PLEASE NOTE - *The Agent will be the first point of contact for communications with the Council/Building Consent Authority regarding this application/building work*

4. Application

Building consent number to which this amendment relates:

Description of the building work shown on the original building consent:

This application is for an amendment to the performance requirements of the Building Code, which requires a modification of the durability periods to clause B2.3.1 for the above building consent:

The New Zealand Building Code clause B2.3.1 is to be subject to the modification of the durability periods. Instead of applying from the time of the issue of the Code Compliance Certificate, the durability periods are to apply from the date of substantial completion of the building work.

The date of substantial completion of the building work is:

(Write the agreed date for substantial completion of building work)

Application authorisation

By entering your name in the box below you are giving your authority for this application for amendment to proceed under Section 45A and 67 of the Building Act 2004.

Name:

Date:

I am the: Owner Agent on behalf of, and with the authority of the owner
