

The Waimakariri District Council will hold a Workshop Session in the Council Chambers,
Rangiora Service Centre, 215 High Street, Rangiora, on

Tuesday, 25 March 2025, from 9am to 12.30pm

This Workshop Session is a non-decision-making meeting.
 Workshop Sessions are open to the public; however, Briefing sessions are public excluded.
 Workshop Sessions are advertised on the Council's website.

AGENDA

Time	Workshop or Briefing	Topic and Presenter	Pre-reading Material	Next action
9am to 9.45am (45 min) 15 min (P) 30 min (Q & A)	Workshop	Parking Management Plan - Consultation Feedback on proposed approaches and direction for final – Shane Binder, Heike Dowie Dave Smith (Technical Director – Abley) Purpose: Staff have been progressing the Rangiora and Kaiapoi town centres Parking Management Plan project. Public consultation on proposed approaches to managing and meeting parking demand and supply in Rangiora and Kaiapoi Town Centres out to 2040 will occur in February. The purpose of this workshop is to share with the Council feedback gained through the submission process and proposed content/recommendations for a final Parking Management Plan.	None	The Final Parking Management Plan is to be presented to the Council for adoption in May 2025.

The Briefing Sections are non-decision-making and are NOT open to the public.

Time	Workshop or Briefing	Topic and Presenter	Pre-reading Material	Next action
9.45am to 10.15am (30 min) 10 min (P) 20 min (Q & A)	Workshop	Land Transport Management (Time of Use Charging) Amendment Bill – Joanne McBride and Nadeesha Thenuwara Purpose: The Land Transport Management (Time of Use Charging) Amendment Bill establishes a framework for implementing time-of-use charging schemes in New Zealand. It enables local authorities to identify areas of problematic congestion, propose indicative scheme areas, and outline potential charging zones.	None	Draft the Council's Submission
10.15am to 10.30am	BREAK			
10.30am to 11am (30 min) 10 min (P) 20 min (Q & A)	Workshop	Rangiora Eastern Link – Don Young, Rob Kerr and Joanne McBride Purpose: To update the Council on the advice on potential route options for the REL prior to decision-making.	None	Report to Council in April 2025
11am to 11.30am (30 min) 10 min (P) 20 min (Q & A)	Workshop	Canterbury Water Management Strategy Zone Committee Review 2024 – 2025 - Craig Pauling (ECan), Martin Espig (ECan) and Murray Griffin (ECan)) Purpose: On 29 November 2024, the Canterbury Mayoral Forum (CMF) received the outcome of the Canterbury Water Management Strategy (CMWS) Zone Committee Review 2024, which showed that Zone Committees were no longer the preferred option to enable local leadership in some areas. A base model was identified that centres on locally connecting territorial authorities, mana whenua and regional council at a leadership level. Environment Canterbury staff requested an opportunity to outline the outcomes of the Zone Committee Review 2024 and discuss the direction of the current work program with Councillors. WDC Staff Point of Contact: Thea Kunkel	Attachment A1 and A2	Another update in June 2025 following the CMF's May meeting.

The Briefing Sections are non-decision-making and are NOT open to the public.

Time	Workshop or Briefing	Topic and Presenter	Pre-reading Material	Next action
11.30am to 12pm (30 min) 10 min (P) 20 min (Q & A)	Workshop	Wolffs Road Bridge - Chris Brown and Grant MacLeod Purpose: The community is keen to see the Wolffs Road Bridge retained and restored. This asset is currently assigned to Greenspace as it no longer meets its intended purpose of providing a walking link across the South Eyre River. Staff wishes to discuss with the Council options for its retention.	None	Ongoing
12pm to 12.30pm (30 min) 10 min (P) 20 min (Q & A)	Workshop	Submission on proposed National Wastewater Environmental Performance Standards – Gerard Cleary, Kalley Simpson and Caroline Fahey Purpose: Water Services Authority Taumata Arowai has indicated that the proposed National Wastewater Environmental Performance Standards would streamline the process for future consents, making it more efficient and cost-effective for councils to gain resource consent for future wastewater infrastructure renewals. The Water Services Authority estimates that the proposed national standards could save councils and the communities they serve up to 40% of consenting costs while protecting the health of the public and the environment.	None	Ongoing
12.30 to 12.45pm	Briefing	Update from the Mayor		
12.45pm	Notes	Previous Workshop Session Notes 10 December 2024, 4 February 2025 and 18 February 2025 for reference	Attachment B1 to B3
