GARDEN CLUBS AND

COMMUNITY GARDENS

Kaipoi Food Forest

A community food forest provides an abundance of food for residents and those who wish to visit to gather fruits, vegetables, herbs and medicinal plants. Come with family and friends to picnic and forage for food.

We will be more than producing food for the community, we want to connect, nourish, educate, and inspire. Areas to congregate, areas to learn, areas to cook food, and an area of inspiration. "Food for mind and body." To learn more, donate time, plants or money - visit our website.
