**MEMO TO COMMISSIONERS AND PANEL OF SUBMISSIONS ON THE WAIMAKARIRI DISTRICT PLAN
REVIEW – HEARING STREAM 12 – SUBMISSION 201**

**RE: Re – Appendix B of Statement of Evidence of James Matthew Phelps Hopkins, relating to 110
Parsonage Road**

Appendix B contains a preliminary Stormwater Report, which has become substantially outdated since its writing. This report (originally written in September 2023) contains figures, such as but not limited to, indicative area/volume of stormwater retention that are superseded by figures in the numbered paragraphs of my evidence. While this report may provide some historical context from early iterations of the stormwater solution for the site, the figures in the numbered evidence paragraphs supersede the figures in the appended report.

Yours faithfully.

James Hopkins
