessary for a street tree redevelopment plan to be implemented
- Where it is necessary for the realignment/reformation of a footpath

3.3.2 Trees, which are obviously dead, dangerous or diseased will be removed. Note: The Rangiora Community Board has delegation for the removal of trees from parks, reserves and streets or other Council land located in Rangiora.

3.3.3 In situations where residents claim healthy street trees are having a negative impact on their properties, the following procedure will be followed:

- The tree/s will be inspected by a Council Recreation and Reserve Advisor to ascertain the problem/s.
- Any appropriate remedial works will be carried out by skilled tree contractors at the Council’s expense. (appropriate works are defined as those necessary to alleviate the problem/s, although not to the extent that the natural attractive form or stability of the tree is destroyed in the operation).

3.3.4 Where a resident’s request for the removal of a tree is declined, the applicant may ask for the issue to be forwarded to Council’s Community & Recreation Committee or the Community Board for its consideration.

3.3.5 Where a resident’s request for the removal of a tree has been declined by the Council, the resident has the right to apply to the District Court to have the matter heard.
3.3.6 In the event of a road widening or other type of public work where trees are present and have to be removed, consideration is to be given to relocate the trees, if they are suitable for this purpose.

7. **COMMUNITY OUTCOMES**

   The maintenance of parks and reserves contributes to the following outcome;

   Public spaces and facilities are plentiful, accessible and high quality.

Greg Barnard
Parks Community Assets Officer
WAIMAKARIRI DISTRICT COUNCIL

REPORT

FILE NO: GOV-26-10-06 /170117003204

REPORT TO: Oxford Ohoka Community Board

DATE OF MEETING: 9 February 2017

FROM: Ken Stevenson, Roading Manager

SUBJECT: Safety barrier on Meyer Place footpath

SIGNED BY: (for Reports to Council or Committees) ____________________________

__________________________
Department Manager

__________________________
Chief Executive

1. SUMMARY

1.1. The purpose of this report is to seek the Board’s decision on whether to install a safety barrier alongside the raised footpath in Meyer Place.

1.2. In 2014 the Oxford Eyre Ward Advisory Board approved a design to modify the footpath and parking in Meyer Place due to the floor level of the new building being constructed higher than the existing footpath. This design raised the footpath to match the new floor level and this resulted in a drop off of about 400mm to the adjacent road surface. No fence or barrier was included in the design as the drop off is less than the 1m required by the Building Code.

1.3. Since the footpath has been constructed there have been some complaints about the potential safety risk of the raised footpath and the drop off.

1.4. The Board could consider the option of installing a safety barrier/fence alongside the path or it could leave the path without a safety barrier/fence.

1.5. If a fence/barrier was installed it would not be possible to step from the parking area directly onto the footpath and this might be considered an inconvenience for some people.

1.6. From a safety point of view this drop off is not considered a serious hazard as it is less than the 1m height where a barrier is required under the Building Code. While there is the potential for someone to trip and fall this risk exists in many other areas already.

1.7. Staff are of the view that if the Board would like a barrier installed then a barrier can be installed. The cost is modest and funding could be found from the footpath maintenance budget.

Attachments:

i. Report to Oxford Eyre Ward Advisory Board approving the footpath (Doc 140903094825)

ii. Photo of footpath (Doc 170131008616)
2. **RECOMMENDATION**

THAT the Oxford Ohoka Community Board:

(a) Receives report No 170117003204

(b) Approves the installation of a barrier/fence alongside the raised footpath on the west side of Meyer Place.

OR

(c) Agrees that no barrier/fence is installed alongside the raised footpath on the west side of Meyer Place.

(d) Circulates this report to the Utilities and Roading Committee.

3. **ISSUES AND OPTIONS**

3.1. When the new building was being built on the corner of Main Street and Meyer Place in Oxford in 2014 the building owner decided to install doorways on the Meyer Place frontage after the building was partially constructed. As the building floor level was much higher than the footpath level the option to raise the footpath level was agreed to. This was paid for by the building owner.

3.2. The footpath was raised approximately 300mm which resulted in a drop off to the road level of about 400mm. The design did not include a barrier/fence along the path as the drop off was less than 1m. The Building Code was used as a guide as to whether a barrier/fence was required and the Building Code requires a barrier to be provided where people could fall 1 metre or more. As the fall was less than 1 metre a barrier was not included in the design.

3.3. Clause F4.3.1 of the Building Code states the following.

"F4.3.1 Where people could fall 1 metre or more from an opening in the external envelope or floor of a building, or from a sudden change of level within or associated with a building, a barrier shall be provided."

3.4. Since the footpath has been constructed there have been some complaints about the potential safety risk of the raised footpath and the drop off. It is noted that staff are not aware of any incidents of people falling since the path was constructed.

3.5. The Board has two options open to it. It could agree to install a barrier/fence or it could leave the path as it is without a barrier/fence.

3.6. **Option assessment**

<table>
<thead>
<tr>
<th>Advantages</th>
<th>Disadvantages</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prevents a potential fall if someone wanders off the path.</td>
<td>Prevents someone stepping directly onto the path from the adjacent parking area.</td>
</tr>
<tr>
<td></td>
<td>A barrier/fence might ‘close in’ the footpath and reduce its effective width as pedestrians will tend to shy away from the barrier/fence.</td>
</tr>
</tbody>
</table>
Funding would come from existing budgets so other work would be deferred.

Option 2 – Leave path as it is and do not install a barrier/fence.

<table>
<thead>
<tr>
<th>Advantages</th>
<th>Disadvantages</th>
</tr>
</thead>
<tbody>
<tr>
<td>People who park alongside the path can step directly onto the path if they wish.</td>
<td>If someone does fall then it may result in an injury and the Council is likely to be criticised considering it was made aware of the problem.</td>
</tr>
</tbody>
</table>

3.7. The Management Team has reviewed this report and it supports the recommendations.

4. **THE COMMUNITY VIEWS**

4.1. The views of the wider community have not been sought on whether a barrier/fence should be installed. This report is in response to feedback from the Waimakariri Access Group suggesting a barrier is installed and from Community Board members.

5. **FINANCIAL IMPLICATIONS AND RISK**

5.1. The cost of installing a barrier/fence along the Meyer Place footpath is estimated to be $5,000.

5.2. As this issue was created by the building owner then the Council could request the building owner to pay for the fence. However as the Building Code does not require a barrier then the property owner is unlikely to agree to pay.

5.3. The $5,000 could be funded from the footpath maintenance budget.

6. **CONTEXT**

6.1. **Policy**

This matter is not a matter of significance in terms of the Council’s Significance Policy.

6.2. **Community Outcomes**

   Businesses in the District are diverse, adaptable and growing

   There is a safe environment for all

   Transport is accessible, convenient, reliable, affordable and sustainable

Ken Stevenson
Roading Manager
WAIMAKARIRI DISTRICT COUNCIL

REPORT

FILE NO: GOV-26-04-04 /140903094825

REPORT TO: Oxford Eyre Ward Advisory Board

DATE OF MEETING: 17 September 2014

FROM: Ken Stevenson, Roading Manager

SUBJECT: Approval of changes to Meyer Place footpath and parking

SIGNED BY: (for Reports to Council or Committees) Department Manager Chief Executive

1. SUMMARY

1.1. The purpose of this report is to obtain the Board's approval to modify the footpath and parking in Meyer Place as a result of the new building that is being constructed on the corner of Main Street and Meyer Place.

1.2. The floor level of the new building is higher than the existing footpath in Meyer Place and as there are doorways fronting onto Meyer Place the footpath will have to be raised to match the new door levels.

1.3. Unfortunately the building owner did not raise the issue of the level difference with the Council Roading staff until after the foundations and floor had been built and the doors installed. The owner is now saying he cannot modify his foundation to provide a step or ramp within his building to match the existing path level and the only option is to raise the path level.

1.4. In order to raise the footpath a low retaining wall will have to be constructed along the kerb line. A low retaining wall will cause issues with parking as the wall will mean car doors won’t be able to open and people will not be able to directly access the footpath without negotiating a high step onto the raised footpath.

1.5. Options to deal with these issues have been considered and discussed with the building owner. The options are shown on the attached plans. The recommended option is to install a low retaining wall along the kerb line with steps half way along and to move the parking out 1.5m from the kerb to provide a buffer for the car doors to open and for people to walk to the steps or to the end of the raised path.

1.6. Generally the costs to modify the footpath and parking will be met by the building owner except that Council staff have agreed to pay for the new footpath sealing as it is likely the existing footpath would require resealing in the near future in any case.

Attachments:

i. Footpath and parking options (Doc 140909097160)
2. **RECOMMENDATION**

**THAT** the Oxford Eyre Ward Advisory Board:

(a) ** Receives** report No 140903094825

(b) ** Approves** the proposal to modify the footpath and parking in Meyer Place on the west side as shown as Option 1 on the attached plan (Doc 140909097160)

(c) **Notes** that all costs associated with the construction of the work except for the footpath surfacing will be met by the building owner

(d) **Circulates** this report to the Utilities and Roading Committee.

3. **ISSUES AND OPTIONS**

3.1. The new building on the corner of Meyer Place and Main Street is nearing completion and the floor level along the Meyer Place frontage is higher than the footpath level. As doors open to this footpath this level difference needs to be managed. Unfortunately the building design did not take the level difference into account and the building owner did not raise the issue with Council Roading staff until the building foundation and floor was constructed and the doors were in place.

3.2. There are a number of options that are available to deal with this issue. They are:-

Option 1 – Install a low retaining wall along the kerb line and raise the footpath and move the existing parallel parking 1.5m away from the kerb to allow car doors to open and to provide for pedestrian access. Recommended option.

Option 2 – Install a low retaining wall along the kerb line and raise the footpath and as in option 1 but install angle parking with wheel stops.

Option 3 – Shift the kerb and channel away from the building to create a planting strip in front of the retaining wall and install angle parking with a wider kerb build out at Main Street to protect the angle parking.

Option 4 – Require the building owner to modify the building so the doorways have steps or ramps within the building to match the existing footpath level

3.3. Option assessment

<table>
<thead>
<tr>
<th>Option 1 – Install low retaining wall and move the parallel parking</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Advantages</strong></td>
</tr>
<tr>
<td>Lowest cost option and building owner agrees with this option</td>
</tr>
<tr>
<td></td>
</tr>
<tr>
<td></td>
</tr>
</tbody>
</table>
Steps over the kerb will make channel cleaning more difficult

Increased cost to replace kerb and channel in the future

### Option 2 – Install low retaining wall and install angle parking

<table>
<thead>
<tr>
<th>Advantages</th>
<th>Disadvantages</th>
</tr>
</thead>
<tbody>
<tr>
<td>Low cost option</td>
<td>The angle parking will not be ‘protected’ from the existing kerb build out at Main Street.</td>
</tr>
<tr>
<td>Angle parking will mean car doors don’t open against the retaining wall</td>
<td>The angle parking will need wheel stops to prevent cars hitting the retaining wall</td>
</tr>
<tr>
<td>Steps over the kerb and the wheel stops will make channel cleaning more difficult</td>
<td>Steps over the kerb and the wheel stops will make channel cleaning more difficult</td>
</tr>
<tr>
<td>Low retaining wall might be a trip or fall hazard although the wall is only 300mm high and steps are proposed</td>
<td>Increased cost to replace kerb and channel in the future</td>
</tr>
</tbody>
</table>

### Option 3 – Remove and replace kerb and channel to create a landscape strip and protected angle parking

<table>
<thead>
<tr>
<th>Advantages</th>
<th>Disadvantages</th>
</tr>
</thead>
<tbody>
<tr>
<td>Opportunity to provide some landscaping to soften the impact of the retaining wall</td>
<td>Cars will overhang the planting so it may not be effective and may be difficult to maintain</td>
</tr>
<tr>
<td>Angle parking will mean car doors don’t open against the retaining wall</td>
<td>Expensive and the building owner is not prepared to pay for this option</td>
</tr>
<tr>
<td>Angle parking protected by kerb build out, and separate wheel stops will not be required</td>
<td>Low retaining wall might be a trip or fall hazard although the wall is only 300mm high and steps are proposed</td>
</tr>
<tr>
<td>The steps can be placed between the wall and the kerb so they won’t interfere with channel cleaning</td>
<td></td>
</tr>
</tbody>
</table>
Option 4 – require building owner to modify building

<table>
<thead>
<tr>
<th>Advantages</th>
<th>Disadvantages</th>
</tr>
</thead>
<tbody>
<tr>
<td>No cost to the Council and existing footpath levels and parking arrangement remains</td>
<td>Building owner indicates this is not possible</td>
</tr>
<tr>
<td>No retaining wall so no trip or fall hazard</td>
<td>Expensive (to the property owner)</td>
</tr>
</tbody>
</table>

3.4. The Management Team has reviewed this report and it supports the recommendations.

4. THE COMMUNITY VIEWS
4.1. This issue has only been discussed with the property owner and the views of the wider community have not been sought.

5. FINANCIAL IMPLICATIONS AND RISK
5.1. All costs to construct the retaining wall and steps, to re level the footpath and to remark the car parking spaces will be met by the property owner.
5.2. The cost of sealing the new footpath will be met by the Council from the footpath resurfacing budget on the basis the existing surface was due for resurfacing in any case.
5.3. The estimated cost of each option is as follows. The estimated cost of the footpath sealing is $2,200 and that is included in the estimate below.
   - Option 1 - $7,500
   - Option 2 - $8,000
   - Option 3 - $13,500

6. CONTEXT
6.1. Policy
   This matter is not a matter of significance in terms of the Council’s Significance Policy.
6.2. Community Outcomes
   Businesses in the District are diverse, adaptable and growing
   There is a safe environment for all
   Transport is accessible, convenient, reliable, affordable and sustainable
1. **SUMMARY**

1.1. The purpose of this report is to adopt the meeting dates for the period March to April 2017 inclusive. The dates are based on meeting each month, generally on the first Thursday after Council each month.

1.2. It is recommended that the March Community Board meeting take place at the Oxford A & P Room, Oxford Town Hall and the April one take place at the West Eyreton Hall.

1.3. The meeting schedule does not preclude additional meetings or workshops on other dates, or venues if the need arises.

2. **RECOMMENDATION**

**THAT** the Oxford-Ohoka Community Board

(a) Receives report No. 170131008513.

(b) Resolves to hold the 9 March 2017 meeting of the Oxford-Ohoka Community Board at the Oxford A & P Room, Oxford Town Hall.

(c) Resolves to hold the 6 April 2017 meeting of the Oxford-Ohoka Community Board at West Eyreton Hall, corner Earlys Road and North Eyre Road, West Eyreton.

(d) Notes that a further comprehensive report will come to the Board about subsequent Community Board meeting venues after additional research has been completed by staff.

3. **ISSUES AND OPTIONS**

3.1. All scheduled meetings are advertised and operate under the Local Government Official Information and Meetings Act 1987 (LGOIMA).

3.2. This Board covers the greatest geographic area in the Waimakariri District. Variation of venues allows the Board to actively represent their constituents, without favouring one particular sub-community, by holding meetings across the area. For example Oxford is
the main urban centre for the area, but the population is densest in the Ohoka-Swannanoa area.

3.3. Briefings and workshops are generally held after the Board meeting where possible, however if a significant timeframe is anticipated a separate meeting at a mutually agreed time will be scheduled.

3.4. Comments have been made regarding low numbers of public attending past Community Board meetings (other than specific deputations). Utilising a venue within the area has been more conducive to greater accessibility for the public and the opportunities for them to observe democracy and transparency.

3.5. At the Inaugural meeting of the Oxford-Ohoka Community Board staff presented a report, ‘Meeting and Workshop dates for 2016/17.’ The Board approved all dates of the meeting schedule but only the venues listed until February 2017. Board members requested staff explore additional possible venues across the community area not listed within this report for meetings scheduled after February 2017.

3.6. To meet the advertising requirements of LGOIMA, staff sought approval from the Board for the 9 February meeting to take place in the A & P Meeting Room, Oxford Town Hall during a workshop held 12 January 2017. This venue for February was approved by the Board.

3.7. While staff has commenced research into the various possible venues for Community Board meetings across the community area, including those administered privately, by schools, and/or by Trusts, more time is required to complete a thorough response to the Board’s original request. Therefore it is suggested that the Board approve the meeting venues for the next two months to ensure to compliance with LGOIMA legislation while additional research is completed.

3.8. The Board specified they wished the 9 March 2017 meeting to take place in Ohoka. Unfortunately staff cannot ascertain the availability of the Ohoka Pavilion, the only Council owned facility in the area, due to pending remediation. It has been confirmed this work is currently in the design phase by the Parks and Recreation Operations Team Leader but commencement of physical works is anticipated during March. Due to the need for appropriate fit-out and furniture, it is not practical to utilise the Ohoka Pavilion until work is complete.

3.9. It is suggested the 9 March 2017 Community Board meeting takes place at the Oxford A & P Room, Oxford Town Hall and the 6 April 2017 meeting at West Eyreton Hall corner Earlys Road and North Eyre Road, West Eyreton.

3.10. Staff will present the complete report on venue options for 2017/2018 requested by the Board at the April meeting.

3.11. The Management Team has reviewed this report and supports the recommendation.

4. COMMUNITY VIEWS

4.1. Community views were not sought. Staff are not aware of any adverse comments from the public on meeting times or venues utilised to date this term.
5. **FINANCIAL IMPLICATIONS AND RISKS**

5.1. All meetings are serviced from existing Council budgets. Meeting venues are generally Council owned assets and are not charged. There is no specific budget for hiring of meeting room facilities from private providers such as sports clubs, school and churches. However if the board choose such venues, any hire fee would come from the Board’s operational budget. From current research fees may range $120-$200 per meeting for a venue. Venues are currently being assessed for Board meeting practicalities such as suitable size, heating, ventilation, tables, chairs, power, acoustics and access.

6. **CONTEXT**

6.1. **Policy**

This matter is not a matter of significance in terms of the Council’s Significance Policy.

6.2. **Legislation**

Local Government Act 2002 schedule 7 clause 19.

Local Government Official Information and Meetings Act 1987 schedule 7 section 46

6.3. **Community Outcomes**

There are wide ranging opportunities for people to contribute to the decision-making by local, regional and national organisations that affect our District.

Karyn Ward
Community Board Advocate
1. **SUMMARY**

1.1. The purpose of this report is to consider one application for funding that has been received from:

<table>
<thead>
<tr>
<th>Name of Organisation</th>
<th>Purpose</th>
<th>Amount requested</th>
</tr>
</thead>
<tbody>
<tr>
<td>Canterbury Justices of the Peace Association Inc.</td>
<td>Towards the cost of a pull-up banner</td>
<td>$235.75</td>
</tr>
<tr>
<td><strong>Total:</strong></td>
<td></td>
<td><strong>$235.75</strong></td>
</tr>
</tbody>
</table>

1.2. Current balance: $2,360.

**Attachments:**

i. Application from Canterbury Justices of the peace Association Inc. (Trim 170109000798)
ii. Spreadsheet showing previous two years grants.
iii. Board funding criteria 2016/2017. (Trim 160630062628)

2. **RECOMMENDATION**

THAT the Oxford-Ohoka Community Board:

(a) Receives report No. 170118003839.

(b) Approves a grant of $............... to Canterbury Justices of the Peace Association Inc. towards the cost of a pull-up banner.

OR

(c) Declines the application from Canterbury Justices of the Peace Association Inc.
3. **ISSUES AND OPTIONS**

3.1. Canterbury Justices of the Peace Association Inc. are seeking funding to provide a pull-up banner for identifying the presence of JPs on duty at the Oxford Library JP Service Desk. This project will potentially benefit all residents within the Board’s community area. No other fundraising has been undertaken. No previous application has been made to any Board within the last 18 months. This is an ongoing project so it will occur if the application is declined.

3.2. The Board may approve or decline grants in accordance with the grant guidelines.

3.3. The Management Team has reviewed this report.

4. **COMMUNITY VIEWS**

4.1. Community organisations in applying to the Board’s Discretionary Grant, are seeking to assist sectors of the community.

5. **FINANCIAL IMPLICATIONS AND RISKS**

5.1. The Annual Plan for 2016/17 includes budget provision for the Oxford-Ohoka Community Board to approve grants to community groups up to a total of $4,310. The requested grants for consideration in February 2017 total $235.75.

5.2. The current balance of the grant fund is $2,360. If the requested funding is approved at this meeting the Board’s grant fund will hold a balance of $2,124.25 to be utilised by 30 June 2017.

5.3. The application criteria specify that grants are normally limited to a maximum of $500 any one financial year (July to June) but the group can apply up to twice in that year, providing it is for different projects.

5.4. GST is paid to appropriately registered groups where applicable above the Board resolved values.

6. **CONTEXT**

6.1. **Policy**

This matter is not a matter of significance in terms of the Council’s Significance and Engagement Policy.

6.2. **Legislation**

Not applicable.

6.3. **Community Outcomes**

6.3.1. People are friendly and caring, creating a strong sense of community in our District.

6.3.2. There are wide ranging opportunities for people of different ages to participate in community and recreational activities.

What is the timeframe of the project? ON GOING

Overall Cost of Project: $235.75 INC GST  Amount Requesting: $235.75

How many people will directly benefit from this project?

Who is the range of people benefiting from this project? (You can tick more than one box)

- People with disabilities (mental or physical)  - Cultural/ethnic minorities  - District
- Preschool  - School/youth  - Older adults  - Whole community/ward

Provide estimated percentage of participants by Ward:

Oxford-Ohora 100%  Rangiora-Ashley  %  Woodend-Sefton  %  Kaiapoi-Tuahiwi  %

Other (please specify):

If this application is declined will this event/project still occur?  Yes, No

If No – what are the consequences to the community/organisation?

THE SERVICE DESK IS AN ONGOING PROJTECT – BUT WITH 10 JP’S ALREADY IN EXISTENCE AND MORE EXPECTED WE DON’T HAVE FUNDS TO PROVIDE A BANNER AT EACH LOCATION.
What are the direct benefit(s) to the participants?

BEING ABLE TO EASILY IDENTIFY WHERE AND WHEN A JP IS ON DUTY AT THE OXFORD LIBRARY.

What is the benefit(s) to your organisation?

MAINTAINING AN ONGOING PRESENCE IN THE OXFORD-OHOKA COMMUNITY.

What are the benefit(s) to the Oxford-Ohoka community or wider district?

BEING MADE AWARE OF WHERE AND WHEN JP SERVICES ARE AVAILABLE AT THE OXFORD LIBRARY.

Is your group applying under the umbrella of another organisation (that is Charity/Trust registered)?

[ ] Yes [ ] No

If yes, name of parent group:

What is the relationship between your group and the parent group?

What other fundraising has your group undertaken towards this project/event? List any other organisations you have applied or intend to apply to for funding this project and amount applied for this project:

NO OTHER FUNDRAISING OR FUNDING APPLICATIONS MADE FOR THIS BANNER.

Have you applied to the Oxford-Ohoka Community Board or any other Waimakariri Community Board for other project funding in the past 18 months?

[ ] Yes [ ] No

If yes, please supply details:

Enclosed

[ ] Financial Balance Sheet and Income & Expenditure Statement (compulsory – your application cannot be processed without financial statements)

[ ] Supporting costs/quotes (not compulsory)

[ ] Other supporting information

I am authorised to sign on behalf of the group/organisation making this application.

I declare that all details contained in this application form are true and correct to the best of my knowledge.

I accept that successful applicants will be required to report back to the Community Board by completing a simple Accountability Report.

I accept that information provided in this application may be used in an official Council report available to the public.

PLEASE NOTE - If submitting your application electronically, entering your name in the Signature box below will be accepted as your signature:

Accounting Policies

Basis of Preparation
Canterbury Justices of the Peace Association Inc. is permitted by law to apply PBE SFR-C (NFP) Public Benefit Entity Simple Format Reporting - Cash (Not for Profit) and has elected to do so. All transactions are reported in the Statement of Receipts and Payments and related Notes to the Performance Report on a cash basis.

Goods and Services Tax (GST)
Canterbury Justices of the Peace Association (Inc) is not registered for GST. Therefore amounts recorded in the Performance Report are inclusive of GST (if any).
Audit Report

I have audited the financial statements for Canterbury Justice of the Peace Association (Inc) for the period ended 31 August 2016. Due to the inherent nature of the organisation certain income items cannot be verified prior to the entry into the records. In my opinion, subject to the forgoing limitations, the income and expenditure and the balance sheet fairly reflect the financial position as 31 August 2016.

There have been no changes in the nature of the activities for the period ended 31 August 2016.

The financial reports have been prepared under the Tier 4 requirements for Charitable enterprises

Information to assist groups with their application

The purpose of the Board discretionary grants is to assist projects that enhance community group capacity and/or increase participation in activities.

When assessing grant applications the Board consider a number of factors in their decision making. These include, but are not limited to: type of project, time frame, benefits to the community and costs being contributed. The more information you as a group can provide on the project and benefits to participants the better informed the Board is. You are welcome to include a cover letter as part of your application. The decision to grant funds is the sole discretion of the Board.

The Board cannot accept applications from individuals. All funding is paid to non-profit community based organisations, registered charities or incorporated societies. Council funding is publicly accountable therefore the Board need to demonstrate to the community where funding is going and what it is being spent on. This is one of the reasons the Board require a copy of your financial profit/loss statements and balance sheet for the previous/current financial year. Staff cannot process your application without financial records.

The Board encourages applicants, where practically possible, to consider using local businesses or suppliers for any services or goods they require in their application. The Board acknowledges that this may result in a higher quote.

It would be helpful to the Board to receive an expense summary for projects that cost more than the grant being requested to show the areas funds are being spent and a paragraph on what fund raising the group has undertaken towards the project, or other sources considered (ie voluntary labour, businesses for supplies).

Examples (but not limited to) of what the Board cannot fund:

- Wages
- Debt servicing
- Payment for volunteers (including arrangements in kind eg petrol vouchers)
- Stock or capital market investment
- Gambling or prize money
- Funding of individuals (only non-profit organisations)
- Payment of any legal expenditure or associated costs
- Purchase of land and buildings
- Activities or initiatives where the primary purpose is to promote, commercial or profit-oriented interests
- Payment of fines, court costs or mediation costs, IRD penalties

Examples (but not limited to) of what the Board can fund:

- New equipment
- Toys/educational aids
- Sporting equipment
- Safety equipment
- Costs associated with events
- Community training
Criteria for application

- Grant applications will be considered every second month by the Oxford-Ohoka Community Board: July, September, November 2016 and February, April, June 2017. Applications are recommended to be received three weeks prior to Board meeting dates for processing.

- Generally funding grants will be a maximum of $500 in any one financial year (July 2016 to June 2017) but the group can apply up to twice in that year, providing it is for different projects.

- The grant funding is limited to projects within the Board area or primarily benefiting the residents of the ward.

- Applications will only be accepted from non-profit community-based organisations, registered charities or incorporated societies.

- The group should have strong links with the community of the Oxford-Ohoka Ward.

- The applications should clearly state the purpose for which the money is to be used.

- The applicants should submit a 1-2 page balance sheet and an income and expenditure statement which shows their current financial assets and liabilities. Applications cannot be processed until financial information is received.

- Where possible, or feasible, applicants must declare other sources from which funding has been applied for, or granted from, for the project being applied to the Oxford-Ohoka Community Board.

- The Board support a wide range of community activities but the application will only be considered if it is deemed of the nature listed in the table of examples of what the Board can fund (see previous page).

- An accountability form must be provided to Council outlining how the funds were applied, within six months of the grant being allocated, when funds are spent, or prior to a new application. A new application will not be accepted until the previous accountability form has been completed and returned. The group should maintain accurate records around the grant including, but not limited to: receipts, banks statements and invoices. In the event that funds are not spent on the project or activity applied for the recipient may be required to return the grant funding to the Council.

What happens now?

Return your completed application form (with financial records and any supporting information which you believe is relevant to this application) to:

Community Board Advocate
Oxford-Ohoka Community Board
C/- Waimakariri District Council
Private Bag 1005
Rangiora 7440

Or hand deliver to either

- Rangiora Service Centre, 215 High Street, Rangiora.
- Ruataniwha Kaiapoi Civic Centre, 176 Williams Street, Kaiapoi.

What happens next?

- Your application will be processed and presented to the Board at the next appropriate meeting.
- Following the meeting a letter will be sent to notify you of the Board decision and if successful an invoice and your organisation’s bank account details will be requested.
- On receipt of this information payment will be processed to your organisation’s bank account.
1. SUMMARY

1.1. The purpose of this report is to update the Oxford-Ohoka Community Board on the Board’s Discretionary Grant applications for the first half of the 2016-2017 financial year, including accountability forms received to date.

Attachments:

2. RECOMMENDATION

THAT the Oxford-Ohoka Community Board:

(a) Receives report No.170120004926.

(b) Circulates a copy of this report to all of the Community Boards.

3. ISSUES AND OPTIONS

3.1. The Council allocates the Oxford-Ohoka Community Board a set amount of funds to distribute by application to non-profit groups, registered charities and incorporated societies who have strong links to and benefit the communities of the Oxford-Ohoka ward. The allocation for the 2016-2017 financial year was $4,310.

3.2. Prior to the October 2016 Local Body elections this Discretionary grant was administered by the Oxford-Eyre Ward Advisory Board.
3.3. A previous summary of all returned accountability forms from 1 February 2016 to 30 June 2016, being the end of the 2015-2016 financial year, was presented to the former Oxford-Eyre Ward Advisory Board on 20 July 2016. At the end of the 2015-2016 financial year the Ward Advisory Board had approved 17 grants.

3.4. At 30 June 2016 12 applicants had yet to return accountability forms. Staff followed up and found three of these 12 applicants had yet to complete the event/project that the grant was for; the grant criteria states that accountability forms are due within six months of receiving the grant or when the event/project has taken place.

3.5. All but two of these 12 applicants have now returned accountability forms. The outstanding forms (marked in above table with *) relate to grants made to Waimakariri Arts Trust - Kaiapoi Art Expo (November 2015 round), and Cust Netball Club. Staff continues to follow up. The grant criteria states these groups will only become re-eligible for Board funding when their Accountability forms are received.

3.6. Summary of all additional returned accountability forms to 31 December 2016 relating to the July 2015-June 2016 Waimakariri District Council's financial year:

3.6.1. Keep Oxford Beautiful was granted $250 towards the cost of upgrading and providing a historic photographic display and information panel about the Oxford Historic Jail.

3.6.2. Oxford Pony Club was granted $250 towards running a two-day show jumping course. This course was run by Tracey Kovacs, a professional instructor, at Burbank Equestrian centre. The money was used to subsidise the attendance costs of 16 club members. The children benefited from the professional instruction and gained skills.

3.6.3. West Eyreton School used their grant of $250 towards the cost of graphic design for a school banner. Their own attempts had not proved suitable for printing.

3.6.4. Oxford Tennis Club’s grant was used towards erecting a shelter on the eastern side of each tennis court in Pearson Park, providing players and spectators with protection from the sun and wind. Oxford Men’s Shed undertook the labour and tennis club members stained the shelters.

3.6.5. The Corcoran French Kaiapoi Art Expo was granted $250 towards floral art and flower arrangements for stage and expo displays. He funds contributed to the overall running of a successful district event with more than 3,000 people attending.

3.6.6. Oxford Community Trust used the $250 the Board granted them towards the purchase of stationary for the O.S.C.A.R. holiday programme. Items purchased included canvas and paint, face paints and general equipment so new and a range of activities could be made available to the 226 attendances over the 10 day programme.

3.6.7. Oxford Netball Club used their $250 towards updating the Club’s First Aid kits. This means the coaches, players and their parents can have confidence that any injuries can be correctly attended to.

3.6.8. Oxford O.S.C.A.R used their grant of $175 to send a staff member on a full first aid course, which will provide assurance to other staff, children and parents/caregivers that she is competent to react appropriately should an incident occur.
3.6.9. West Eyreton School utilised this grant to purchase a banner-stand. The stand and banner are mobile so will be used at school assemblies as well as in the school reception.

3.6.10. Oxford Plunket Volunteer group was granted $250 towards the cost of a safety gate and toys for the Oxford Plunket Rooms. The gate has ensured the safety of toddlers near the kitchen. Toys have also been purchased to replace lost and/or damaged ones.

3.7. At the July 2016 meeting the Oxford-Eyre Ward Advisory Board decided to increase the frequency of grant round consideration from twice a year to every second month. This brought their grant management strategy in-line with the Community Boards who consider grant applications every month or every second month. The volume of applications being received at each of the bi-annual rounds considered by the Ward Advisory Board was also making decisions challenging.

3.8. In the first half of the 2016-2017 financial year the former Oxford-Eyre Ward Advisory Board, and the post-October 2016 elected Oxford-Ohoka Community Board, have approved seven applications. As at 31 December 2016 two accountability forms had been received.

3.9. Two of these seven applicants have now returned accountability forms. According to Grant criteria the remaining accountability forms are due six months after or when the project/event is complete. The six month period allowed for returning accountability forms will be completed for these groups in 2017.
3.10. Summary of returned accountability forms from the 1 June 2016 to 31 December 2016 period, being the first half of the current financial year:

3.10.1. Oxford Area School’s Senior Netball team received $250 from the Community Board’s Discretionary Grant towards travel costs to the South Island Secondary Schools Tournament. The team finished 6 out of 16 teams. They played with commitment, dedication and never gave up. The Board’s funds helped pay for the accommodation and the team is very thankful and appreciative of the Board’s support.

3.10.2. The Oxford Playcentre received $250 from the Community Board’s Discretionary Grant to purchase a new lawn mower which will enable volunteers to maintain the playcentre’s playground.

3.11. Staff will continue to keep in contact with the groups to make sure the accountability forms are returned within six months of the grant being allocated, as outlined in the letter sent to successful applicants. If the group make any applications in the future, they will be reminded that it will not be considered by the Board until the accountability form from past applications has been completed and returned.

3.11. The Management Team has reviewed this report.

4. COMMUNITY VIEWS

4.1. Not applicable.

5. FINANCIAL IMPLICATIONS AND RISKS

5.1. The Board allocates funds to groups who meet the criteria set out in the application form.

5.2. Groups must complete and return an accountability form within six months to be eligible for future applications.

6. CONTEXT

6.1. Policy

This matter is not a matter of significance in terms of the Council’s Significance and Engagement Policy.

6.2. Legislation

It is a delegation of the Board to distribute this fund as per clause 12 of the delegations to Community Boards, S-DM 1041.

6.3. Community Outcomes

6.3.1. People are friendly and caring, creating a strong sense of community in our District.

6.3.2. There are wide ranging opportunities for people of different ages to participate in community and recreational activities.

Karyn Ward
Community Board Advocate
This form is to tell the Board what you spent the money on.

The purpose of the accountability form is to provide transparency in relation to public funds granted to community groups to provide the Board with feedback on the event/project and its impact in the community.

Please complete when the project is completed and return within six months of funds being granted. You must return this form in order to be eligible for future funding. The Board would also appreciate any photos, where practically possible, of the event/project. The information provided will be used in a report to the Board that will be publicly available.

Name of group: Keep Oxford Beautiful

Date: November 2015

Amount allocated: $250

Purpose for grant: for a photo and information panel about the Oxford Historic Jail.

Please give details of how money was spent:

A description of the activities undertaken and benefits that have been achieved with these funds. Please include, where possible, photographs and the number of people who attended or were assisted:

Upgrade and provide historic photographic display of Oxford Jail

For funding provided during the period 1/7/15 - 30/6/16

This form is to tell the Board what you spent the money on

The purpose of the accountability form is to provide transparency in relation to public funds granted to community groups to provide the Board with feedback on the event/project and its impact in the community.

Please complete when the project is completed and return within six months of funds being granted. You must return this form in order to be eligible for future funding. The Board would also appreciate any photos, where practically possible, of the event/project. The information provided will be used in a report to the Board that will be publically available.

Name of group: West Eyreton School
Date: 21/6/16 Amount allocated: $250
Purpose for grant: graphic design for school banner

Please give details of how money was spent:
- Activate design created $250
- Graphics to be able to print on a banner

A description of the activities undertaken and benefits that have been achieved with these funds. Please include, where possible, photographs and the number of people who attended or were assisted:

We were able to get banner to point of being able to be printed as our own graphics had not been sufficient.
Thank you so much for enabling this project to still happen.

Louise Courtney  
Oxford-Eyre Advisory Board  
Private Bag 1005  
Rangiora 7440

Dear Louise

Thank you for your funding support towards the 2016 Corcoran French Kaiapoi Art Expo.

Please find enclosed our grant accountability form for $250.00 donation received from Oxford-Eyre Advisory Board towards the running and operation costs of the 2015 Kaiapoi Art Expo.

Yet again the Kaiapoi Art Expo has proven to be a valued and popular event to the Waimakariri district. This year was the Expo showcased outstanding work from a selection of high caliber artists who attracted over 3,000 visitors to the Expo and encouraged them to purchase 149 artworks totaling $38,422.00. This brings the total to $281,890 worth of artwork sold over the past 11 years by the Waimakariri Arts Trust on behalf of artists.

Our sincere thanks to all exhibitors for showcasing your work and congratulations to those who were successful with sales and obtaining new commissions or exhibiting offers. The Expo was established to support you as well to provide opportunity for the community to be able to appreciate your creative talent.

Derek Adair with this year’s entry of “Shag Rock” won the John Rhind Funeral Directors’ Public Choice Award. This is the first year Derek Adair has taken the honours. The Bowden Environmental Schools’ Expo showcased artwork from very talented students from 11 Waimakariri schools. The schools’ public choice vote went to Alyssa Morel from Clarkville School for her special portrait.

We thank the support of our many sponsors, with special thanks to Corcoran French Lawyers, Rātā Foundation, Visit Waimakariri, Bowden Environmental, Blackwell’s Department Store and John Rhind Funeral Directors.

The aim of the Waimakariri Arts Trust is to foster arts in Waimakariri. As a registered charitable trust we endeavour to provide all artists with an opportunity to display your creative talent. Exhibitors represent a true cross-section of the art community, from amateur through to professional artists. All art mediums are encouraged to exhibit.

We want to ensure the Kaiapoi Art Expo reflects the diverse creative activity we know is happening in the Waimakariri and help celebrate it. We pride ourselves on trying to achieve this.

Please find enclosed our debrief document which has some interesting facts and figures on this year’s Expo. Over the weekend we provided each visitor with an optional survey and encouraged him or her to fill it in. We received over 200 responses and will collate the results and use feedback to shape next year’s 12 Expo ensuring it is bigger and better than this year’s very successful Expo.

Yours sincerely

Dan Gordon

Please give details of how money was spent:

- Floral and flower arrangements

$250.00

A description of the activities undertaken and benefits that have been achieved with these funds.

The funds contributed to the overall running of the very successful Kaiapoi Art Expo. Over 3,000 people visited the Expo and Kaiapoi. 90 local Waimakariri artists exhibited over 560 artworks. 20 Waimakariri residents volunteered time leading up to and during the Expo. There were three local groups involved in the Expo who were supported by the Trust.

Schools’ Expo
The Bowden Environmental Schools’ Expo showcased artwork from very talented students from 11 Waimakariri schools. The schools’ public choice vote went to Alyssa Morel from Clarkville School for her special portrait. Runner up was Ashleigh Broadhurst from Kaiapoi High School.

Promoting arts in Waimakariri
Organisers of the annual Kaiapoi Art Expo
Funding
The Expo is funded through sponsorship, funding and artists' contributions. This year the Kaiapoi Arts Week is funded through Enterprise North Canterbury (Visit Waimakariri), Mike Pero and Ashton Wheelans.

Public Choice
Again public were encouraged to vote for their favourite artwork. The winners were:
1st Derek Adair, Shag Rock
2nd Ivan Button, Rangiora Town Hall
3rd Mark Adams, High Country Hives

Other Awards
This year the Waimakariri Arts Trust voted the following as winners:
Outstanding Pencil - Katherine Jacob
Outstanding Photography - Abby Souter
Outstanding Abstract - Margryt Fennema
Outstanding Acrylic - Diana Gillanders
Outstanding Landscape - Jenny Burtt
Best New Artist - Rick Rubens
Outstanding Watercolour - Ivan Button
Outstanding Panel - Paula Jackson

Media & Advertising
This year the Trust increased advertising media to include social media and two radio campaigns to the already extensive marketing plan, which includes:
- Ads and media releases printed in local, North Canterbury and Christchurch newspapers and magazines
- Billboards erected around North Canterbury
- 4,400 postcards promoting the Expo and Arts Week distributed to residents around Canterbury
- Presence on a variety of event websites, radio notice boards and in school newsletters

Sponsors
Our sincere thanks to the organisations and businesses that supported the 2016 Kaiapoi Art Expo and Kaiapoi Arts Week.

Accountability Form for 2015/2016 Discretionary Grant Recipients
For funding provided during the period 1/7/15 - 30/6/16

This form is to tell the Board what you spent the money on

The purpose of the accountability form is to provide transparency in relation to public funds granted to community groups to provide the Board with feedback on the event/project and its impact in the community.

Please complete when the project is completed and return within six months of funds being granted. You must return this form in order to be eligible for future funding. The Board would also appreciate any photos, where practically possible, of the event/project. The information provided will be used in a report to the Board that will be publically available.

Name of group: Oxford OSCAR

Date: 02/08/2016 Amount allocated: $175.00

Purpose for grant: A full first aid course for Tina (staff member)

Please give details of how money was spent:

Field: First Aid course $175.00

A description of the activities undertaken and benefits that have been achieved with these funds. Please include, where possible, photographs and the number of people who attended or were assisted:

This grant enabled us to send Tina Jackson on a first aid course. This provides us and our children and parents/caregivers with the assurance that she has training should an incident arise. Another first aider in the community should also be of benefit to the community.

Name of group: Oxford Plunket Volunteer Group

Date: 

Amount allocated: $250.00

Purpose for grant

Safety gates & toys for the Oxford Plunket Rooms

Please give details of how money was spent:

Safety gates $104.35
Toys $112.18

A description of the activities undertaken and benefits that have been achieved with these funds. Please include, where possible, photographs and the number of people who attended or were assisted:

The safety gates purchased have ensured that toddlers are kept out of the kitchen & safe and that the doors leading outside can be left open during the warmer months. The toddlers keep safety in mind. Toys purchased have replaced lost/damaged ones.

Return to: Community Board Advocate
Waimakariri District Council
Private Bag 1005
Rangiora 7440
To the Oxford-Eyre Advisory Board,

On behalf of all of our families we would like to thank you for your generous grant towards the purchase of a new lawnmower.

Our Playcentre is run by volunteers and the upkeep of our playground and lawns is a time consuming job. Our old lawnmower was difficult to start and no longer had a catcher. With the funds you have granted we have been able to purchase a new lawnmower which more than meets our needs.

We appreciate the support you give our community.

Kindest regards,

The families and children of Oxford Playcentre.
1. SUMMARY

1.1. The purpose of this report is to advise Community Board Members of leases/licences that are due for renewal over 2017, and to also provide information on what Leases/Licences are held within their area.

1.2. The Property Unit manage over 300 property leases/licences on behalf of the Council and are held for generally recreation, community facilities, farming, roading and drainage activities. The following attachment shows those licences/leases within this Ward and highlights those that are due for renewal or review in the upcoming year (in blue).

1.3. The nature, vicinity and use of the land for both Lessee and Council often determine what value Council receives for the land/lease property.

1.4. Licences/Leases with $1 if demanded payment are associated to Council’s Community Recreation Team and are normally community based activities or sporting clubs that offer a service to the local community and in some instances assist in the maintenance of the leased land.

1.5. There are a number of gravel pit reserves in our district and in most instances they form part of neighbouring farm land. The rental amount can be lower due to the condition of the land and the saving to Council, in the maintenance costs associated to the land.

1.6. It has been indicated where rental has been set by way of Tender.

1.7. Due to the extended information now given in this report, it is attached by way of spreadsheet

Attachment:

i. Spreadsheet of Leases/Licences for Oxford-Ohoka Community Board ward area.

2. RECOMMENDATION

THAT the Oxford-Ohoka Community Board:

(a) Receives attached report number 170106000629.

(b) Notes the upcoming renewals, status and nature of the lease/licence agreements.
3. **ISSUES AND OPTIONS**

3.1. Often land is adjacent to farm land, or can be land locked esplanade reserve in isolated areas, where the return achieved is often set at a rate that equates to a “best option” and sometimes the only lease option where it is beneficial to receive some nominal fee as well as ensuring the land is well maintained.

3.2. Where there is an economic return/high interest in the land, this is generally advertised through a tender process.

3.3. The Management Team has reviewed this report and supports the recommendations

4. **COMMUNITY VIEWS**

4.1. Have not been specifically sought.

4.2. Where the land has significant interest, the land is leased through the Council’s tendering process.

5. **FINANCIAL IMPLICATIONS AND RISKS**

5.1. Receiving nominal rental is quite often the best option, where the Lessee is maintaining the land, as well as fencing, vegetation and security.

5.2. Not to lease for a nominal fee can be detrimental to Council, through an increase in maintenance costs.

6. **CONTEXT**

6.1. Policy

6.1.1. This matter is not a matter of significance in terms of the Council’s Significance Policy.

6.1.2. Under Council’s Treasury Policy, where land is identified as surplus to requirements, and land is sold and generally applied to general rates or the activity the land related to.

6.1.3. Council is consulting with the community in respect of the rational for charges relating to Community Facilities and Reserves.

6.1.4. Under the Delegations to the Community Board (reference S-DM 1041);

15. Delegated authority on matters in the Community Board Ward in accordance with Council policies and guidelines in respect of the following matters:

- Granting of new leases or licences on reserve land; excluding the airfield. (The Board also receives an annual report on existing reserve land leases). Any easements for underground works/services is an operational matter under delegation of Utilities & Roading or Property staff.

10th High Street,  
Oxford. 7th July,  
16th January 2017. 

Dear Members,  

In 2003 our family wrote to the Oxford Ward Advisory Board regarding placing a 
gold coin, roughly the size of the sewage dump 
station on High Street. 

The body of notice enclosed. 

There are a lot of bakers and 
barrowers, etc. who use this station. 
Perhaps the money raised could be used to 
support the sewer free. 

A lot of extra things like a load of 
silage 2 to 3 loads of garden waste (to name 
just two) have also been dumped in the 
sewage station. 

Our family feel there is two standards 
regarding used hay;  
One for the real farmers and one for the 
barrowers, etc. 

Perhaps a coin operated lock could be used. 
A lot of bakers and barrowers etc. 
just come to use the station. Then 
leave again without paying any money in 
our favour. We feel this is just using 
our facility. 

A lot of other centres charge for 
the facility, why can't we? 

Think you for your time reading this letter. 

Yours faithfully, 

Lorna Bowis (Mrs.)
OXFORD WARD ADVISORY GROUP

OXFORD

14 April 2003

Mr Bill Bowis
104 High Street
OXFORD

Dear Bill

HONESTY BOX FOR DUMP STATION HIGH STREET OXFORD

At its meeting on the 9th April 2003 the Oxford Ward Advisory Group resolved that I write to you to express the Group's thanks for raising the issue of placing an honesty box at the Dump Station in High Street to gain donations from the users.

While the Group could see the advantages of such a suggestion it believes that they would be outweighed by disadvantages such as theft and vandalism.

Once again the Group would like to thank you for your interest and suggestion.

Yours sincerely

SECRETARY
WAIMAKARIRI DISTRICT COUNCIL

REPORT

FILE NO: GOV-26-10-06 / 170126006858

REPORT TO: Oxford-Ohoka Community Board

DATE OF MEETING: 9 February 2017

FROM: Doug Nicholl, Chair Oxford-Ohoka Community Board

SUBJECT: Chairperson’s Report for December 2016 - January 2017

1. SUMMARY

We have had an interesting couple of months with a break in the middle because of the Christmas/Summer holidays.

The workshop with Communications and Engagement Manager, Matt McIlraith, after our December meeting had Board members thinking about media options. Matt suggested that Board member Thomas Robson was an ideal person to promote the Board through social media. I totally agree and will endeavour to help Thomas in this role.

The quarry development planned for Isaac Road, Eyrewell is a major issue for many local residents. It should be noted that Christchurch Ready Mix has not as yet lodged an application for a resource consent with the Council but I am sure that the Board will support the local residents on this issue where possible.

In January, the Board held a very productive workshop to develop our Board strategy for the coming term. Board member Mark Brown wisely advised against setting unattainable goals.

Last week I attended a meeting between Roading Manager, Ken Stevenson and representatives from Browns Road, Oxford regarding the sealing of Browns Road. Board members James Ensor, Shirley Farrell, Thomas Robson and Wendy Doody were also in attendance. Ken informed the meeting that if the residents were prepared to pay half of the $200 per meter cost of sealing the road, then it could proceed. Ken is also to investigate the possibility of NZTA funding because of health hazard implications from the dust. A successful meeting in my opinion.

I am looking forward to a very productive year for the Board.

Doug Nicholl

2. RECOMMENDATION

THAT the Oxford-Ohoka Community Board:

(a) Receives report No.170126006858.

Doug Nicholl
Chairperson
Oxford-Ohoka Community Board
