Chairperson's Message

Dear Residents

The Community Plan for the Kaiapoi-Tauhiwi area was developed by the Kaiapoi-Tuahiwi Community Board elected in October 2022.

The work continues to make Kaiapoi a desirable home for residents and a place that attracts visitors.

The coming years will see further development of the historic trails and native forest planting in Huria Reserve, a unique co-governance project between Waimakariri District Council and Ngāi Tūāhuriri. Improvements are planned for the rowing precinct at Murphy Park, the upgrading of the Williams Street bridge, the storage and display of the historic scow, Success, and the relocation of the historic railway station. All these projects will provide better usage of existing aspects of the town or add to the historic quality that is a strong feature.

The historic signage project was completed with the installation of three signboards last year around the town centre featuring photos of the original buildings, many of which were lost in the 2010 earthquakes.

The Board also plans to create better entranceways to the town in an effort to reflect the special nature of Kaiapoi.

Progress of the Community Hub is planned with assistance of Food Rescue, the Croquet Club, and the Menshed which will relocate there.

The Board supports the river regeneration research and is also supportive of ventures that utilise our river environment in a positive way such as AquaLand.

Bringing more visitors to the town is as important as providing more for young people to be involved with. The cycle ways and walkways developed over the past few years have created a town that welcomes visitors and this is to be encouraged.

The Board is dissatisfied with Waka Kotahi's current maintenance standards for the three motorway bridges and the Board will be encouraging Waka Kotahi to improve the level of service.

Planning for future growth is essential and the Board welcomes suggestions that will facilitate the growth and development of the Kaiapoi-Tuahiwi area.

Creating strong, caring and vibrant communities is of the utmost importance and Board members continue to advocate for the residents of the Kaiapoi Tuahiwi communities.

The Board welcomes feedback to this Plan.

Kind regards

Kaipoi-Tuahiwi Community Board

About the Kaiapoi-Tuahiwi Community Board

The Waimakariri District is divided into three wards with the Kaiapoi-Tuahiwi Community Board representing the southern end of the Kaiapoi-Woodend ward, including the communities of Kaiapoi, Clarkville, Tuahiwi and the Pines and Kairaki Beaches.

The Kaiapoi-Tuahiwi community area has a great mix of properties and people, ranging from urban settlements to lifestyle blocks to beaches in the east. The population of the Board's community area is estimated to be 15,650.

The focus of economic activities within the community area is: residential accommodation, commercial businesses, light industry and tourism.

What is a Community Board?

The Local Government Act (2002), states that the role of a Community Board is to represent and advocate for the interests of its community. The Waimakariri district is currently divided into three wards, and the Kaiapoi-Tuahiwi Community Board provides feedback, leadership and support to residents within the southern part of the Kaiapoi Woodend Ward.

The Kaiapoi-Tuahiwi Community Board is comprised of five elected members, plus two appointed Councillors of the Waimakariri District Council, giving a total of seven members. The Board has invited the other two Ward Councillors to participate in Board discussions but they do not have voting rights.

The Community Board is not the Council nor is it a committee of the Council. The Board works collectively with the Council to achieve community goals. The Board is also responsible for any areas delegated to it by the Council.

How does the Community Board do this?

- Taking an overview of the Council's services and projects affecting the area including water supply, sewerage, stormwater drainage, parks, recreational facilities, community activities and roading and traffic management projects
- Engaging with residents, community organisations and groups in developing local solutions and keeping you informed by using a variety of means, and being visible and accessible

- By encouraging community participation in local Board and Council decision-making
- Advocating to the Council on key issues and priorities for the community area, especially through the Annual and Long Term Plan processes
- Providing grants to community groups and organisations
- Working collaboratively with other Community Boards to promote an understanding for the work being done in the district as a whole
- Maintaining positive working relationships with key Council staff and management
- Actively participating in Council business, including the annual budget to ensure equitable spending across the district while being mindful of rates affordability.

If you are a resident or part of a local community group who wishes to raise any concerns or issues, please do not hesitate to contact a member of the Board for advice and help.

Performance Expectations 2022-2025

The Kaiapoi-Tuahiwi Community Board aims to meet the needs of our diverse community through:

- Engaging with individuals, groups, other Boards, and the Council to provide the best outcome for the Kaiapoi-Tuahiwi community and the district as a whole
- Engaging and interacting with younger generations by seeking their views and feedback on important issues in the ward
- Engage with local schools, community and advisory groups and offer encouragement for their projects and provide assistance where practical
- Developing closer links and relationships with key settlements and groups in the Kaiapoi-Tuahiwi Ward, as well as with significant district-wide organisations
- Developing strategies for the Board to become an effective, cohesive voice in representing the community viewpoint at meetings and policy hearings
- Developing and promoting the Community Board as a vehicle for local residents to seek assistance and advocacy in accessing Council services and consultation processes
- Maintaining positive working relationships with key Council staff and management
- Actively participating in Council business and the annual budget process to ensure equitable spending across the district whilst being mindful of rates affordability
- Support the Council's Local Economic Development Strategy to encourage business growth across the community area
- Continue to advocate for the protection and enhancement of waterways and wetlands for recreational purposes
- Advocating for balanced growth that enhances and protects the character of the communities' recreational, opportunities, livability and employment
- Working closely with each community to identify and encourage attractive streetscapes which enhance the visual profile of that community
- Advocate for community concerns regarding safer roads
- Lobbying for improved infrastructure for modern technology i.e. recharging stations, better Internet, etc.

What's happening now and looking forward?

There are a number of projects underway in the Kaiapoi-Tuahiwi Community area, this section outlines those projects.

Askeaton Reserve

(The Kaiapoi Marine Precinct) Environment Canterbury has informed the Council that a resource consent will be required for the wetland. In the interim a workshop with further options will be scheduled with the Board later in the year.

General landscaping budget

Greenspace staff have been working with the Board to allocate its General Landscape Budget to various projects around the district.

Over the last year the Board have allocated funds towards developing Kaiapoi's town entrances, seats along the Passchendaele Walkway and the installation of a Raymond Herber sculpture which will be located in Silverstream.

Playground replacements

NCF Park and Currie Park playgrounds are currently due for replacement in the near future. The Board has been working with Greenspace staff to identify opportunities to ensure that resources are used to best meet the needs of the surrounding residents. Staff will be undertaking consultation with the community regarding the potential relocation of the play space currently located at Currie Park in February 2023.

Patchina's walkway

This is the land connecting Williams Street and the library carpark. The Board and staff have been working with All Together Kaiapoi to enhance this area which includes Patchina the giraffe. It is hoped that the final design will include elements such as the seating and garden beds to improve amenity and circulation.

Town entrances

Investigation of options for the site across from Hellers following a request from the Board. This is likely to fall under the town entrances realm. Workshops are scheduled to be held with the Board during 2023.

Supporting Community Groups

The Board will continue to support and advocate for community groups within the Board's area and through the use of its discretionary funds the Board will continue to support a wide range of local community groups and events.

Kaiapoi Town Centre Parking

A Kaiapoi Town Centre Parking Plan will be developed within the current term in conjunction with the recently adopted District Parking Strategy. The option for lockable charging/parking for e-bikes is being investigated and will depend on whether or not government funding will be available.

Kaiapoi River Rehabilitation

The Board will continue to support the work being done on the rehabilitation of the Kaiapoi River as part of the Kaiapoi River Rehabilitation Work Programme.

Understanding the dynamics of the river estuary environment and the effects that increased salination is having on the environment will remain a key focus area for the Board. It is important to improve water quality, encourage terrestrial planting along

The Kaiapoi Marine Precinct

the riparian edge of the river with native species, and monitor inanga spawning area migration and plan for provision of a suitable spawning habitat, amenity and recreation in the Kaiapoi River. The Work Programme is also supported by the Ngāi Tūāhuriri Rūnanga, the Council, Environment Canterbury and the Waimakariri Water Zone Committee.

Huria Reserve - Heritage and Mahinga Kai Development

The Heritage and Mahinga Kai (HMK) project covers nearly eight hectares of land within Huria Reserve, Kaiapoi. It recognises the significant cultural values for Te Ngāi Tūāhuriri Rūnanga. Mahinga Kai describes the food and natural resources that mana whenua gather in their takiwā (area), and the practices they use.

The area will provide for social and cultural activities, and include walking historic trails and native forest planting. The forest is a regeneration project to restore the land to its original environment. The Council has taken a unique approach to deliver HMK by partnering with the Rūnanga, by leasing the site to Te Kōhaka o Tūhaitara Trust (TKoT), which is an organization containing representatives from the Rūnanga, Council and the community to create a co-governance model. This partnership ensures that HMK will be a unique space in our District and a template for others to follow.

To date there have been two community planting days and 6,000 native species have been planted. The stage 1 of pathways has been completed and the reserve is now open for the public to freely walk through and enjoy the reserve. An overall Master Plan with detailed designs is in the process of being developed.

Next stage will be to tender out and deliver the second stage of pathways, Autumn and Spring planting.

Community Hub Development

The Kaiapoi Community Trust deed has been confirmed and is in the process of being registered and new Trustees have joined the Trust Board. The MenzShed and Satisfy Food Rescue are confirmed lessees.

The Kaiapoi Croquet Club

Good progress on the planning and design of their club house and shed and specifications of the new greens to be built at the hub site have been agreed. The next step is to put in place a sale and purchase agreement for the current club site at Murphy Park.

Murphy Park & Rowing Precinct

The Board are supportive of the current projects to develop and improve the rowing precinct at Murphy Park in conjunction with the clubs and the public that use this area. Concept planning will be underway in 2022/23 for improvements to the wider Murphy Park area including riverside linkages and walkways.

District Plan 2021 - The Board made a submission during the recent public consultation on the District Plan and will continue to support, contribute to and monitor the progress of the Plan

Submissions – Annual Plan - The Board will continue to work with the Council and submit on draft Annual Plans.

Annual Plan– The Board submitted on the key issues outlined in the consultation document.

Discretionary Grants - Continued to support a wide range of local community groups through the Board's discretionary funding grants.

Youth Development Grant - Continued to support Waimakariri Youth Development Grant which is aimed at young people living in the district aged between 12 and 24 years.

POSSIBLE UPCOMING PROJECTS

Williams Street Bridge Upgrade

The Williams Street Bridge in the Kaiapoi town centre was noted as being due for repainting in 2020. Prior to completing this work staff wanted to consider options to upgrade the balustrades to comply with Building Code F4 'Safety from Falling' height requirements and to add feature lighting strips along the balustrade (beneath the top rail), given that the balustrades were viewed as being in a tired condition.

A total of ten balustrade upgrade options were presented to Council and the Community Board across March 2021 and March 2022. Both the Board and Council signalled a preference for the option which retains the existing vertical concrete pillars and lamp posts but replaces the concrete balustrades with stainless steel in-fill panels. The steel panels could incorporate cut out design motifs designed by a suitably qualified artist representing some aspect of Kaiapoi's unique history, culture, character and people.

No official budget has been assigned to this project; although the current LTP does include \$50,000 towards 'painting the bridge' and \$125,000 towards 'town centre amenity features and lighting' improvements which could be assigned to this project. However the Board is hopeful that significant progress will be made on this.

Disc Golf

In 2022 The Board approved staff undertaking consultation with the Kaiapoi community regarding a potential disc golf course at Kaiapoi Domain.

144 submissions were received and once collated will be presented to the Board for consideration for approval. This is a community lead project which is planned to be funded through community fundraising.

Alwin G Heritage Trust

The Board will be working in partnership with the Trust to store and restore the historic scow "Success" at the Corcoran Reserve at 73 Charles Street. A temporary lease has been approved. Once restored, it is envisioned that the Success could be used as a tourist attraction taking visitors down the river.

Relocation of Historic Railway Station

The Board is investigating the possibility of working in partnership with private enterprise to relocate and lift the building closer to the stopbank allowing for patrons to view the river while taking tea. There are plans for a large deck and ramp to enable egress to the stopbank and parking area which will be relocated between the building and the road.

Kaiapoi-Tuahiwi Community Board Discretionary Grant

Each financial year (July to June) the Kaiapoi-Tuahiwi Community Board is allocated funds to distribute, by application, to community-based organisations within their community area.

For the 2022/23 financial year (July–June) the Kaiapoi-Tuahiwi Community Board has \$5,559 available for grants to non-profit community based organisations.

Applications will only be accepted from non-profit community-based organisations, registered charities or incorporated societies.

- The group should have strong links with the community area of Kaiapoi-Tuahiwi
- Grant funding is limited to projects within the Board area or primarily benefiting the residents of the Kaiapoi-Tuahiwi area
- The applicants should clearly state the purpose for which the money is to be used
- Money should primarily be used for capital or improvement works, for enhancement of the group, or towards the purposes of the group, including events involving community participation
- The applicant should submit a balance sheet which shows their current financial assets and liabilities. Applications cannot be processed until financial information is received
- Where possible or feasible applicants must declare other sources from which funding has been applied for, or granted from, for the project being applied to the Kaiapoi-Tuahiwi Community Board
- Organisations that are predominately funded by Central Government must provide supporting evidence that the requested grant will not be spent on projects that should be funded by Central Government funding
- Grant applications will be considered at each meeting by the Kaiapoi-Tuahiwi Community Board

- Generally funding grants will be a maximum of \$500 in any one financial year (July to June), but the group can apply up to twice in that year, providing it is for different projects
- Examples of what is not funded are available on the application documents. Debt and wages are not funded.

Application process

Application forms can be picked up at any of the Council's Service Centres. Alternatively an application form can be printed, downloaded or completed online from the Council's website: [waimakariri.govt.nz/ data/assets/pdf_file/0016/3841/QD-GOV-Form-006-Kaiapoi-Tuahiwi-Discretionary-Grant-Application-Form-2021-2022.pdf](https://waimakariri.govt.nz/data/assets/pdf_file/0016/3841/QD-GOV-Form-006-Kaiapoi-Tuahiwi-Discretionary-Grant-Application-Form-2021-2022.pdf)

Waimakariri Youth Development Grant

Purpose of the grant

In 2018 the Waimakariri Community Boards established the Waimakariri Youth Development Grant to support one or more young people seeking:

- To enhance young people's skills and strengths; especially self-worth, decision-making, good relationships, resilience, positive mental health, life-skills and leadership
- To provide opportunities for young people to connect positively with their community in meaningful, practical ways
- To help and benefit others.

General overview

Available to young people living in the Waimakariri District aged between 12 and 24 at the time of application. An annual grant of up to \$4,000 is available for allocation to suitable applicants in any one year. The Youth Development Grant Committee may award more than one grant up to a combined maximum of \$4,000 in a financial year (1 July 2021 to 30 June 2022). If the Youth Development Grant Committee do not award the maximum funding in November of a year, further applications will be called for.

Application process

Applications must be fully completed and supported by two references. For example teacher, school principal, employer, faith leader, youth worker or community group leader. One reference may be permitted from a member of the applicant's wider family. The next round of applications will be opening in September/October 2022. Information will be available on the Council website at: waimakariri.govt.nz/community/funding-and-grants/youth-development-grant

Selection process

The Youth Development Grant Committee includes the four Community Board Chairs and an appointee of the Waimakariri Youth Council. The Committee is the sole decision-making body.

Short-listed applicants will be expected to present their application to the Committee in person and to answer any questions that the Committee may have. Applicants will be expected to provide an overview of their proposed project/activity to the Committee and they may choose how to do this. The Committee members will ask all applicants a series of general questions to help them make a decision.

The Council staff will work with the successful applicant to formalise an agreement on how the grant will be paid to them. This is really important as the Committee needs to be sure that the grant is spent on the project/activities the applicant has told them about and to also provide additional guidance to our youth.

Where and when are Meetings Held?

The Kaiapoi-Tuahiwi Community Board meetings are usually held on the third Monday of the month at 4pm. The public is most welcome to attend.

Meetings are usually held in Kāikanui Meeting Room upstairs at the Ruataniwha Kaiapoi Civic Centre.

Members of the public, groups and organisations can bring matters to the attention of the Community Board by bringing a deputation to a Board meeting.

Deputations can be arranged by contacting the Governance Team and will be approved by the Chairperson.

Residents are also always welcome to contact Community Board members directly to discuss Council and community-related matters.

Agendas are available at the Council Service Centres and on the Council's website two working days before a meeting at:

waimakariri.govt.nz/your-council/meetings

The next meetings are scheduled on the third Monday of the month.

The dates for 2023 are:

20 February	20 March
17 April	15 May
19 June	17 July
