Attention: Hearing Panel for the Proposed Waimakariri District Plan

Canterbury Regional Council – Waimakariri District Plan Review – Letter to be tabled at Hearing 9A: Industrial Zones

The Canterbury Regional Council (**the Regional Council**) lodged a submission on the Proposed Waimakariri District Plan (**pWDP**). The Regional Council will not attend Hearing 9A: Industrial Zones scheduled to commence on 17 April 2024 and instead requests that this letter be tabled for the Hearing Panel's consideration in lieu of attendance.

The Regional Council's submission was regarding Matters of Control or Discretion for all Industrial Zones in relation to Waste disposal. The Regional Council's submission was in support of:

INZ-MCD11-Waste disposal

The Regional Council supports the matters of control or discretion as outlined above. The Regional Council supports the consideration of flood risk, natural character of waterways and effects on wāhi taonga and mahinga kai, which gives effect to Chapters 11, 7 and 2 of the Canterbury Regional Policy Statement. The Section 42A Officer's Report for Hearing Stream 9A – Industrial Zones dated 13 March 2024 by Mr Andrew Willis has been reviewed and I agree with the report writer's recommendations.

We respectfully request that the Hearing Panel considers the Regional Council's tabled letter. Should you have any queries please contact the undersigned.

Yours sincerely,

Victoria Watt
