## Commercial, Communal, Industrial Projects, Amendments and Exemptions

Under The Building Act 2004, Sections 33, 45 and Schedule 1, Part 1, Clause 2

BC No. \_\_\_\_\_

### 1. The Building

Street address (street/road/township): *(for structures that do not have a street address, state the nearest street intersection and the distance and direction from that intersection)*

Legal description of the land where the building is located: *(state legal description as at the date of application and, if the land is proposed to be subdivided, include details of relevant lot numbers and subdivision consent)*

Lot: DP: Valuation Number: Resource Consent:

Building name: *(if applicable)*

Location of building within site/block number: *(include nearest street access)*

Number of levels: Unit/Level No.:

Area: *(total floor area; indicate area affected by the building work if less than the total area)*

Existing: New: Total:

Current lawfully established use: *(include number of occupants per level and per use if more than 1)*

Year building first constructed: *(Approximate date is acceptable, eg 1920's)*

### 2. The Owner - all details must be the legal owner's

Name of owner: *(include preferred form of address, e.g. Mr, Mrs, Ms, Miss, Dr, if an individual)*

Contact person: *(not required if the owner is an individual. Must have a New Zealand address)*

Mailing address:

Street address/Registered office: *(if different than above)*

Phone number:

Landline:

Mobile:

Daytime:

After hours:

Fax:

Email:

Website:

As the owner, where you have given authorisation for an Agent to act on your behalf, please confirm if you require a copy of Building Consent/PIM correspondence and associated Building Consent Inspection Notices following the formally received notification.      Yes      No

The following evidence of ownership is attached to this application:

Copy of Record of Title      OR      Council to provide *(additional charge of \$15)*

***(Current within 1 month of being issued and must include a deposited plan [diagram]. Where the Record of Title is not current, Council will provide this [additional charge of \$15 applies])***

Signed copy of Sales and Purchase Agreement *(If Record of Title is not issued)*

Signed copy of Lease Agreement

### 3. Applicant - only required when the applicant is not the owner or the agent e.g. leasee/tenant

**PLEASE NOTE** - Authorisation is required from the owner of the property.

Name of applicant: *(e.g. leasee/tenant)*

Contact person: *(not required if the applicant is an individual)*

Mailing address:

Street address/Registered office: *(if different than above)*

Phone number:

Landline:

Mobile:

Daytime:

After hours:

Fax:

Email:

Website:

Relationship to owner: *(state details of the authorisation from the owner to make the application on the owner's behalf)*

### 4. Agent – only required when the application is being made on behalf of the owner

**PLEASE NOTE** - Authorisation is required from the owner of the property.

Name of agent:

Contact person: *(not required if the applicant is an individual)*

Mailing address:

Street address/Registered office: *(if different than above)*

Phone number:

Landline:

Email:

Website:

Relationship to owner: *(state details of the authorisation from the owner to make the application on the owner's behalf)*

**PLEASE NOTE** - The Agent will be the first point of contact for communications with the Council/Building Consent Authority regarding this application/building work

### 5. Application

I request that the following (please select one) be issued for the building work described in this Application:

Project Information Memorandum (PIM) only

Building Consent for PIM No:

Building Consent with PIM

Building Consent without PIM *(Compliance Check applies)*

Exemption from the need for B/C

Amendment to Building Consent

*(Refer Building Act 2004 Schedule 1, Part 1, Clause 2)*

**Please Note:** Amendments must be authorised by the owner

I wish to receive my approved documentation in the following format:

**PLEASE NOTE** - If USB or hard copy, please confirm if you wish to pick it up from the Council or have it posted.

Electronically via Sharefile Transfer Portal (You must be set up and registered for this option)

USB: (this is an additional charge)                      Post    OR                      Pick-up

Hard copy: (onsite - this is an additional charge)                      post    OR                      pick-up

**PLEASE NOTE** - One set of "Onsite" hard copy consented documents must be available at all times for inspections.

All consent related invoices/refunds to be billed and sent to:

Owner                      Applicant                      Agent                      Or other (If other, please complete below)

Company name: (if applicable)

Contact person:

Mailing address:

Phone number:

Landline:                      Mobile:                      Daytime:                      After hours:                      Fax:

Email:                      Website:

**PLEASE NOTE** - Any refunds are to the receipted name unless written authorisation has been received from the receipted person or company.

### Terms of trade

I/We understand that:

Building Consents shall be paid for when the consent is collected/uploaded or if the consent is not collected/uploaded within three months after the date of consent being granted, the work done to date portion i.e. admin and processing costs of the account will be due and payable. The balance of the invoice will be payable when the consent is collected/uploaded.

All other accounts shall be paid by the 20th day of the month following the month in which the invoice is issued.

I/We agree to pay according to these terms for any goods or services you supply to us. Failure to meet these Terms of Trade may result in any credit arrangement being withdrawn with any balance becoming payable within seven days. Should failure to meet the terms of trade result in debt recovery and/or legal proceedings, any costs whatsoever incurred in the collection of the debt including debt collector's fees and commissions and legal costs, charges and expenses on a solicitor and own client basis will be added to the account and will be payable by me/us.

### Application authorisation

By entering your name in the box below you are giving your authority for this application to proceed under Sections 33 and 45 of the Building Act 2004.

Name:                      Date:

I am the:                      Owner                      Applicant on behalf of, and with the authority of the owner  
Agent on behalf of, and with the authority of the owner

## 6. The Project

Description of work:

(e.g. new commercial building, alteration/addition). If an amendment, please provide a complete description of the nature of the amendment.

Specify the intended use of the building: (e.g. office/retail)

Will the building work result in a change of use of this building?    Yes      No

If Yes, provide details of the new use:

Will hazardous substances be stored in the building?    Yes      No

Intended life of the building:

Indefinite but not less than 50 years      Or specified as      years

Is this a staged consent?      Yes      No

If staged, provide details (e.g. Stage 1 of 3)

List Building Consents previously issued for this building (if any): (i.e. is this project being constructed in stages? Is this consent for a relocated or transportable building?)

Estimated value of the building work on which the building levy will be calculated (incl. GST): (state estimated value as defined in section 7 of the Building Act 2004).

\$

If this is an application to amend a building consent, advise the estimated value of amended building work (incl. GST) \$

Is this in addition to, or reduction from, what was stated with the original application?

Addition      Reduction      No change

## 7. Restricted building work

Will the building work include any restricted building work?    Yes      No

If Yes, provide the following details of all Licensed Building Practitioners who will be involved in carrying out or supervising the restricted building work (if these details are unknown at the time of the application, they must be supplied before the work begins).

Licence class	Name	Licensed building practitioner number (or registration number if treated as being licensed under section 291 of the Building Act 2004)

## 8. Project Information Memorandum

The following matters are involved in the project:

- Subdivision
- Alterations to land contours
- New or altered connections to public utilities
- New or altered locations and/or external dimensions of buildings
- New or altered access for vehicles
- Building work over or adjacent to any road or public place
- Disposal of stormwater and wastewater
- Building work over any existing drains or sewers or in close proximity to wells or water mains
- Registered historic site or place, tick if applicable (only applies where a PIM has not previously been issued for the building work)
- Other matters known to the applicant that may require authorisations from the territorial authority:

### Notes

Other notes or comments which you may wish to add, eg: Resource Consents

## 9. Building consent - this section is not applicable if this application is for a Project Information Memorandum only

The following plans and specifications are attached to this application, or refer to the Appendix section for plans and specifications provided.

The building work will comply with the Building Code as follows: *(Note: If you are not sure what clauses are applicable, consult with your builder, designer or architect).*

<b>Clause</b> <i>(Tick relevant clause numbers of Building Code)</i>	<b>Means of compliance</b> <i>(Refer to the relevant compliance document(s) or detail of alternative solution in the plans and specifications)</i>	<b>Waiver / modification required</b> <i>(State nature of waiver or modification of building code required)</i>

**10. Compliance schedule** - this section is not applicable if there are no specified systems or if the application is for a Project Information Memorandum

For any specified systems identified as new, altered or removed by this Building Consent application you will need to provide the Performance Standard, proposed inspection, maintenance, reporting procedures and other relevant information for each system.

For further information please refer to MBIE publication [Compliance Schedule Handbook](#).

1. Are there any Specified Systems in the Building?      Yes (Indicate below)      No (If No, move to next section)
2. For all Specified Systems you have indicated below, download and complete a Specified System Information form which can be found on the WDC website [building application forms and fact sheets](#).
3. Complete a separate form for each specified system, and submit with the Building Consent application.
4. Does the project building have an existing Compliance Schedule?      Yes      No
5. If Yes to an existing Compliance Schedule, please state the identification number CS

	The following Specified System(s) are existing, being altered, added to, new, or removed in the course of the building work	New Altered Removed
1	Automatic systems for fire suppression (for example, sprinkler systems)	
2	Automatic or manual emergency warning systems for fire or other dangers (other than a warning system for fire that is entirely within a household unit and serves only that unit)	
3.1	Automatic doors	
3.2	Access controlled doors	
3.3	Interfaced fire or smoke doors or windows	
4	Emergency lighting systems	
5	Escape route pressurisation systems	
6	Riser mains for fire service use	
7	Automatic back-flow preventers connected to a potable water supply	
8.1	Passenger-carrying lifts	
8.2	Service lifts including dumb waiters	
8.3	Escalators and moving walks	
9	Mechanical ventilation or air conditioning systems	
10	Building maintenance units for providing access to the exterior and interior walls of buildings	
11	Laboratory fume cupboards	
12	Audio loops or other assistive listening systems	
13.1	Mechanical smoke control	
13.2	Natural smoke control	
13.3	Smoke curtains	
14.1	Emergency power systems	
14.2	Signs	
15.1	Systems for communicating spoken information intended to facilitate evacuation	
15.2	Final exit [as defined by A2 of the Building Code]	
15.3	Fire separations	
15.4	Signs for communicating information intended to facilitate evacuation	
15.5	Smoke separations	
16	Cable Car (including to individual dwellings)

Food Premises Specification for Compliance with the Food Act 2014 / Food Regulations 2015 under The Building Act 2004

BC No.: \_\_\_\_\_

## Building

Name of premises:

Building address: *(Street/Road/Township)*

The specifications below should include a brief outline of the surface materials and finishes including colour that you propose to use in the food premises:

### Room/area

### Floor

### Walls

### Ceiling

### Lighting

### Ventilation

## Appliances and services

This brief description, together with your application form, plans and specification sheets, will enable the Health Officer to have an accurate description of the premises, the type of food involved and the suitability of the materials provided for storage and processing food on.

Experience has shown that by describing the various appliances and services, prospective food operators carefully consider its use or purpose and, with an extra thought at this stage, have saved time and capital expenditure.

# Appendix - further information requested by the Waimakariri District Council

## National Environment Standard (NES)

This section relates to the [National Environmental Standard for Assessing and Managing Contaminants in Soil to Protect Human Health \(NES\)](#).

The NES includes regulations controlling **soil disturbance, change of use, subdivision, and removal/replacement of fuel storage systems** on properties which have been used either now or in the past for a hazardous activity or industry (known as HAIL) that may have resulted in contamination of the soil. The table below determines whether the NES applies to your proposal.

Yes No

Is the application site listed on Environment Canterbury's Listed Land Use Register (LLUR)? [www.llur.ecan.govt.nz](http://www.llur.ecan.govt.nz) If **YES**, please include a copy of the LLUR statement with your application.

If the site is not listed on the LLUR, is an activity described on the Hazardous Substances and Industries List (HAIL) currently being undertaken on the piece of land to which this application relates, or is it more likely than not to have ever been undertaken on the land?

The HAIL list is available to view at [Hazardous Activities and Industries List \(HAIL\)](#).

Type of HAIL activity:

**If the answer to either of the above questions is YES, then the NES will apply, depending on the type of activity. Please identify whether the application involves the activities below.**

**PLEASE NOTE** - If the answer to both of the previous questions is No, you do not need to answer the remaining questions in this section.

Yes No

Has the property been recently subdivided?

Will the proposed activity involve the disturbance of more than 25m<sup>3</sup> of soil (per 500m<sup>2</sup> of disturbed area)? Volume of soil disturbed:

Will the proposed activity involve the removal of more than 5m<sup>3</sup> of soil (per 500m<sup>2</sup> of disturbed area) from the site? Volume of soil removal:

Does the application involve changing the use of the land to one which, because the land has been subject to a HAIL activity, is reasonably likely to harm human health? (e.g. orchard to a residence)

Does the application involve replacing or removing fuel storage systems or parts of it?

**If the answer to any of the above activity questions is also YES, then the NES will apply and you will need to establish whether the proposed activity complies with the NES.**

- Changing the land use will require resource consent if the permitted activity requirements of the NES are not complied with. These include provision of a Preliminary Site Investigation carried out by a suitably qualified and experienced practitioner.
- Soil disturbance or removal exceeding the specified volumes require resource consent.
- Removal or replacement of a fuel storage system will require consent if the permitted activity requirements of the NES are not complied with.

**Does the proposed activity require resource consent under the NES?**

If **YES**, a resource consent is required and with the application an assessment under the NES must be provided. A Detailed Site Investigation may be required.

## Vehicle crossing

Is a new vehicle crossing required or an existing crossing altered for this project?

Yes No Resource consent applied for

If yes, please complete and submit the [Vehicle Crossing Application Form](#) and send to [office@wmk.govt.nz](mailto:office@wmk.govt.nz)

## Application form

(One copy)

- All sections fully completed as applicable to the project
- Means of Compliance with NZBC - designer to complete
- Provide the correct legal description (Council can help with this)
- Provide one copy of the current Record of Title, or Sales and Purchase Agreement
  - not more than one month old
- Give name and contact numbers of contact person (if not the owner)
- State the project location (street address or location details as near as possible if no address)
- Application authorised and dated
- Agent relationship to owner stated (where applicable)
- Certificate/s of design work (LBP)

## Office use only

These have  
been provided:

## Bookmarks

**PLEASE NOTE** - Our current software does not enable us to maintain bookmarks within the consent documents during processing and granting. (This may be reviewed once a software solution becomes available.)

## Project Information Memorandum (PIM)

This section must be completed if you are applying for a PIM. **DO NOT** complete this section if a PIM has already been issued. The following documents are attached to this application:

- Site plan, Floor plans, Elevations for proposed building (electronic preferred or if hard-copy minimum size A3)
- Record of Title, or Sales and Purchase Agreement if Record of Title is not issued. Current Record of Title required (current within one month of application)
- Application fee (as per Council Fees and Charges Schedule)

## Building consent

This section must be completed if you are applying for a building consent. **DO NOT** complete this section if the Application is for a Project Information Memorandum only.

The following documents are attached to this application:

- 1 copy - building plans (site plans, floor plans, elevation plans. All plans to be dimensioned, scaled and accurate electronic preferred or if hard-copy minimum size A3)
- 1 copy of each - specifications, producer statements, truss details (refer below)
- 1 copy - Record of Title or Sale and Purchase Agreement if Record of Title is not issued. Current Record of Title required (current within one month of application)
- Restricted building work - see page 4
- Key personnel - see page 5
- Building work compliance with the Building Code - see page 7

## Design basis

*(To be completed by the designer)*

Please list the following basis for the building design:

Wind zone  
Earthquake zone  
Snow zone/altitude  
Corrosion zone (if applicable)  
Building is specifically engineer-designed  
Complies with NZS 3604:2011  
Both specific design and NZS 3604:2011

## Office use only

*These have  
been provided:*

## Design documents

*(One copy)*

Weather tightness risk matrix  
Truss design layout and Producer Statement  
Bracing calculations/plan  
H1 Energy efficiency calculations  
Specified system information sheets

## Site plan

*(One copy, electronic preferred or if hard-copy minimum size A3)*

Overview of site showing legal boundaries as per current Record of Title  
Showing proposed and existing structures (including swimming pools)  
Distances to boundaries  
Proposed and existing site levels  
North point  
Utility infrastructure (sewer, water pipelines, septic tanks etc) where applicable  
Water races, drains, topographic features  
Civil works  
Parking

## Drainage layout

*(One copy to scale usually 1:100 or 1:50, electronic preferred or if hard copy minimum size A3)*

Foul water - showing waste pipes, sizes, grades, venting  
Foul water to discharge point  
Storm water - pipe sizes, grades, downpipe locations  
Storm water drain to discharge point

## Foundation layout

*(One copy to scale usually 1:100 or 1:50, electronic preferred or if hard copy minimum size A3)*

Full foundation layout plan  
For timber floors, show all pile layout, pile types and bracing location  
Slab thickenings, shrinkage control joints and reinforcing rebates

## Floor plans

(One copy to scale usually 1:100 or 1:50, electronic preferred or if hard copy minimum size A3)

Layout of all floors fully dimensioned. For alterations and/or additions provide both new and existing floor plans  
Doors and window positions and sizes  
Layout of amenity areas (laundry etc)  
Main structural beams that are not shown elsewhere  
Lintel sizes  
HWC location  
Roof space access  
Gas cylinder location  
Room names  
Fire safety plan  
Emergency lighting layout (if required)  
HVAC layout  
Services layouts

## Office use only

These have  
been provided:

## Exterior elevations

(One copy to scale usually 1:100 or 1:50, electronic preferred or if hard copy minimum size A3)

Elevations of all external walls showing claddings  
Doors and windows showing opening sections  
Show location of solar panels  
Accurate ground levels existing and proposed  
Subfloor ventilation for timber floors  
Show roof bracing on elevations if not shown elsewhere

## Cross section and construction details

(One copy to scale usually 1:50 or 1:20 for sections and 1:10 for details - minimum scale, electronic preferred or if hard copy minimum size A3)

Roof lines, overhangs, floor levels, ground levels  
Major vertical dimensions  
Foundation, wall and roof structure materials  
Upper level decks or balconies over lower level room must be fully detailed including the stormwater disposal and overflow precautions  
Stairs, handrails and balustrade showing pitch and head clearances  
Structural connections, posts to footings, beams to posts, trusses or beams to walls  
Component fixing information is to be provided for all structural and framing components  
Foundation and footing details and reinforcing. Show height from finished floor to ground level  
Pile details for timber floors  
Floor bracing details  
Timber grade and treatment  
Damp proof membranes, building papers and insulation systems/materials  
Flashing details and documents

Roof penetrations  
Shower floor details and wall to shower base junction detail  
Sealing to wet area fixtures  
Water splash prevention  
All other building components that are not otherwise detailed or are unusual in any way

## Specification

*(One copy)*

The specification must be for the project. We will not accept standard specifications unless they relate directly to the building and they cover the project accurately and fully. Multi-choice specifications will not be accepted. A brief accurate specification is usually best.

Provide a written specification to cover all of the trades involved in the project. All materials used in the project are fully specified including fixings of all materials and components

The specification can be written on the drawings as long as all materials are fully covered

## Important things to include in your application

*(One copy - where relevant)*

The chartered professional engineer's Producer Statement

The engineer's monitoring schedule if the engineer chooses to do site monitoring

All structural calculations

Structural details showing connections and details of the components

Fire safety report

Accessibility report

Current potable water test (current within 18 months)

Effluent disposal design & ECan's copy of the submitted application form or approval

Wastewater system designs when required to be done by a chartered professional engineer such as in a hazard zone

Supporting manufacturer's trade literature and appraisals / certificates included

**Important information**

All the relevant information on this form is required to be provided under the *Building Act 2004* and/or *Resource Management Act 1991* for the Waimakariri District Council to assess your application. Under these Acts this information has to be made available to members of the public if requested. The information contained in this application may be made available to other units of the Council. You have the right to access the personal information held about you by the Council which can be readily retrieved. You can also request that the Council correct any personal information it holds about you.

**Application information****a. Project Information Memorandum (PIM):**

A PIM will be issued within 20 working days provided all the required information is supplied with the application. Processing time is stopped whenever further information is required and starts again when the correct information is received.

It is not mandatory to apply for a PIM. Applicants can choose not to apply for a PIM when they consider that the information would not be relevant for their building project.

A fee is required to accompany your PIM application (as per the Council's Fees and Charges Schedule).

**b. Compliance Check:**

Where a PIM is not sought, a Compliance Check will be undertaken to ensure your proposal complies with the District Plan.

**c. Building Consent (BC):**

A Building Consent will be processed within a maximum allowable time of 20 working days provided all the information required has been supplied. Processing time is stopped whenever further information is required and starts again when the correct information is received.

Once the Building Consent has been granted, you will receive notification, which will include an invoice for the fees payable.

Once the fees are paid in full, your Building Consent will be issued. Work must not start until the Building Consent is issued, and any Resource Consent requirements have been resolved.

A Building Consent lapses and is of no effect if the building work to which it relates does not commence within 12 months after the date of issue of the Building Consent or any further period that the Building Consent Authority may allow. You may request an extension which will need to be agreed to by Council (fees apply), refer to [building application forms and fact sheets](#).

**d. Combined Project Information Memorandum & Building Consent Applications:**

Applications for a combined PIM/BC will only be accepted when sufficient information is provided to permit the Building Consent to be processed.

If insufficient information is provided, then further information will be requested, or your application may be returned to you.

**e. If the applicant does not own the land, they must provide written approval from the owner to submit this application.**

## Levies payable

Under the *Building Act 2004* s53, s55 s402 Councils are authorised to collect levies for the MBIE (*Building Levy Order 2005*) and BRANZ (*Building Research Levy Act 1969*). Levies are only payable on building works where the construction value exceeds a prescribed amount.

[Building Act 2004](#)

[Building Levy Order 2005](#)

[Building Research Levy Act 1969](#)

## Fees

The application for a PIM and/or Building Consent must be accompanied by the fees as described in *Sections 33 and 45 of the Building Act 2004*. The work to process a PIM and/or Building Consent will be invoiced and needs to be paid in full before the PIM and/or Building Consent can be granted, refer to [building services fees and charges](#).

## Inspections

During the process of construction, inspections will be necessary to confirm all work complies with your approved Building Consent documentation. Please phone the Council Building Unit on 03 311 8906 at least **48 hours in advance** of requiring an inspection. Bookings are subject to demand and the availability of Inspectors, **please be advised that it is not always possible to carry out an inspection within 48 hours**.

The inspections required will be set out in the Building Consent documentation issued by the Council. Failure to have a prescribed inspection carried out may put the issue of the Code Compliance Certificate at risk.

All inspections including re-inspections are subjected to a separate charge, even if carried out on the same day.

## Resource consent

Your application will be assessed by the Planning Unit of the Council to determine whether your project complies with the relevant District Plan requirements.

If your application does not comply with District Plan requirements, you will need to either amend your proposal to comply or apply for a Resource Consent. A Certificate will be attached to your Project Information Memorandum to notify that a Resource Consent is required prior to building work commencing. It is recommended that you phone the Planning Unit on 0800 965 468 to discuss the process.

## Code compliance certificate

A Building Consent is not completed until it has been issued with a Code Compliance Certificate. The owner is required to complete a separate application for a Code Compliance Certificate as soon as practicable after the building work is completed. In any event no later than two (2) years after the granting of the Building Consent, Council is required to decide whether or not a Code Compliance Certificate can be issued. If your project will not be completed within two years, you may request an extension which will need to be agreed to by Council (fees apply), refer to [building application forms and fact sheets](#).

## Agency

The owner may authorise an agent to submit an application on their behalf.

The Agent will be the first point of contact for all communications with the Council/Building Consent Authority regarding this application under *Sections 33 and 45 of the Building Act 2004*. They will receive all correspondence and must be authorised by the Owner. All amendments require new authorisation.

The owner can elect to receive a copy of correspondence regarding this Building Consent/PIM and associated Building Consent Inspection Notices in "The owner" section of this application form, or by notifying Council during the Building Consent/PIM and/or Code Compliance Certificate process.
