1. **SUMMARY**

1.1. The purpose of this report is to outline legislation, which members need to be aware of. Clause 21 (5)(c), Schedule 7, part 1 of the Local Government Act 2002 requires that at the first meeting of a local authority following a triennial general election, an explanation be provided to Councillors of the appropriate provisions of the Local Government Official Information and Meetings Act 1987, appropriate provisions of the Local Authority (Members’ Interests) Act 1968, Section 99, 105 and 105a of the Crimes Act 1961, Securities Act 1978, and the Secret Commissions Act 1910. An additional extract has been attached dealing with the indemnification of Members and also the situation where Members could be liable for loss.

1.2. An Audit Office publication entitled “A Guide to the Local Authorities (Members Interests) Act 1968 and non-pecuniary Conflicts of Interest” has been provided to Councillors. Councillors have been asked to familiarise themselves with the above legislation. Councillors have also been asked to direct any questions they may have about the legislation to either the Governance Manager, or the Chief Executive.

1.3. There has been no legislative change, with the current status quo for the new triennium general requirements following an election.

1.4. Matters relating to the Disclosure of Interest Register is subject to a separate report in November.

1.5. A copy of the Local Government Official Information and Meetings Act 1987 is available from the Governance Manager or on the New Zealand Legislation website [www.legislation.co.nz](http://www.legislation.co.nz).

**Attachments:**

1. Extract from Crimes Act 1961
2. Extract from Local Government Act 2002 – Members indemnified; Members may be liable for loss.
4. Health and Safety at Work Act 2015
2. RECOMMENDATION

THAT the Council:

(a) Receives report No. 190903122967.

(b) Receives legislative material that has been circulated.

(c) Notes that, under the Health and Safety at Work Act 2015, Officers (Councillors and the Chief Executive) are required to undertake due diligence activities to discharge their responsibilities under the Act and to ensure the Council has effective health and safety processes, procedures and culture in place.

3. ISSUES AND OPTIONS

3.1. Crimes Act 1961

S.105 and 105A of the Crimes Act draws attention to the fact that an employee or any member of a local authority may be imprisoned for up to seven years for corruptly accepting a bribe.

3.2. Secret Commissions Act 1910

Section 4 of this Act states that it is an offence, under certain circumstances to accept gifts.

Section 5 imposes a requirement to disclose pecuniary interests.

Section 8 discusses secret rewards for procuring contracts.

Section 16 describes who is deemed to be an agent.

3.3. The Local Authorities Members’ Interests Act 1968

Section 3 states that a member shall not enter into contracts with the Council in any one financial year for a total amount exceeding $25,000 including GST. The Section clarifies who is deemed to be a member and what circumstances exceptions are permitted. Should the value of contracts entered exceed $25,000, and Audit Office approval has not been granted, then the member is deemed to no longer be a member of Council.

Section 6 states that a member shall not vote on or take part in the discussion of any matter before the appropriate committee or the Council in which the member has a direct or indirect pecuniary interest.

Section 8 places the onus on the Audit Office to investigate and if necessary institute appropriate proceedings against a member.

Councillors who may have a pecuniary interest in any matter that the Council deals with should seek the advice of the Audit Office.

3.4. Financial Markets Conduct Act 2013

The main purpose of this Act are to promote the confident and informed participation of businesses, investors and consumers in the financial markets and to promote and facilitate the development of fair, efficient, and transparent financial markets.

Under the Financial Markets Conduct Act 2013 essentially places elected members in the same position as company directors whenever the Council offers financial products (such as an issue of debt or equity securities). Elected members may be personally liable if documents that are registered under the Act, such as a product disclosure statement, contain false or misleading statements. Elected members may also be liable if the requirements of the Act are not met in relation to offers of financial products.

The introduction to the Act states “The Act is to make official information held by local authorities more freely available, to provide for proper access by each person to official information relating to that person which is held by local authorities, to provide for the admission of the public to meetings of local authorities, to protect official information held by local authorities and the deliberations of local authorities to the extent consistent with the public interest and the preservation of personal privacy, and to establish procedures for the achievement of those purposes.”

Section 4 of the Act states:

The purposes of the Act are

4(a) To provide for the availability to the public of official information held by local authorities, and to promote the open and public transaction of business at meetings of local authorities, in order -

(I) To enable more effective participation by the public in the actions and decisions of local authorities; and

(II) To promote the accountability of local authority members and officials,

4(b) To provide for proper access by each person to official information relating to that person;

4(c) To protect official information and the deliberations of local authorities to the extent consistent with the public interest and the preservation of personal privacy.

Sections 6, 7 and 8 of the Act provides reasons for withholding Official Information. The principle of the Act is that information held shall be made available unless there is good reason for withholding it. Reasons for withholding are the outlined in sections 6 and 7 where making the information available would be likely to prejudice the maintenance of the law; endanger the safety of any person; protect the privacy of natural persons; and to carry out commercial activities, as examples of some of the reasons.

Section 27 of the Act gives the Ombudsman certain investigative and review powers about the decision of the local authority not to provide Official Information.

Section 46 lays down requirements for all meetings of local authorities to be publicly notified, and further provides that agendas and reports are to be available prior to all meetings and are available as public documents.

Section 48 gives a local authority the right to exclude the public from a meeting when business is being discussed provided that decision is based on one of the statutory grounds set out in Section 48. The meeting needs to consider each report, which is recommended to be considered with the public excluded, and decide if the reasons given are appropriate. The reasons are similar to some of the examples outlined under Sections 6, 7 and 8. In the majority of cases, matters being considered with the public excluded are considered as the last item on the agenda.

Members of local authority liable for loss

If the Council incurs a loss as outlined in section 44 (1) (a), (b), (c) and (d), the loss is recoverable as a debt due to the Crown from each member of the local authority jointly and severally. Whilst I am not aware of any case where this has occurred, members need to be aware of the possibility and that these actions or omissions are not able to be insured.

Certain Members Indemnified

The Local Government Act provides for members being indemnified as outlined in section 48 (F). This will include members who have been appointed to a committee, community board (Councillors appointed to the Community Boards), or other subordinate decision-making body of the Waimakariri District Council. This gives the effect that members will not be responsible for costs, providing they act in good faith and come within the provisions of the section outlined and it will be the responsibility of the Council to meet the costs, or to claim from the appropriate parties.

The Health and Safety at Work Act 2015 places additional obligations on Councillors as they are considered 'Officers' under the legislation.

As officers under the new legislation, Councillors and the Chief Executive have specific positive due diligence duties that are non-delegable. Hence, staff will be reporting directly to the Council meeting on health and safety matters on a monthly basis, as well as to the Audit Committee on less time-sensitive health and safety matters.

While Councillors are not liable to prosecution in their role as an officer, they still have a responsibility to discharge those duties. Management of the Council will support officers in discharging those duties.

Officers Responsibilities

3.9. Under the Health and Safety at Work Act 2015 Officers have a positive due diligence responsibility and must ensure that they discharge their duties as 'Officers' under the legislation.

3.10. Councillors and the Chief Executive are considered to be Officers, in terms of the legislation, as they hold significant influence over the allocation of resources within the Council.

3.11. There are six main responsibilities of an Officer and the table below outlines how staff intend to support Officers discharge those responsibilities.

5. IMPLICATIONS AND RISKS

5.1. Financial Implications

5.1.1. Elected members are not indemnified by insurance for such breaches and associated costs for breaches of legislation could fall on an individual elected member.

5.2. Community Implication

5.2.1. Reputational risk of the Council if elected members were non-compliant with legislation.

Risk Management

5.2.2. There is a risk to individual elected members whereby non-compliance to Acts of legislation such as the Crimes Act 1961 may include imprisonment for up to seven years for corruptly accepting a bribe and the Local Government Act 2002 whereby if the Council incurs a loss as outlined in section 44 (1)(a),(b),(c) and (d) the loss is recoverable as a debt due to the Crown from each member of the local authority jointly and severally. Elected members must give full respect to the law at all times.

Health and Safety

5.2.3. The risks around Health and Safety are many and varied and the legislation is placing greater onus on businesses and those responsible for them to ensure a culture of health and safety exists.

(a) costs and damages for any civil liability arising from any action brought by a third party if the member was acting in good faith and in pursuance (or intended pursuance) of the responsibilities or powers of the local authority (or committee, community board, or other subordinate decision-making body of that local authority); and

(b) costs arising from any successfully defended criminal action relating to acts or omissions in his or her capacity as a member.

(2) Subsection (1) does not apply to a member's liability for a loss under section 46.

(3) To avoid doubt, a local authority may not indemnify a director of a council-controlled organisation for any liability arising from that director's acts or omissions in relation to that council-controlled organisation.

44. Report by Auditor-General on loss incurred by local authority—

(1) For the purposes of this section and sections 45 and 46, a local authority is to be regarded as having incurred a loss to the extent that any of the following actions and omissions has occurred and the local authority has not been fully compensated for the action or omission concerned:

46. Members of local authority liable for loss—

      (ii) applied its property to any unlawful purpose; or
      (iii) permitted the reserves that it must manage to be used for purposes not authorised by law; or
   (b) restrained from acting in the ways referred to in paragraph (a).

(2) If subsection (1) applies, costs and other expenses arising out of the proceeding or incurred in doing the things to which the proceeding relates—

   (b) must be paid, by order of the Court, by the members of the local authority who, by voting or otherwise, assented to the acts concerned.

(3) The Court must not make an order under subsection (2) against a member of the local authority if the member proves that, in doing the act concerned,—
   (a) the member acted in good faith and in accordance with the written advice of the solicitor to the local authority; or

(e) Notes the Standing Orders will be reviewed in the new year with a report presented to the March 2020 Council meeting for consideration.

3. ISSUES AND OPTIONS

Code of Conduct
3.1. A Code of Conduct has been adopted in the previous Council term and remains in force. The Council may make changes to the Code. However, the Council is required under legislation to have a Code in force.

3.2. The Code of Conduct has been based on the Local Government New Zealand template, which has been designed to incorporate recent legislative change, new approaches to good governance and provide better advice for councils having to deal with alleged breaches. The focus has been widened from controlling poor behaviour to promoting an inclusive and positive governance culture. Good governance assists with being trusted and respected and the greater ability to enlist the support of the community and other agencies in the goal of improving outcomes and meeting strategic goals.

3.3. The updated Code of Conduct was adopted by the Council in May 2019. It is currently under review with the Chief Executive and proposed an updated Code will be presented to the December 2019 Council for consideration.

3.4. The Code applies to Councillors in their dealings with each other, Council officers, the public and the media.

3.5. Features of the currently adopted Code include:
   - refinement of the principles including a principle that highlights the importance of elected members “pulling their weight”;
   - simplification of the roles and responsibilities section;
   - encouragement for members to participate in activities to build and maintain collaborative and cooperative cultures within the council;
   - a process for investigating and assessing complaints, including a ‘materiality’ test;
   - additional guidance on penalties or sanctions;
   - clarification that complaints can only be made by members and chief executives; and
   - a more empowering and less prescriptive approach.

3.6. The current Code has four objectives:
   - to enhance the effectiveness of the local authority and the provision of good local government of the community, city, district or region;
   - to promote effective decision-making and community engagement;
   - to enhance the credibility and accountability of the local authority to its communities; and;
   - to develop a culture of mutual trust, respect and tolerance between the members of the local authority and between the members and management.

3.7. Community Boards

   The Council Code of Conduct is proposed to be adopted by the Community Boards at their February 2020 meetings, to ensure a consistent approach to behaviour and the handling of any potential breaches. Discussion proposed in December will also involve the Community Board thoughts on the hearing panel process for dealing with any potential breaches at a Community Board level.

3.8. Alleged breaches

   In previous terms where issues have occasionally arisen, an approach seeking early low-level resolution has often proved successful and is always encouraged in the first instance.

Standing Orders
3.9. The Council Standing Orders applicable for Council, Committees, subcommittees and hearings panels was amended in May 2019. It had previously been updated in January 2018 for the Council and March 2018 for the Community Boards.

3.10. The Standing Orders received a major review in December 2017, incorporating legislative changes and reflecting Local Government NZ (LGNZ) guidelines, as well as reviewing some specific Waimakariri practices.

3.11. The LGNZ released a new Standing Orders Guide in October 2019 and staff will review these against the current Standing Orders in January 2020, with a view to bring any suggested amendments before the Council in March 2020 for consideration. The Community Boards Standing Orders (which are very similar), will be reviewed at the same time.

3.12. The Management Team has reviewed this report and supports the recommendations.

4. COMMUNITY VIEWS

Not applicable.

5. IMPLICATIONS AND RISKS

The Council is required to have the Code of Conduct and Standing Orders in place at all times. There are no direct financial implications.

6. CONTEXT

Policy
6.1. This matter is not a matter of significance in terms of the Council’s Significance Policy.

Legislation

Community Outcomes
6.4. There are wide ranging opportunities for people to contribute to the decision-making by public organisations that affect our District.

1. **Introduction**

This Code of Conduct (the Code) sets out the standards of behavior expected from elected members in the exercise of their duties. Its purpose is to:

- enhance the effectiveness of the local authority and the provision of good local government of the community, and district;
- promote effective decision-making and community engagement;
- enhance the credibility and accountability of the local authority to its communities; and
- develop a culture of mutual trust, respect and tolerance between the elected members of the local authority and between the elected members and management.

This purpose is given effect through the values, roles, responsibilities and specific behaviors agreed in this Code.

2. **Scope**

The Code has been adopted in accordance with clause 15 of Schedule 7 of the Local Government Act 2002 (LGA 2002) and applies to all elected members, including the elected members of any community boards that have agreed to adopt it. The Code is designed to deal with the behaviour(s) of elected members towards:

- each other;
- the Chief Executive and staff;
- the media; and
- the general public.

It is also concerned with the disclosure of information that elected members receive in their capacity as elected members and information which impacts on the ability of the local authority to give effect to its statutory responsibilities.

This Code can only be amended (or substituted by a replacement Code) by a vote of at least 75 per cent of elected members present at a meeting when amendment to the Code is being considered. The Code should be read in conjunction with the Council’s Standing Orders.
3. **Principles**

The Code is designed to give effect to the following values:

1. **An elected member will act in the public interest**: elected members will serve the best interests of the people within their community, district or region and discharge their duties conscientiously, to the best of their ability.

2. **An elected member will build public trust**: elected members, in order to foster community confidence and trust in their Council, will work together constructively and uphold the values of honesty, integrity, accountability and transparency.

3. **An elected member will behave ethically**: elected members will not place themselves in situations where their honesty and integrity may be questioned, will not behave improperly and will avoid the appearance of any such behavior.

4. **An elected member will consider matters objectivity**: elected members will make decisions on merit; including appointments, awarding contracts, and recommending individuals for rewards or benefits.

5. **An elected member will show respect for others**: will treat people, including other elected members, with respect and courtesy, regardless of their race, age, religion, gender, sexual orientation, or disability. Elected members will respect the impartiality and integrity of officials.

6. **An elected member has a duty to uphold the law**: elected members will comply with all legislative requirements applying to their role, abide by this Code of Conduct, and act in accordance with the trust placed in them by the public.

7. **An elected member will make an equitable contribution**: elected members will take all reasonable steps to ensure they fulfil the duties and responsibilities of office, including attending meetings and workshops, preparing for meetings, attending civic events, and participating in relevant training seminars.

8. **An elected member will demonstrate leadership**: elected members will actively promote and support these values and ensure they are reflected in the way in which the Council operates, including a regular review and assessment of the Council’s collective performance.

These values complement, and work in conjunction with, the principles of s.14 of the LGA 2002 and the governance principles of s.39 of the LGA 2002.
4. Role and responsibilities

Good governance requires clarity of roles and respect between those charged with responsibility for the leadership of the Council and those responsible for advice and the implementation of Council decisions. The key roles are:

4.1 Elected Members

The role of the governing body includes:

- representing the interests of the people of the district;
- developing and adopting plans, policies and budgets;
- monitoring the performance of the Council against stated goals and objectives set out in its long term plan;
- providing prudent stewardship of the Council’s resources;
- employing and monitoring the performance of the Chief Executive;
- ensuring the Council fulfils its responsibilities to be a ‘good employer’ and meets the requirements of the Health and Safety at Work Act 2015; and
- ensuring that the Principles, Values and Behaviours described in the Council’s Ta Matou Mauri are embodied in all interactions.

4.2 Chief Executive

The role of the Chief Executive includes:

- providing policy advice to the Council and implementing the decisions of the Council;
- ensuring that all responsibilities delegated to the Chief Executive are properly performed or exercised;
- ensuring the effective and efficient management of the activities of the local authority;
- maintaining systems to enable effective planning and accurate reporting of the financial and service performance of the local authority;
- providing leadership for the staff of the Council; and
- employing staff on behalf of the Council (including negotiation of the terms of employment for those staff).

Under s.42 of the LGA 2002 the Chief Executive is the only person directly employed by the Council itself. All concerns about the performance of an individual member of staff must, in the first instance, be referred to the Chief Executive.
5. Relationships

This section of the Code sets out agreed standards of behaviour between elected members; elected members and staff; and elected members and the public.

5.1 Relationships between elected members

Given the importance of relationships to the effective performance of the Council, elected members will conduct their dealings with each other in a manner that:

- maintains public confidence;
- is open and honest;
- is courteous;
- is focused on issues rather than personalities;
- avoids abuse of meeting procedures, such as a pattern of unnecessary notices of motion and/or repetitious points of order; and
- avoids aggressive, offensive or abusive conduct, including the use of disrespectful or malicious language; and
- avoid any form of bullying or sexual harassment.

Any failure by elected members to act in the manner described above represents a breach of this Code.

Please note that nothing in this section of the Code is intended to limit robust debate within the Council as long as it is conducted in a respectful and insightful manner.

5.2 Relationships with staff

An important element of good governance involves the relationship between the Council and its Chief Executive. Elected members will respect arrangements put in place to facilitate this relationship, and:

- raise any concerns about employees, officers or contracted officials with the Chief Executive;
- raise any concerns about the performance or behaviour of the Chief Executive with the Mayor or the chairperson of the Chief Executive performance review committee (however described);
- make themselves aware of the obligations that the Council and the Chief Executive have as employers and observe those requirements at all times, such as the duty to be a good employer;
treat all employees with courtesy and respect and avoid publicly criticising any employee;
avoid familiar, aggressive, offensive or abusive conduct towards any employee; and
avoid any form of bullying or sexual harassment;
observe any protocols put in place by the Chief Executive concerning contact between elected members and employees;
avoid doing anything which might compromise, or could be seen as compromising, the impartiality of an employee.

Any failure by elected members to act in the manner described above represents a breach of this Code.

Please note: Elected members should be aware that failure to observe this portion of the Code may compromise the Council’s obligations to be a good employer and consequently expose the Council to civil litigation or affect the risk assessment of Council’s management and governance control processes undertaken as part of the Council’s audit.

5.3 Relationship with members of the public

Given that the performance of the Council requires the trust and respect of individual citizens, elected members will:

- interact with members of the public and all community board members in a fair, respectful, equitable and honest manner;
- be available to listen and respond openly and honestly to community concerns;
- consider all points of view or interests of members of the public and community board members when participating in debate and making decisions;
- treat members of the public and community board members in a courteous manner; and
- act in a way that upholds the reputation of the local authority.

Any failure by elected member to act in the manner described above represents a breach of this Code.
6. Contact with the media

The media play an important part in the operation and efficacy of local democracy. In order to fulfil this role the media needs access to accurate and timely information about the affairs of Council.

From time to time individual elected members will be approached to comment on a particular issue either on behalf of the Council, or as an elected member in their own right. When responding to the media elected members must be mindful that operational questions should be referred to the Chief Executive and policy-related questions referred to the Mayor or the member with the appropriate delegated authority, ie portfolio holder or Chair of Standing Committee.

When speaking to the media more generally elected members will abide by the following provisions:

6.1 Media contact on behalf of the Council

- the Mayor is the first point of contact for an official view on any issue, unless delegations state otherwise. Where the Mayor is absent requests for comment will be referred to the Deputy Mayor or relevant standing committee chairperson or portfolio holder;
- the Mayor may refer any matter to the relevant committee chairperson, portfolio holder, community board chairperson or to the Chief Executive for their comment; and
- no other elected member may comment on behalf of the Council without having first obtained the approval of the Mayor, or his/her delegate.

6.2 Media comment on a member’s own behalf

Elected members are free to express a personal view in the media, at any time, provided the following rules are observed:

- media comments must not state or imply that they represent the views of the Council;
- media comments which are contrary to a Council decision or policy must clearly state that they do not represent the views of the majority of elected members;
- media comments must observe the other requirements of the Code; for example, comments should not disclose confidential information, criticize, or compromise the impartiality or integrity of staff; and
• media comments must not be misleading and should be accurate within the bounds of reasonableness.

Any failure by elected members to meet the standards set out above represents a breach of this Code.

7. Information

Access to information is critical to the effective performance of a local authority and the level of public trust felt by the public.

7.1 Confidential information

In the course of their duties elected members will occasionally receive information that is confidential. This will generally be information that is either commercially sensitive or is personal to a particular individual or organisation. Accordingly, elected members agree not to use or disclose confidential information for any purpose other than the purpose for which the information was supplied to the member.

Elected members should be aware that failure to observe these provisions could impede the performance of the Council by inhibiting information flows and undermining public confidence in the Council. Failure to observe these provisions may also expose the Council to prosecution under the Privacy Act or civil litigation.

7.2 Information received in capacity as an elected member

Elected members will disclose to other elected members and, where appropriate the Chief Executive, any information received in their capacity as an elected member that concerns the Council’s ability to give effect to its responsibilities.

Elected members who are offered information on the condition that it remains confidential will inform the provider of the information that it is their duty to disclose the information and will decline the offer if that duty is likely to be compromised.

Any failure by elected members to act in the manner described above represents a breach of this Code.

Please note: failure to observe these provisions may impede the performance of the Council by inhibiting information flows and undermining public confidence. It may also expose the Council to prosecution under the Privacy Act and/or civil litigation.
8. Conflicts of Interest

Elected members will maintain a clear separation between their personal interests and their duties as elected members in order to ensure that they are free from bias (whether real or perceived). Elected members therefore must familiarise themselves with the provisions of the Local Authorities (Members’ Interests) Act 1968 (LAMIA).

Elected members will not participate in any Council discussion or vote on any matter in which they have a pecuniary interest, other than an interest in common with the general public. This rule also applies where the member’s spouse/partner contracts with the authority or has a pecuniary interest. Elected members shall make a declaration of interest as soon as practicable after becoming aware of any such interests.

If a member is in any doubt as to whether or not a particular course of action (including a decision to take no action) raises a conflict of interest, then the member should seek guidance from the Chief Executive immediately. Elected members may also contact the Office of the Auditor General for guidance as to whether they have a pecuniary interest, and if so, may seek an exemption to allow that member to participate or vote on a particular issue in which they may have a pecuniary interest. The latter must be done before the discussion or vote.

Please note: Failure to observe the requirements of the LAMIA could potentially invalidate the decision made, or the action taken, by the Council. Failure to observe these requirements could also leave the elected member open to prosecution (see Appendix A). In the event of a conviction, elected members can be ousted from office.

If elected members have a non-pecuniary interest in a matter for decision and for which a member of the public may perceive bias this should be carefully considered by the member as to whether it should also be declared. (see Appendix A for a further explanation).
9. **Register of Interests**

Elected members will be requested to make a bi-annual declaration of interest at the ordinary Council meeting held in June and December each year. These declarations are recorded in a Register of Interests maintained by the Council and listed on the Council website. The declaration must include information on the nature and extent of any interest, including:

a) any employment, trade or profession carried on by the elected member or the members’ spouse/partner for profit or gain;

b) any company, trust, partnership etc for which the member or their spouse/partner is a director, partner or trustee;

c) the address of any land in which the member has a beneficial interest within the jurisdiction of the local authority; and

d) the address of any land owned by the local authority in which the member or their spouse/partner is:
   - a tenant; or
   - the land is tenanted by a firm in which the member or spouse/partner is a partner, a company of which the member or spouse/partner is a director, or a trust of which the member or spouse/partner is a trustee:

e) any other matters which the public might reasonably regard as likely to influence the member’s actions during the course of their duties as a member (if the member is in any doubt on this, the member should seek guidance from the Chief Executive)

**Please note:** Where a member’s circumstances change they must ensure that the Register of Interests is updated as soon as practicable by notifying the Governance Manager.
10. Ethical behaviour

Elected Members will seek to promote the highest standards of ethical conduct. Accordingly elected members will:

- claim only for legitimate expenses as determined by the Remuneration Authority and any lawful policy of the Council developed in accordance with that determination;
- not influence, or attempt to influence, any Council employee, officer or member in order to benefit their own, or families personal or business interests;
- only use the Council resources (such as facilities, staff, equipment and supplies) in the course of their duties and not in connection with any election campaign or personal interests; and not solicit, demand, or request any gift, reward or benefit by virtue of their position and notify the Chief Executive if any such gifts are accepted. Where a gift to the value of $100 or more is accepted by a member, that member must immediately disclose this to the Chief Executive for inclusion in the publicly available register of interests.

Any failure by elected members to comply with the provisions set out in this section represents a breach of this Code.

10.1 Undischarged bankrupt

In accordance with clause 15(5) of Schedule 7 (LGA 2002) any member who is an “undischarged bankrupt” will notify the Chief Executive prior to the inaugural meeting or as soon as practicable after being declared bankrupt. The member will also provide the Chief Executive with a brief explanatory statement of the circumstances surrounding the member’s adjudication and the likely outcome of the bankruptcy. This Council believes that bankruptcy does raise questions about the soundness of a person’s financial management skills and their judgement in general.

10.2 Disqualification from office

Elected members are automatically disqualified from office if they are convicted of a criminal offence punishable by two or more year’s imprisonment, or if they cease to be or lose their status as an elector or of certain breaches of the Local Authorities (Members’ Interests) Act 1968.
11. Creating a supportive and inclusive environment

In accordance with the purpose of the Code, elected members agree to take all reasonable steps in order to participate in activities scheduled to promote a culture of mutual trust, respect and tolerance. These include:

- Attending post-election induction programmes organised by the Council for the purpose of facilitating agreement on the Council’s vision, goals and objectives and the manner and operating style by which elected members will work.
- Taking part in any assessment of the Council’s overall performance and operating style during the triennium.
- Taking all reasonable steps to ensure they possess the skills and knowledge to effectively fulfill their Declaration of Office and contribute to the good governance of the district or region.

12. Breaches of the Code

Elected members must comply with the provisions of this Code (LGA 2002, schedule 5, s. 14(4)). Any member, or the Chief Executive, who believes that the Code has been breached by the behaviour of an elected member, may make a complaint to that effect. All complaints will be considered in a manner that is consistent with the following principles.

12.1 Principles:

The following principles will guide any processes for investigating and determining whether or not a breach under this Code has occurred:

- that the approach for investigating and assessing a complaint will be proportionate to the apparent seriousness of the breach complained about;
- that the roles of complaint, investigation, advice and decision-making will be kept separate as appropriate to the nature and complexity of the alleged breach; and
- that the concepts of natural justice and fairness will apply in the determination of any complaints made under this Code. This requires, conditional on the nature of an alleged breach, that affected parties:
  o have a right to know that an investigation process is underway;
  o are given due notice and are provided with an opportunity to be heard;
  o have a right to seek appropriate advice and be represented; and
  o have their privacy respected.
12.2 Complaints

All complaints made under this Code must be made in writing, making specific reference to any allegation of breach and forwarded to the Chief Executive. On receipt of a complaint from an elected member, member of the public or a staff member, the Chief Executive will consult with the Mayor (or if the complaint is against the Mayor, the Chief Executive will consult with the Deputy Mayor) and undertake a preliminary assessment to determine, prima facie, the level of seriousness, as outlined in this Code of Conduct.

12.3 Investigation, advice and decision

The Code of Conduct Committee, established at the start of each triennium, is responsible for overseeing alleged complaints that are considered material, as outlined in clause 12.4.

The Committee may seek advice from the Chief Executive, Mayor, or whomever it considers would assist it in its decision making.

The process, following receipt of a complaint, is outlined in Appendix B.

12.4 Materiality

An alleged breach under this Code is material if, in the opinion of the Chief Executive and/or Mayor, it would, if proven, bring a member or the Council into disrepute or, if not addressed, reflect adversely on another member of the Council.

An alleged breach under this Code is non-material if, in the opinion of the Chief Executive and/or Mayor, that it does not warrant an investigation then clause 13.3 applies.
13. Penalties and actions

Where a complaint is determined to be material and referred to the Council the nature of any penalty or action will depend on the seriousness of the breach.

13.1 Material breaches

In the case of material breaches of this Code, the Code of Conduct Committee which holds delegated authority to investigate a material breach, may recommend to the Council one of the following:

1. a letter of censure to the member;
2. a request (made either privately or publicly) for an apology;
3. a vote of no confidence in the member;
4. removal of certain Council-funded privileges (such as attendance at conferences);
5. restricted entry to Council offices, such as no access to staff areas (where restrictions may not previously have existed);
6. limitation on any dealings with Council staff so that they are confined to the Chief Executive only;
7. suspension from committees or other bodies; or
8. an invitation for the member to consider resigning from the Council.

The Council, or Code of Conduct Committee, may decide that a penalty will not be imposed where a respondent agrees to one or more of the following:

- attend a relevant training course; and/or
- work with a mentor for a period of time; and/or
- participate in voluntary mediation (if the complaint involves a conflict between two elected members); and/or
- tender an apology.

The process is based on the presumption that the outcome of a complaints process will be made public unless there are grounds, such as those set out in the Local Government Official Information and Meetings Act 1987 (LGOIMA), for not doing so.
13.2 Statutory breaches

In cases where a breach of the Code is found to involve regulatory or legislative requirements, the complaint will be referred to the relevant agency. For example:

- breaches relating to elected members’ interests (where elected members may be liable for prosecution by the Auditor-General under the LAMIA);
- breaches which result in the Council suffering financial loss or damage (where the Auditor-General may make a report on the loss or damage under s.30 of the LGA 2002 which may result in the member having to make good the loss or damage); or
- breaches relating to the commission of a criminal offence which will be referred to the Police (which may leave the elected member liable for criminal prosecution).

13.3 Non-material breaches

Either following the Chief Executive and Mayoral assessment or initial feedback from an independent investigator the breach may be considered non-material. In that event, low level resolution of the matter may be pursued including a meeting of the parties, an apology or other courses of action considered appropriate by the Mayor.

14. Review

Once adopted, a Code of Conduct continues in force until amended by the Council. The Code can be amended at any time but cannot be revoked unless the Council replaces it with another Code (LGA 2002 Schedule 7 s.15). Once adopted, amendments to the Code require a resolution supported by 75 per cent of the elected members of the Council present at a Council meeting where the amendment is considered.

Council may formally review the Code as soon as practicable after the beginning of each triennium. The results of that review will be considered by the Council in regard to potential changes for improving the Code.

15. Disqualification of Elected Members from Office

Elected members are automatically disqualified from office if they are convicted of a criminal offence punishable by two or more years imprisonment, or if they cease to be or lose their status as an elector or of certain breaches of the Local Authorities (Members’ Interests) Act 1968.
Appendix A: Legislation bearing on the role and conduct of elected members

This is a summary of the legislative requirements that have some bearing on the duties and conduct of elected members. The full statutes can be found at www.legislation.govt.nz.

The Local Authorities (Members’ Interests) Act 1968

The Local Authorities (Members’ Interests) Act 1968 (LAMIA) provides rules about elected members discussing and voting on matters in which they have a pecuniary interest and about contracts between elected members and the Council.

A pecuniary interest is likely to exist if a matter under consideration could reasonably give rise to an expectation of a gain or loss of money for a member personally (or for their spouse/partner or a company in which they have an interest). In relation to pecuniary interests the LAMIA applies to both contracting and participating in decision-making processes.

With regard to pecuniary or financial interests a person is deemed to be “concerned or interested” in a contract or interested “directly or indirectly” in a decision when:

- a person, or spouse or partner, is “concerned or interested” in the contract or where they have a pecuniary interest in the decision; or
- a person, or their spouse or partner, is involved in a company that is “concerned or interested” in the contract or where the company has a pecuniary interest in the decision.

There can also be additional situations where a person is potentially “concerned or interested” in a contract or have a pecuniary interest in a decision, such as where a contract is between an elected members’ family trust and the Council.

Determining whether a pecuniary interest exists

Elected members are often faced with the question of whether or not they have a pecuniary interest in a decision and if so whether they should participate in discussion on that decision and vote. When determining if this is the case or not the following test is applied:

“…whether, if the matter were dealt with in a particular way, discussing or voting on that matter could reasonably give rise to an expectation of a gain or loss of money for the member concerned.” (OAG, 2001)
LAMIA – Section 6

“Member of local authority or committee not to discuss or vote on question in which he/she has pecuniary interest;

(1) A member of a local authority or of a committee thereof shall not vote on or take part in the discussion of any matter before the governing body of that local authority or before that committee in which he has, directly or indirectly, any pecuniary interest, other than an interest in common with the public.

(2) For the purposes of subsection (1), where an incorporated company has, directly or indirectly, a pecuniary interest in a matter before the governing body of a local authority or before a committee thereof, a member of the local authority or, as the case may be, of the committee shall be deemed to have a pecuniary interest in the matter, if—

(a) the member or his spouse or partner singly or between them own, whether directly or through a nominee, 10% or more of the issued capital of the company or of any other company controlling that company;

In deciding whether you have a pecuniary interest, elected members should consider the following factors.

- What is the nature of the decision being made?
- Do I have a financial interest in that decision - do I have a reasonable expectation of gain or loss of money by making that decision?
- Is my financial interest one that is in common with the public?
- Do any of the exceptions in the LAMIA apply to me?
- Could I apply to the Auditor-General for approval to participate?

Elected members may seek assistance from the Mayor or other person such as the Chief Executive to determine if they should discuss or vote on an issue but ultimately it is their own judgment as to whether or not they have pecuniary interest in the decision. Any member who is uncertain as to whether they have a pecuniary interest is advised to seek legal advice. Where uncertainty exists elected members may adopt a least-risk approach which is to not participate in discussions or vote on any decisions.

Elected members who do have a pecuniary interest will declare the pecuniary interest to the meeting and not participate in the discussion or voting. The declaration and abstention needs to be recorded in the meeting minutes. (Further requirements are set out in the Council’s Standing Orders.)
The contracting rule

A member is disqualified from office if he or she is “concerned or interested” in contracts with their Council if the total payments made, or to be made, by or on behalf of the Council exceed $25,000 in any financial year. The $25,000 limit includes GST. The limit relates to the value of all payments made for all contracts in which you are interested during the financial year. It does not apply separately to each contract, nor is it just the amount of the profit the contractor expects to make or the portion of the payments to be personally received by you.

The Auditor-General can give prior approval, and in limited cases, retrospective approval for contracts that would otherwise disqualify you under the Act. It is an offence under the Act for a person to act as a member of the Council (or committee of the Council) while disqualified.

Non-pecuniary conflicts of interest

In addition to the issue of pecuniary interests, rules and common law govern conflicts of interest more generally. These rules apply to non-pecuniary conflicts of interest, including common law rules about bias. In order to determine if bias exists or not elected members need to ask:

"Is there a real danger of bias on the part of the member of the decision-making body, in the sense that he or she might unfairly regard with favour (or disfavour) the case of a party to the issue under consideration?"

The question is not limited to actual bias, but relates to the appearance or possibility of bias reflecting the principle that justice should not only be done, but should be seen to be done. Whether or not elected members believe they are not biased is irrelevant.

Elected members should focus be on the nature of the conflicting interest or relationship and the risk it could pose for the decision-making process. The most common risks of non-pecuniary bias are where:

- elected members’ statements or conduct indicate that they have predetermined the decision before hearing all relevant information (that is, elected members have a “closed mind”); and
- elected members have a close relationship or involvement with an individual or organisation affected by the decision.

In determining whether or not they might be perceived as biased, elected members must also take into account the context and circumstance of the issue or question under consideration. For example, if a member has stood on a platform and been voted into office on the promise of implementing that platform then voters would have every expectation that the member would give effect to that promise, however he/she must still be seen to be open to considering new information (this may not apply to decisions made in quasi-judicial settings, such as an RMA hearing).
Local Government Official Information and Meetings Act 1987

The Local Government Official Information and Meetings Act 1987 sets out a list of meetings procedures and requirements that apply to local authorities and community boards. Of particular importance for the roles and conduct of elected members is the fact that the chairperson has the responsibility to maintain order at meetings, but all elected members should accept a personal responsibility to maintain acceptable standards of address and debate. No elected member should:

- create a disturbance or a distraction while another Councillor is speaking;
- be disrespectful when they refer to each other or other people; or
- use offensive language about the Council, other elected members (including community board members), any employee of the Council or any member of the public.

See Standing Orders for more detail.

Secret Commissions Act 1910

Under this Act it is unlawful for an elected member (or officer) to advise anyone to enter into a contract with a third person and receive a gift or reward from that third person as a result, or to present false receipts to Council.

If convicted of any offence under this Act a person can be imprisoned for up to two years, and/or fines up to $1,000. A conviction would therefore trigger the ouster provisions of the LGA 2002 and result in the removal of the member from office.

Crimes Act 1961

Under this Act it is unlawful for an elected member (or officer) to:

- accept or solicit for themselves (or anyone else) any gift or reward for acting or not acting in relation to the business of Council; and
- use information gained in the course of their duties for their, or another persons, monetary gain or advantage.

These offences are punishable by a term of imprisonment of seven years or more. Elected members convicted of these offences will automatically cease to be elected members.
Financial Markets Conduct Act 2013

Financial Markets Conduct Act 2013 (previously the Securities Act 1978) essentially places elected members in the same position as company directors whenever Council offers stock to the public. Elected members may be personally liable if investment documents such as a prospectus contain untrue statements and may be liable for criminal prosecution if the requirements of the Act are not met.

The Local Government Act 2002

The Local Government Act 2002 (LGA 2002) sets out the general powers of local government, its purpose and operating principles. Provisions directly relevant to this Code include:

Personal liability of elected members

Although having qualified privilege, elected members can be held personally accountable for losses incurred by a local authority where, following a report from the Auditor General under s.44 LGA 2002, it is found that one of the following applies:

a) money belonging to, or administered by, a local authority has been unlawfully expended; or
b) an asset has been unlawfully sold or otherwise disposed of by the local authority; or
c) a liability has been unlawfully incurred by the local authority; or
d) a local authority has intentionally or negligently failed to enforce the collection of money it is lawfully entitled to receive.

Elected members will not be personally liable where they can prove that the act or failure to act resulting in the loss occurred as a result of one of the following:

a) without the member’s knowledge;
b) with the member’s knowledge but against the member’s protest made at or before the time when the loss occurred;
c) contrary to the manner in which the member voted on the issue; and
d) in circumstances where, although being a party to the act or failure to act, the member acted in good faith and relied on reports, statements, financial data, or other information from professional or expert advisers, namely staff or external experts on the matters.

In certain situation elected members will also be responsible for paying the costs of proceedings (s.47 LGA 2002).
Appendix B: Process for the determination and investigation of complaints

Step 1: Chief Executive receives complaint

On receipt of a complaint under this Code of Conduct the Chief Executive will:

- acknowledge receipt of a complaint under the Code, and advise steps that will be taken;
- inform the Mayor (or Deputy Mayor if the complaint is against the Mayor);
- inform the respondent that a complaint has been made against them.

Step 2: Chief Executive and Mayor undertakes preliminary assessment

On receipt of a complaint the Chief Executive, in conjunction with the Mayor (or Deputy Mayor if the complaint is against the Mayor), will undertake a preliminary assessment to assess, prima facie, whether:

1. the complaint is frivolous or without substance and should be dismissed;
2. the complaint is outside the scope of the Code and should be redirected to another agency or process;
3. the complaint is non-material; or
4. the complaint is material and a full investigation is required.

The Chief Executive and Mayor can also request from the complainant further information/evidence in support of the complaint and, if considered appropriate, may also request a preliminary statement in response from the elected member against whom the complaint is lodged.

Step 3: Non-material breach

Where it is determined the matter to be a non-material (low level) breach, frivolous or without substance the Mayor will inform the complainant and respondent directly; neither of which persons are open to challenge the decision of the Mayor. The Mayor may inform other elected members (if there are no grounds for confidentiality) of the decision.

The Mayor may determine a low level resolution be pursued including a meeting of the parties, an apology or other courses of action considered appropriate by the Mayor (ie attendance of courses or programmes to increase their knowledge and understanding of the matters leading to the complaint). Any recommendations made in response to a non-material breach are non-binding on the respondent and the Council.
Step 4: Complaint is redirected

Where it is determined the complaint is considered outside the scope of the Code and should be redirected to another agency or process or a full investigation is required then the matter will be referred to an independent investigator selected from a panel agreed at the start of the triennium.

The Chief Executive will:

1. Inform the complainant that the complaint has been referred to the independent investigator, the name of the investigator, and refer them to the process for dealing with complaints as set out in the Code; and
2. Inform the respondent that the complaint made against them has been referred to an independent investigator, the name of the investigator and refer them to the process for dealing with complaints as set out in the Code.

Step 5: Material Allegation/Complaint: Code of Conduct Committee Oversees Investigation

If a material allegation/complaint is received the Code of Conduct Committee will receive a report from the Chief Executive and/or Mayor with recommendations as to the approach the Committee may wish to consider.

The Committee will determine the scope and terms of reference of any further enquiry or investigation required.

On completing an investigation of the allegation/complaint, the investigator will furnish the Code of Conduct Committee the full written report of the investigation including conclusions and any recommendations.

On receiving the investigator’s assessment the Code of Conduct Committee will:

1. in cases where an investigator determines that an allegation/complaint is frivolous or without substance, inform the Mayor, complainant and respondent directly and inform other elected members (if there are no grounds for confidentiality) of the investigator’s decision;  (Refer to Step 3).
2. in cases where the investigator finds that the allegation/complaint involves a potential legislative breach and outside the scope of the Code, forward the complaint to the relevant agency and inform both the complainant and respondent of the action.

---

1 On behalf of the Council the Chief Executive will, shortly after the start of a triennium, prepare, in consultation with the Mayor, a list of investigators for this purpose of undertaking an investigation and assessment. The Chief Executive may prepare a list specifically for his/her Council, prepare a list jointly with neighbouring councils or contract with an agency capable of providing appropriate investigators, such as EquiP.
Step 6: Actions where a breach is found to be material

The findings and conclusions of the investigator’s report will be reported to the Code of Conduct Committee, and the complainant and respondent will be informed. The Committee will then determine what action should be taken and make a recommendation to the Council.

The Code of Conduct Committee will consider the Chief Executive’s report and/or investigator’s report in open meeting, except where the alleged breach concerns matters that justify the exclusion of the public, such as the misuse of confidential information or a matter that would otherwise be exempt from public disclosure under s.48 of the LGOIMA, in which case it will be a closed meeting.

Before making any decision in respect of the investigator’s report the Code of Conduct Committee, and as necessary, the Council will give the member against whom the complaint has been made an opportunity to appear and speak in their own defence.

Elected members with a direct interest in the proceedings, including the complainant and the respondent, may not take part in the deliberation sections of the proceedings.

The form of penalty that might be applied will depend on the nature of the breach and may include actions set out in section 13.1 of this Code.

The Council notes the Code of Conduct Committee determined at the beginning of the 2016-19 triennium consists of the following panel:

Deputy Mayor Felstead (Chair), Councillor Atkinson, Councillor Brine and Councillor Doody.
Waimakariri District Council

Standing Orders

For Meetings of the Council
Committees, Sub Committees
and Hearing Panels
Preface: Local Government New Zealand

Standing orders contain rules for the conduct of the proceedings of local authorities, committees, subcommittees and subordinate decision-making bodies, and local and community boards. Their purpose is to enable local authorities to exercise their decision-making responsibilities in a transparent, inclusive and lawful manner.

In doing so the application of standing orders contributes to greater public confidence in the quality of local governance and democracy in general.

These standing orders have been designed specifically for local authorities, their committees and subcommittees. They fulfil the requirements of the Local Government Act 2002 and the Local Government Official Information and Meetings Act 1987 with regard to the conduct of meetings.

Please note standing orders do not apply to advisory bodies or workshops unless incorporated in their specific terms of reference.

It is mandatory that councils adopt standing order for the conduct of their meetings and the meetings of any subordinate bodies, such as committees and subcommittees (see cl. 27 Schedule 7 of the Local Government Act 2002).

For clarity’s sake whenever a question about the interpretation or application of these standing orders is raised, particularly where a matter might not be directly provided for, it is the responsibility of the Chairperson of each meeting to make a ruling.

All members of a local authority must abide by standing orders.

1. Introduction

These standing orders have been prepared to enable the orderly conduct of local authority meetings. They incorporate the legislative provisions relating to meetings, decision making and transparency. They also include practical guidance on how meetings should operate so that statutory provisions are complied with and the spirit of the legislation fulfilled.

To assist elected members and officials the document is structured in three parts:

- Part 1 deals with general matters
- Part 2 deals with pre-meeting procedures
- Part 3 deals with meeting procedures.

Following Part 3 the Appendices provide templates and additional guidance for implementing provisions within the standing orders. Please note; the Appendix is an attachment to the standing orders and not part of the standing orders themselves, consequently amendments to the Appendix do not require the agreement of 75% of those present).

1.1 Principles

Standing orders are part of the framework of processes and procedures designed to ensure that our system of local democracy and in particular decision-making within local government is transparent and accountable. They are designed to give effect to the principles of good governance, which include that a local authority should:

- conduct its business in an open, transparent and democratically accountable manner;
- give effect to its identified priorities and desired outcomes in an efficient and effective manner;
- make itself aware of, and have regard to, the views of all of its communities;
- take account, when making decisions, of the diversity of the community, its interests and the interests of future communities as well;
- ensure that any decisions made under these standing orders comply with the decision-making provisions of Part 6 of the LGA; and
- ensure that decision-making procedures and practices meet the standards of natural justice.

These are reinforced by the requirement that all local authorities act so that “governance structures and processes are effective, open and transparent” (s. 39 LGA 2002).

1.2 Statutory references

The Standing Orders combine statutory provisions with guidance on their application. Where a statutory provision has been augmented with advice on how it might be implemented the advice (so as not to confuse it with the statutory obligation) is placed below the relevant legislative reference.
In some cases the language in the statutory provision has been modernised for ease of interpretation or amended to ensure consistency with more recently enacted statutes.

It is important to note that during a meeting any statutory references in the standing orders apply throughout the period of the meeting, regardless of whether or not parts or all of the Standing Orders have been suspended. These provisions must also be carried through into any amendment of the standing orders that might be made. Please note, where it is employed the word ‘must’, unless otherwise stated, identifies a mandatory legislative requirement.

General matters

3. Standing orders

3.1 Obligation to adopt standing orders

A council is required to operate in accordance with standing orders for the conduct of its meetings and the meetings of its committees and subcommittees. Community boards must also adopt standing orders. Standing orders must not contravene any Act.

cl. 27(1) & (2), Schedule 7, LGA 2002.

3.2 Process for adoption and alteration of standing orders

The adoption of standing orders and any amendment to standing orders must be made by the Council and by a vote of not less than 75% of the members present. (Similarly, in the case of a local and community board the adoption of standing orders and any amendments also requires a vote of not less than 75% of the members of the specific board).

cl. 27(3) Schedule 7, LGA 2002.

3.3 Members must obey standing orders

All members of the local authority, including members of committees and subcommittees, must obey these standing orders.

cl. 16(1) Schedule 7, LGA 2002.

3.4 Application of standing orders

These standing orders apply to all meetings of the local authority, its committees, subcommittees and subordinate decision-making bodies. They will also apply to any community boards unless stated otherwise. This includes meetings and parts of meetings that the public are excluded from.

3.5 Temporary suspension of standing orders

Any member of a council, committee, subcommittee, subordinate body, and community board, may move a motion to suspend standing orders at a meeting of which they are a member. Any such motion must also include the reason for the suspension. If seconded, the Chairperson must put the motion without debate and at least 75 per cent of the members present and voting must support the motion for it to be carried.

cl. 27(4), Schedule 7, LGA 2002.

A motion to suspend standing orders may also identify the specific standing orders to be suspended. In the event of suspension those standing orders prescribed in statute will continue to apply, such as the quorum requirements.
3.6 Exclusions for meetings at which no resolutions or decisions are made

For the avoidance of doubt, any provision of these standing orders relating to the making of decisions and the passing of resolutions does not apply to any meeting of the local authority or of any committee or subcommittee or other subordinate decision-making body of the local authority which has been properly constituted as a meeting at which no resolutions or decisions are to be made under the Local Government Act 2002 or the Local Government Official Information and Meetings Act 1987.

3.7 Quasi-judicial proceedings

For quasi-judicial proceedings the local authority or community board may amend meeting procedures. For example, committees hearing applications under the RMA 1991 have additional powers under the Commissions of Inquiry Act 1908.

3.8 Physical address of members

Every member of a local authority and community board must give to the chief executive a physical residential or business address within the district or region of the local authority and, if desired, an electronic or other address, to which notices and material relating to meetings and local authority business may be sent or delivered. Members are to provide their address within 5 working days of the publication of the declaration of the election results.

4. Meetings

4.1 Legal requirement to hold meetings

The local authority must hold meetings for the good government of its city, district or region. The same requirement applies to community boards in respect of their communities. Meetings must be called and conducted in accordance with:

(a) Schedule 7 of the LGA 2002;
(b) Part 7 of LGOIMA; and
(c) These standing orders.

A meeting can be adjourned to a specified time and day if required by resolution of the meeting.

4.2 Meeting duration

A Council meeting cannot continue more than ten hours from when it starts (including any adjournments) or after 10.30pm, unless the meeting resolves to continue. If there is no such resolution any business on the agenda that has not been dealt with must be adjourned, transferred to the next meeting or transferred to an extraordinary meeting.
No meeting can sit for more than three hours continuously without a break of at least ten minutes unless the meeting resolves to extend the time before a break.

4.3 Language

A member may address a meeting in English, te reo Māori or New Zealand Sign Language. A Chairperson may require that a speech is translated and printed in English or te reo Māori.

If a member intends to address the meeting in New Zealand Sign Language, or in te reo Māori when the normal business of the meeting is conducted in English, they must give prior notice to the Chairperson not less than 2 working days before the meeting. Where the normal business of the meeting is conducted in te reo Māori then prior notice of the intention to address the meeting in English must also be given to the Chairperson not less than 2 working days before the meeting.

4.4 First meeting (inaugural)

The first meeting of a local authority following a local authority triennial general election must be called by the chief executive as soon as practicable after the results of the election are known. The chief executive must give elected members not less than 7 days’ notice of the meeting. However in the event of an emergency the chief executive may give notice of the meeting as soon as practicable.

cl. 21(1) - (4), Schedule 7, LGA 2002.

4.5 Requirements for the first meeting

The chief executive (or, in the absence of the chief executive, their nominee) must chair the first meeting until the Chairperson has made an oral declaration and attested the declaration (see cl. 21(4), Schedule 7 (LGA 2002)).

The business to be conducted at the first meeting following a general election must include the following:

(a) The making and attesting of the declarations required of the mayor (if any) and members under cl.14, Schedule 7, (LGA 2002), and
(b) The election of the Chairperson (if any) and the making and attesting of the declaration required of the Chairperson under cl. 14 Schedule 7, (LGA 2002), and
(c) A general explanation, given or arranged by the chief executive, of:
   i. LGOIMA; and
   ii. Other laws affecting members, including the appropriate provisions of the Local Authorities (Members Interests) Act 1968; and sections 99, 105, and 105A of the Crimes Act 1961; and the Secret Commissions Act 1910; and the Financial Markets Conduct Act 2013;
(d) The fixing of the date and time of the first meeting of the local authority, or the adoption of a schedule of meetings; and
(e) The election of the deputy Mayor or deputy Chairperson in accordance with cl.17 Schedule 7, (LGA 2002).
It is common for councils to adopt standing orders at the first meeting; however this is not always necessary as, if not amended, standing orders will remain in force after each triennial election.

Please note that the election of a deputy mayor is not required if the Mayor has already made the appointment under s. 41A (3)(a) of the LGA 2002 prior to the meeting. Nothing limits a territorial authority from removing a deputy Mayor from office in accordance with cl.18 of Schedule 7 LGA 2002.

5. Appointments and elections

5.1 Mayoral appointment of deputy Mayor, committee chairs and members

A Mayor may appoint the deputy Mayor, the Chairperson and the members of each committee of the territorial authority. The names of any appointments made by the Mayor must be tabled at the first meeting of the council after the appointments are made. The Mayor may also appoint him or her self.

s. 41A (3) LGA 2002.

5.2 Council Discharge of a Mayoral Appointment

Nothing, however, limits or prevents a territorial authority from discharging a deputy Mayor, a Committee Chairperson or a member of a committee appointed by the Mayor. Any decision by the territorial authority to discharge a deputy Mayor shall follow the procedure in Standing Order 5.5.

If the Mayor declines to appoint a deputy Mayor or committee Chairpersons in accordance with s.41A LGA 2002, the council (or a committee, if so directed by the council) must elect those positions in accordance with standing order 5.4.

cl. 31, Schedule 7 LGA 2002

5.3 Establishment of committees by the Mayor

The Mayor may establish committees of the territorial authority. Where a Mayor exercises this right a list of the committees and their terms of reference must be tabled at the next following meeting of the Council. Should the Mayor decline to establish committees under s. 41A then any decision to establish committees must follow the processes set out in these standing orders.

Nothing, however, limits or prevents a territorial authority from discharging or reconstituting, in accordance with cl. 30 of Schedule 7, LGA 2002, a committee established by the Mayor or appointing, more committees in addition to any established by the Mayor.
s. 41A (3) and (4) LGA 2002.

5.4 Elections of deputy Mayors, Chairpersons and deputy Chairpersons

The council (or a committee responsible for making the appointment) must decide by resolution to use one of two voting systems (see standing order 5.6) when electing people to the following positions:

- the deputy Mayor;
- the Chairperson and deputy Chairperson of a committee; and
- a representative of a local authority.

Please note, this provision does not apply in situations where a mayor has used their appointment powers under s.41A to appoint a deputy Mayor or committee chairs. See Appendix 7.

cl. 25 Schedule 7, LGA 2002.

5.5 Removal of a deputy Mayor

A deputy Mayor, whether appointed by the Mayor under standing order 5.1 or elected by the council, can only be removed in accordance with cl. 18, Schedule 7, of the LGA 2002. See Appendix 8.

cl. 18, Schedule 7, LGA 2002.

5.6 Voting system for deputy Mayors, committee chairs and deputies

When electing a deputy Mayor, committee chair or deputy chair the local authority must resolve to use one of the following two voting systems.

System A

The candidate will be elected or appointed if he or she receives the votes of a majority of the members of the local authority or committee who are present and voting. This system has the following characteristics:

(a) there is a first round of voting for all candidates;
(b) if no candidate is successful in the first round, there is a second round of voting from which the candidate with the fewest votes in the first round is excluded; and
(c) if no candidate is successful in the second round, there is a third round, and if necessary subsequent rounds, of voting from which, each time, the candidate with the fewest votes in the previous round is excluded.

In any round of voting, if two or more candidates tie for the lowest number of votes, the person to be excluded from the next round is resolved by lot.
System B

The candidate will be elected or appointed if he or she receives more votes than any other candidate. This system has the following characteristics:

(a) there is only one round of voting; and
(b) if two or more candidates tie for the most votes, the tie is resolved by lot.

cl. 25 Schedule 7, LGA 2002.

6. Delegations

6.1 Limits on delegations

Unless clearly stated in the LGA or any other Act, a council may, for the purposes of efficiency and effectiveness, delegate to a committee, subcommittee, subordinate decision-making body, community board, member, or officer of the local authority, any of its responsibilities, duties, or powers except:

(a) the power to make a rate;
(b) the power to make a bylaw;
(c) the power to borrow money, or purchase or dispose of assets, other than in accordance with the long-term plan;
(d) the power to adopt a long-term plan, annual plan, or annual report;
(e) the power to appoint a chief executive;
(f) the power to adopt policies required to be adopted and consulted on under the LGA in association with the long-term plan or developed for the purpose of the local governance statement;
(g) Repealed;
(h) the power to adopt a remuneration and employment policy.

cl. 32 (1) Schedule 7, LGA 2002.

6.2 Committees may delegate

A committee, subcommittee, subordinate decision-making body, community board, member, or officer of the local authority, may delegate any of its responsibilities, duties, or powers to a subcommittee or person, subject to any conditions, limitations, or prohibitions imposed by the body that made the original delegation.

cl. (2) & (3), Schedule 7, LGA 2002.
6.3 Use of delegated powers

The committee, subcommittee, other subordinate decision-making body, community board, or member or officer of the local authority to which or to whom any responsibilities, powers, duties are delegated may, without confirmation by the council, committee or body or person that made the delegation, exercise or perform them in the like manner and with the same effect as the local authority could itself have exercised or performed them.

cl. 32(2) & (3)(4) Schedule 7, LGA 2002.

6.4 Decisions made under delegated authority cannot be rescinded or amended

Nothing in these standing orders allows a council, committee and subcommittee to rescind or amend a lawfully made decision of a subordinate decision-making body carried out under a delegation authorising the making of that decision. The same requirement applies to a community board in relation to any committees or subcommittees with delegated authority.

cl. 30 (6), Schedule 7, LGA 2002.

6.5 Committees and sub committees subject to the direction of the local authority

A committee, subcommittee or other subordinate decision-making body is subject in all things to the control of the local authority, and must carry out all general and special directions of the local authority given to them.

cl. 30 (3) & (4), Schedule 7, LGA 2002.

6.6 Duty to consider delegations to community boards

The council of a territorial authority must consider whether or not to delegate to a community board if the delegation would enable the community board to best achieve its role.

cl. 32(6) Schedule 7, LGA 2002.

6.7 Delegations related to bylaws and other regulatory matters

A local authority may delegate to any other local authority, organisation, or person the enforcement, inspection, licensing, and administration related to bylaws and other regulatory matters.

(cl. 32(5) Schedule 7, LGA)
7. Committees

7.1 Appointment of committees and subcommittees

A council may appoint the committees, subcommittees, and other subordinate decision-making bodies that it considers appropriate. A committee may appoint the subcommittees that it considers appropriate, unless it is prohibited from doing so by the council.

cl. 30(1) & (2), Schedule 7, LGA 2002.

7.2 Discharge or reconstitution of committees and subcommittees

Unless expressly provided otherwise in legislation or regulation:

(a) a local authority may discharge or reconstitute a committee or subcommittee, or other subordinate decision-making body; and

(b) a committee may discharge or reconstitute a subcommittee.

A committee, subcommittee, or other subordinate decision-making body is, unless a council resolves otherwise, discharged when members elected at a subsequent triennial general election come into office.

cl. 30 (5) & (7), Schedule 7, LGA 2002.

Please note: s.12 (2) of the Civil Defence and Emergency Management Act 2002 states that a Civil Defence and Emergency Management Group is not deemed to be discharged following a triennial election.

7.3 Appointment or discharge of committee members and subcommittee members

A council may appoint or discharge any member of a committee and, if established by the council, a subcommittee. A committee may appoint or discharge any member of a subcommittee appointed by the committee unless directed otherwise by the council.

cl. 31 (1) & (2), Schedule 7, LGA 2002

7.4 Committees and subordinate decision-making bodies subject to direction of local authority

A committee or other subordinate decision-making body is subject in all things to the control of the local authority, and must carry out all general and special directions of the local authority given in relation to the committee or other body or the affairs of the committee or other body. A subcommittee is subject in all things to the control of the committee that appointed it, and must carry out all general and special directions of the committee given in relation to the subcommittee
or its affairs. Nothing in this (standing order) entitles a local authority or committee to rescind or amend a decision made under a delegation authorising the making of a decision by a committee, a subcommittee, or another subordinate decision-making body.

(cl. 30(3), (4) & (6), Schedule 7, LGA)

7.5 Elected members on committees and subcommittees

The members of a committee or subcommittee may be, but are not required to be, elected members of a local authority. A council or committee may appoint a person who is not a member of the local authority to a committee or subcommittee if, in the opinion of the council or committee, the person has the skills, attributes or knowledge to assist the committee or subcommittee.

At least one member of a committee must be an elected member of the council. In the case of a committee established by a community board at least one member must be a member of that board. A staff member of the local authority, in the course of their employment, can be a member of a subcommittee but not a committee.

cl. 31(4) Schedule 7, LGA 2002.

7.6 Local authority may replace members if committee not discharged

If a local authority resolves that a committee, subcommittee or other subordinate decision-making body is not to be discharged under cl. 30 (7) Schedule7, LGA 2002, the local authority may replace the members of that committee, subcommittee or subordinate decision-making body after the next triennial general election of members.

cl. 31(5) Schedule 7, LGA 2002.

7.7 Minimum numbers on committees and subcommittees

The minimum number of members is three for both committees and subcommittees.

(cl. 31(6), Schedule 7, LGA)

7.8 Membership of Mayor

The Mayor is a member of every committee of the local authority.

s. 41A (5), LGA 2002.

7.9 Ex Officio Member

The chairperson or any member of the local authority may be appointed an ex-officio member of any committee other than a community board or a quasi-judicial committee.
7.10 **Decision not invalid despite irregularity in membership**

For the purpose of these standing orders a decision of a local authority, committee and community board is not invalidated if:

1. there is a vacancy in the membership of the local authority, committee, local or community board at the time of the decision; or
2. following the decision some defect in the election or appointment process is discovered and/or that the membership of a person on the committee at the time is found to have been ineligible.

*cl. 29, Schedule 7, LGA 2002.*

7.11 **Appointment of joint committees**

A local authority may appoint a joint committee with another local authority or other public body if it has reached agreement with each local authority or public body. The agreement must specify:

(a) the number of members each party may appoint; and
(b) how the Chairperson and deputy Chairperson are to be appointed; and
(c) the terms of reference of the committee; and
(d) what responsibilities, if any, are to be delegated to the committee by each party; and
(e) how the agreement may be varied.

The agreement may also specify any other matter relating to the appointment, operation, or responsibilities of the committee agreed by the parties.

*cl. 30A (1) & (2), Schedule 7, LGA 2002.*

7.12 **Status of joint committees**

A joint committee is deemed to be both a committee of a council and a committee of each other participating local authority or public body.

*cl. 30A (5), Schedule 7, LGA 2002.*

7.13 **Power to appoint or discharge individual members of a joint committee**

The power to discharge any individual member of a joint committee and appoint another member in their stead must be exercised by the council or public body that made the appointment and

(a) The meeting quorum is as outlined in 10.3 and
(b) The committee may appoint and remove its own chairperson or deputy chairperson.

*cl. 30A (6)(a), Schedule 7, LGA 2002.*
Pre-meeting

8. Giving notice

Please note; the processes described in this section (standing orders 8.1 – 8.13) apply as appropriate to community boards.

8.1 Public notice – ordinary meetings

All meetings scheduled for the following month must be publicly notified not more than 14 days and not less than 5 days before the end of every month, together with the dates on which and the times and places at which those meetings are to be held. In the case of meetings held on or after the 21st day of the month public notification must be given not more than 10 nor less than 5 working days before the day on which the meeting is to be held.

s. 46, LGOIMA.

8.2 Notice to members - ordinary meetings

The chief executive must give notice in writing to each member of the local authority of the time and place of any meeting. Notice must be given at least 14 days before the meeting unless the council has adopted a schedule of meetings, in which case notice must be given at least 14 days before the first meeting on the schedule.

cl. 19 (5), Schedule7, LGA 2002.

8.3 Extraordinary meeting may be called

An extraordinary council meeting may be called by:

(a) resolution of the council, or
(b) a requisition in writing delivered to the chief executive which is signed by:
   i. the Mayor or Chairperson, or
   ii. no less than one third of the total membership of the council (including vacancies).

cl. 22 (1) Schedule 7, LGA 2002.

8.4 Notice to members - extraordinary meetings

Notice in writing of the time and place of an extraordinary meeting called under standing order 8.3 and of the general nature of business to be considered must be given by the chief executive to each member of the council at least 3 working days before the day appointed for the meeting. If the meeting is called by a resolution then notice must be provided within such lesser period as is specified in the resolution, as long as it is not less than 24 hours.

cl. 22 (3), Schedule7, LGA 2002.
8.5 Public notice - extraordinary meetings

Where an extraordinary meeting of a local authority was called and notice of that meeting was inconsistent with these standing orders the local authority must, as soon as practicable following the meeting, give public notice stating that:

(a) the meeting has occurred;
(b) the general nature of business transacted; and
(c) the reasons why it was not correctly notified.

s. 46 (3) & (4), LGOIMA.

8.6 Process for calling an extraordinary meeting at an earlier time

If the nature of business requires a meeting to be held at an earlier time than is allowed by the notice requirements specified in standing order 8.4, a meeting may be called by the Mayor or Chairperson, or if the Mayor and Chairperson are not available, the chief executive.

cl. 22 (2) Schedule 7, LGA 2002.

8.7 Notification of extraordinary meetings held at an earlier time

Notice of the time, place and matters to be considered of a meeting called under Standing Order 8.6, must be given by the person calling the meeting or by another person on that person’s behalf. Notice must be given to each member of the council and the chief executive by whatever means is reasonable in the circumstances and at least 24 hours before the time appointed for the meeting.

cl. 22 (4), Schedule 7 LGA 2002.

8.8 Chief executive may make other arrangements

The chief executive is to make any other arrangement for the notification of meetings, including extraordinary meetings, as the local authority may, from time to time, determine.

s. 46(5) LGOIMA.

8.9 Meetings not invalid

The failure to notify a public meeting under these standing orders does not of itself make that meeting invalid. However, where a local authority becomes aware that a meeting has been incorrectly notified it must, as soon as practicable, give public notice stating:

- that the meeting occurred without proper notification;
- the general nature of the business transacted; and
- the reasons why the meeting was not properly notified.

s. 46 (6), LGOIMA.
8.10 Resolutions passed at an extraordinary meeting

A local authority must, as soon as practicable, publicly notify any resolution passed at an extraordinary meeting of the local authority unless -

(a) the resolution was passed at a meeting or part of a meeting from which the public was excluded; or

(b) the extraordinary meeting was publicly notified at least 5 working days before the day on which the meeting was held.

s. 51A, LGOIMA.

8.11 Meeting schedules

Where the local authority adopts a meeting schedule it may cover any period that the council considers appropriate and may be amended. Notification of the schedule, or an amendment, will constitute notification to members of every meeting on the schedule or the amendment. This does not replace the requirements under LGOIMA to also publicly notify each meeting.

8.12 Non-receipt of notice to members

A meeting of a local authority is not invalid if notice of that meeting was not received, or not received in due time, by a member of the local authority or board unless:

(a) it is proved that the person responsible for giving notice of the meeting acted in bad faith or without reasonable care; and

(b) the member concerned did not attend the meeting.

A member of a local authority may waive the need to be given notice of a meeting.

cl. 20 (1) & (2) Schedule 7, LGA 2002.

8.13 Meeting cancellations

The Chairperson of a scheduled meeting may cancel the meeting if, in consultation with the chief executive, they consider this is necessary for reasons that include lack of business, lack of quorum or clash with another event.

The chief executive must make a reasonable effort to notify members and the public as soon as practicable of the cancellation and the reasons behind it.
9. **Meeting agenda**

9.1 **Preparation of the agenda**

It is the chief executive’s responsibility to prepare an agenda for each meeting listing and attaching information on the items of business to be brought before the meeting so far as is known, including the names of the relevant members.

When preparing business items for an agenda the chief executive should consult the Chairperson.

9.2 **Order of business**

At the meeting the business is to be dealt with in the order in which it stands on the agenda unless the Chairperson, or the meeting, decides otherwise. An example of a default order of business is set out in Appendix 9.

The order of business for an extraordinary meeting must be limited to items that are relevant to the purpose for which the meeting has been called.

9.3 **Chairperson’s recommendation**

A Chairperson, either prior to the start of the meeting and/or at the meeting itself, may include a recommendation regarding any item on the agenda brought before the meeting. Where a Chairperson’s recommendation varies significantly from an officer’s recommendation the reason for the variation must be explained.

9.4 **Chairperson’s report**

The Chairperson of a meeting has the right, through a report, to direct the attention of a meeting to any matter which is on the agenda or which falls within the responsibilities of that meeting.

9.5 **Public availability of the agenda**

All information provided to members at a local authority or community board meeting must be publicly available except where an item included in the agenda refers to a matter reasonably expected to be discussed with the public excluded.

s. 5 & 46A, LGOIMA.

9.6 **Public inspection of agenda**

Any member of the public may, without payment of a fee, inspect, during normal office hours and within a period of at least 2 working days before a meeting, all agendas and associated reports circulated to members of the local authority and community boards relating to that meeting. The agenda:
(a) must be available for inspection at the public offices of the local authority (including service centres), at public libraries under the authority’s control and on the council’s website, and:

(b) must be accompanied by either:

i. the associated reports; or

ii. a notice specifying the places at which the associated reports may be inspected.

s. 46A (1), LGOIMA.

9.7 Agenda to be made available to public who are at meetings

Additional copies of the agenda and further particulars indicating the nature of the items to be discussed must be available at meetings in sufficient numbers to enable any spare copies to be provided for members of the public to take away with them free of charge.

(s. 49, LGOIMA)

9.8 List of committee members publicly available

The members of each committee are to be named on the relevant agenda.

9.9 Withdrawal of agenda items

If justified by circumstances an agenda item may be withdrawn by the chief executive. In the event of an item being withdrawn the chief executive should inform the Chairperson.

9.10 Distribution of the agenda

The chief executive must send the agenda to every member of a meeting at least two clear working days before the day of the meeting, except in the case of an extraordinary meeting (see Standing Order 8.4).

The chief executive may send the agenda, and other materials relating to the meeting or other council business, to members by electronic means.

9.11 Status of agenda

No matter on a meeting agenda, including recommendations, may be considered final until determined by formal resolution of that meeting.

9.12 Items of business not on the agenda which cannot be delayed

A meeting may deal with an item of business that is not on the agenda where the meeting resolves to deal with that item and the Chairperson provides the following information during the public part of the meeting:
(a) the reason the item is not on the agenda; and
(b) the reason why the discussion of the item cannot be delayed until a subsequent meeting.

s. 46A (7), LGOIMA

Items not on the agenda may be brought before the meeting through a report from either the chief executive or the Chairperson.

Please note that nothing in this standing order removes the requirement to meet the provisions of Part 6, LGA 2002 with regard to consultation and decision-making.

9.13 Discussion of minor matters not on the agenda

A meeting may discuss an item that is not on the agenda only if it is a minor matter relating to the general business of the meeting and the Chairperson explains at the beginning of the public part of the meeting that the item will be discussed. However, the meeting may not make a resolution, decision or recommendation about the item, except to refer it to a subsequent meeting for further discussion.

s. 46A (7A), LGOIMA.

9.14 Public excluded business on the agenda

Items that are likely to be discussed under public excluded must be indicated on each agenda and state the general subject of the item. The chief executive, however, may exclude public access to any reports, or parts of reports, which are reasonably expected to be discussed with the public excluded.

s. 46A (9), LGOIMA.

9.15 Qualified privilege relating to agenda and minutes

Where any meeting is open to the public and a member of the public is supplied with a copy of the agenda, or the minutes of that meeting, the publication of any defamatory matter included in the agenda or in the minutes is privileged. This does not apply if the publication is proved to have been made with ill will or improper advantage has been taken of the publication.

s. 52, LGOIMA.
Meeting Procedures

Opening and closing

Local authorities and community boards may, at the start of a meeting, choose to recognise the civic importance of the occasion through some form of reflection. This could be an expression of community values, a reminder of the contribution of members who have gone before or a formal welcome, such as a mihi whakatau. Options for opening a meeting could include a karakia timi tanga, mihi whakatau, or powhiri as well as a karakia whakamutunga to close a meeting where appropriate.

10. Quorum

10.1 Councils

The quorum for a meeting of the council is:

(a) half of the members physically present, where the number of members (including vacancies) is even; and

(b) a majority of the members physically present, where the number of members (including vacancies) is odd.

cl. 23 (3)(a) Schedule 7, LGA 2002.

10.2 Committees and subcommittees

A council sets the quorum for its committees and subcommittees, either by resolution or by stating the quorum in the terms of reference. Committees may set the quorums for their subcommittees by resolution provided that it is not less than two members.

In the case of subcommittees the quorum will be two members unless otherwise stated. In the case of committees at least one member of the quorum must be a member of the council, or if established by a community board, the relevant board.

cl. 23 (3)(b) Schedule 7, LGA 2002.

10.3 Joint Committees

The quorum at a meeting of a joint committee must be consistent with Standing Order 10.1. Local authorities participating in the joint committee may decide, by agreement, whether or not the quorum includes one or more members appointed by each local authority or any party.

cl. 30A (6)(c) Schedule 7, LGA 2002.
10.4  **Requirement for a quorum**

A meeting is constituted where a quorum of members is present, whether or not they are all voting or entitled to vote. In order to conduct any business at a meeting, a quorum of members must be present for the whole time that the business is being considered.

*cl. 23(1) & (2) Schedule 7, LGA 2002.*

10.5  **Meeting lapses where no quorum**

A meeting must lapse, and the Chairperson vacate the chair, if a quorum is not present within 15 minutes of the advertised start of the meeting.

No business may be conducted while waiting for the quorum to be reached. Minutes will record when a meeting lapses due to a lack of a quorum, along with the names of the members who attended.

10.6  **Business from lapsed meetings**

Where meetings lapse the remaining business will be adjourned and be placed at the beginning of the agenda of the next ordinary meeting, unless the Chairperson sets an earlier meeting and this is notified by the chief executive.

10.7  **Exclusions for meetings at which no resolutions or decisions are made**

For the avoidance of doubt, these standing orders only apply to decision making meetings and do not apply to any non-decision making meeting of the local authority which has been properly constituted as a meeting under the Local Government Act 2002 or the Local Government Official Information and Meetings Act 1987.

11.  **Public access and recording**

11.1  **Meetings open to the public**

Except as otherwise provided by Part 7 of LGOIMA, every meeting of the local authority, its committees, subcommittees, and community boards, must be open to the public.

*s.47 & 49(a), LGOIMA.*

11.2  **Grounds for removing the public**

The Chairperson may require any member of the public whose conduct is disorderly, or who is creating a disturbance, to be removed from the meeting.
If any member of the public who is required in accordance with Standing Orders to leave a meeting, refuses or fails to leave the meeting or, having left the meeting, attempts to re-enter the meeting without the permission of the chairperson, any police officer or employee of the local authority may, at the request of the chairperson, remove or exclude that member of the public from the meeting.

11.3 Local authority may record meetings

Meeting venues should contain clear signage indicating and informing members, officers and the public that proceedings may be recorded by the local authority and may be subject to direction by the Chairperson.

11.4 Public may record meetings

Members of the public may make electronic or digital recordings of meetings which are open to the public. Any recording of meetings must be notified to the Chairperson at the commencement of the meeting to ensure that the recording does not distract the meeting from fulfilling its business.

Where circumstances require the Chairperson may stop the recording for a period of time.

12. Attendance

12.1 Members right to attend meetings

A member of a local authority, or of a committee of a local authority, has, unless lawfully excluded, the right to attend any meeting of the local authority or committee.

*cl. 19(2), Schedule 7, LGA 2002.*

If the member of the local authority is not an appointed member of the meeting at which they are in attendance they may not vote on any matter at that meeting. However, they may, with the leave of the chair, take part in the meeting’s discussions.

A member attending a meeting of which they are not an appointed member is not a member of the public for the purpose of s.48 LGOIMA. Consequently, if the meeting resolves to exclude the public any members of the local authority who are present may remain unless they are lawfully excluded.

Please note: this section does not confer any rights to non-elected members appointed to committees of a local authority.

12.2 Attendance when a committee is performing judicial or quasi-judicial functions

When a committee is performing judicial or quasi-judicial functions members of the local authority who are not members of that committee are not entitled to take part in the proceedings.
12.3 Leave of absence

A council or community board may grant a member leave of absence following an application from that member.

In addition a council or community board may delegate the power to grant a leave of absence to the Chairperson in order to protect a member’s privacy. The Chairperson will advise all members of the council or community board whenever a member has been granted leave of absence under delegated authority. Meeting minutes will record that a member has leave of absence as an apology for that meeting.

12.4 Apologies

A member who does not have leave of absence may tender an apology should they be absent from all or part of a meeting. The Chairperson must invite apologies at the beginning of each meeting, including apologies for lateness and early departure. The meeting may accept or decline any apologies.

For clarification, the acceptance of a member’s apology constitutes a grant of ‘leave of absence’ for that meeting.

12.5 Recording apologies

The minutes will record any apologies tendered before or during the meeting, including whether they were accepted or declined and the time of arrival and departure of all members.

12.6 Absent without leave

Where a member is absent from the council or community board for four consecutive meetings without leave of absence (not including extraordinary meetings) then the office held by the member will become vacant. A vacancy created in this way is treated as an extraordinary vacancy.

cl. 5 (d) Schedule 7, LGA 2002.

13. Chairperson’s role in meetings

13.1 Council meetings

The Mayor or Chairperson of the council or community board must preside at meetings of the council or board unless they vacate the chair for a part or all of a meeting. If the Chairperson is absent from a meeting or vacates the chair, the deputy Mayor/chair must act as Chairperson. If the deputy Mayor/chair is also absent the local authority members who are present must elect a member to be Chairperson at that meeting. This person may exercise the meeting responsibilities, duties and powers of the Mayor/Chairperson for that meeting. This provision also applies to committees and subcommittees.

cl. 26(1), (5) & (6) Schedule 7, LGA 2002.

13.2 Committee meetings

The appointed Chairperson of a committee must preside at all committee meetings, unless they vacate the chair for a particular meeting or part of a meeting. If the Chairperson is absent from a meeting or vacates the chair, the deputy Chairperson (if any) will act as Chairperson. If the deputy Chairperson is also absent, or has not been appointed, the committee members who are present must elect a member to act as Chairperson at that meeting who may exercise the meeting responsibilities, duties and powers of the Chairperson.

This standing order also applies to subcommittees and subordinate decision-making bodies.

cl. 26(2), (5) & (6), schedule 7 LGA 2002.

13.3 Addressing the Chairperson

Members will address the Chairperson in a manner that the Chairperson has determined.

13.4 Chairperson’s rulings

The Chairperson will decide all procedural questions where insufficient provision is made by these standing orders and with regard to all points of order. Any refusal to obey a Chairperson’s ruling or direction constitutes contempt.

13.5 Chairperson standing

Whenever the Chairperson stands during a debate members are required to sit down and be silent so that they can hear the Chairperson without interruption.

13.6 Member’s right to speak

Members are entitled to speak in accordance with these standing orders. Members should address the Chairperson when speaking. They may not leave their place while speaking, unless they have the leave of the Chairperson.

13.7 Chairperson may prioritise speakers

When two or more members want to speak the Chairperson will name the member who may speak first. Other members who wish to speak have precedence where they intend to:

(a) raise a point of order, including a request to obtain a time extension for the previous speaker; and/or
(b) move a motion to terminate or adjourn the debate; and/or
(c) make a point of explanation; and/or
(d) request the chair to permit the member a special request.
14. **Public Forums**

Public forums are a defined period of time, usually at the start of a meeting, which, at the discretion of a meeting, is put aside for the purpose of public input. Public forums are designed to enable members of the public to bring matters to the attention of the local authority.

In the case of a committee, subcommittee, local or community board, any issue, idea or matter raised in a public forum must also fall within the terms of reference of that meeting.

14.1 **Time limits**

A period of up to 30 minutes, or such longer time as the meeting may determine, will be available for the public forum at each scheduled local authority meeting. Requests must be made to the meeting secretary at least one clear day before the meeting; however this requirement may be waived by the Chairperson.

Speakers can speak for up to 5 minutes. No more than two speakers can speak on behalf of an organisation during a public forum. Where the number of speakers presenting in the public forum exceeds 6 in total, the Chairperson has discretion to restrict the speaking time permitted for all presenters.

14.2 **Restrictions**

The Chairperson has the discretion to decline to hear a speaker or to terminate a presentation at any time where:

- a speaker is repeating views presented by an earlier speaker at the same public forum;
- the speaker is criticising elected members and/or staff;
- the speaker is being repetitious, disrespectful or offensive;
- the speaker has previously spoken on the same issue;
- the matter is subject to legal proceedings;
- the matter is subject to a hearing, including the hearing of submissions where the local authority or committee sits in a quasi-judicial capacity.

14.3 **Questions at public forums**

At the conclusion of the presentation, with the permission of the Chairperson, elected members may ask questions of speakers. Questions are to be confined to obtaining information or clarification on matters raised by a speaker.

14.4 **No resolutions**

Following the public forum no debate or decisions will be made at the meeting on issues raised during the forum unless related to items already on the agenda.
15. **Deputations**

The purpose of a deputation is to enable a person, group or organisation to make a presentation to a meeting on a matter or matters covered by that meeting’s terms of reference. Deputations are approved by the Chairperson or an official with delegated authority.

15.1 **Deputations where heard**

Deputations may be received by the local authority or any of its committees provided an application for admission setting forth the subject has been lodged with the Chief Executive or Governance Staff at least two working days before the date of the meeting concerned, and has been subsequently approved by the Chairperson. The Chairperson may refuse requests for deputations which are repetitious or offensive.

15.2 **Urgency or major public interest**

Notwithstanding Standing Order 15.1 where in the opinion of the chairperson the matter which is the subject of a deputation is one of urgency or major public interest, the chairperson may determine that the deputation be received.

15.3 **Time limits**

Speakers can speak for up to 10 minutes. No more than two speakers can speak on behalf of an organisation’s deputation.

15.4 **Restrictions**

The Chairperson has the discretion to decline to hear or terminate a deputation at any time where:

- a speaker is repeating views presented by an earlier speaker at the meeting;
- the speaker is criticising elected members and/or staff;
- the speaker is being repetitious, disrespectful or offensive;
- the speaker has previously spoken on the same issue;
- the matter is subject to legal proceedings;
- the matter is subject to a hearing, including the hearing of submissions where the local authority or committee sits in a quasi-judicial capacity.

15.5 **Questions of a deputation**

At the conclusion of the deputation members may, with the permission of the Chairperson, ask questions of speakers. Questions are to be confined to obtaining information or clarification on matters raised by the deputation.
15.6 Resolutions

Any debate on a matter raised in a deputation must occur at the time at which the matter is scheduled to be discussed on the meeting agenda, and once a motion has been moved and seconded.

16. Petitions

16.1 Form of petitions

Petitions may be presented to the local authority or any of its committees or community boards. Petitions must contain at least 20 signatures and consist of fewer than 100 words (not including signatories).

Petitions must not be disrespectful, use offensive language or include malicious statements (see standing order 19.9 on qualified privilege). They may be written in English or te reo Māori. Petitioners planning to make a petition in te reo Māori or sign language should advise the relevant Chairperson at least two working days before the meeting to enable the petition be translated and reprinted, if necessary.

16.2 Petition presented by petitioner

A petitioner who presents a petition to the local authority or any of its committees and subcommittees or community boards, may speak for 5 minutes (excluding questions) about the petition, unless the meeting resolves otherwise. The Chairperson must terminate the presentation of the petition if he or she believes the petitioner is being disrespectful, offensive or making malicious statements.

Where a petition is presented as part of a deputation or public forum the speaking time limits relating to deputations or public forums shall apply.

16.3 Petition presented by member

Members may present petitions on behalf of petitioners. In doing so, members must confine themselves to presenting:

(a) the petition;
(b) the petitioners’ statement; and
(c) the number of signatures.
17. **Exclusion of public**

17.1 **Motions and resolutions to exclude the public**

Members of a meeting may resolve to exclude the public from a meeting. The grounds for exclusion are those specified in **section 48 of LGOIMA** (see Appendix 1).

Every motion to exclude the public must be put while the meeting is open to the public, and copies of the motion must be available to any member of the public who is present. If the motion is passed the resolution to exclude the public must be in the form set out in **schedule 2A of LGOIMA** (see Appendix 2). The resolution must state:

(a) the general subject of each matter to be excluded;
(b) the reason for passing the resolution in relation to that matter; and
(c) the grounds on which the resolution is based.

The resolution will form part of the meeting’s minutes.

**s. 48 LGOIMA.**

17.1 (A) **Code of Conduct Committee**

Should a Code of Conduct Committee be called, the Chairperson has the right to exclude elected members that are not directly involved in the Committee, based on LGOIMA reasons related to privacy of natural persons.

ie: The only persons recommended to be present at a Code of Conduct Committee is the committee panel (consisting of four elected members), the elected member whom any complaint has been laid against and the Chief Executive and minute taker. It is the discretion of the Committee Chair as to the presence of the Mayor or any other elected member for specific portions of the meeting that may directly relate to specific aspects of the hearing.

17.2 **Specified people may remain**

Where a meeting resolves to exclude the public, the resolution may provide for specified persons to remain if, in the opinion of the meeting, they will assist the meeting to achieve its purpose. Any such resolution must state, in relation to the matter to be discussed, how the knowledge held by the specified people is relevant and be of assistance.

No such resolution is needed for people who are entitled to be at the meeting, such as relevant staff and officials contracted to the council for advice on the matter under consideration.

**s.48 (6) LGOIMA.**
17.3 Public excluded items

The chief executive must place in the public-excluded section of the agenda any items that he or she reasonably expects the meeting to consider with the public excluded. The public excluded section of the agenda must indicate the subject matter of the item and the reason the public are excluded.

s.46A (8) LGOIMA.

17.4 Non-disclosure of information

No member or officer may disclose to any person, other than another member, officer or person authorised by the chief executive, any information that has been, or will be, presented to any meeting from which the public is excluded, or proposed to be excluded.

This restriction does not apply where a meeting has resolved to make the information publicly available or where the chief executive has advised, in writing, that one or both of the following apply:

(a) there are no grounds under LGOIMA for withholding the information;
(b) the information is no longer confidential.

17.5 Release of information from public excluded session

A local authority may provide for the release to the public of information which has been considered during the public excluded part of a meeting.

Each public excluded meeting must consider and agree by resolution, what, if any, information will be released to the public. In addition the chief executive may release information which has been considered at a meeting from which the public has been excluded where it is determined the grounds to withhold the information no longer exist. The chief executive will inform the subsequent meeting of the nature of the information released.

18. Voting

18.1 Decisions by majority vote

Unless otherwise provided for in the LGA 2002, other legislation or standing orders, the acts of and questions before a local authority (or community boards) must be decided at a meeting through a vote exercised by the majority of the members of that meeting voting.

cl. 24 (1), Schedule 7, LGA 2002.

18.2 Open voting

An act or question coming before the local authority must be done or decided by open voting.
cl. 24 (3) Schedule 7, LGA 2002.

18.3 Chairperson does not have a casting vote

The Mayor, Chairperson or any other person presiding at a meeting has a deliberative vote and, in the case of an equality of votes, has NO casting vote.

cl. 24 (2) Schedule 7, LGA 2002.

18.4 Method of voting

The method of voting must be as follows:

(a) the Chairperson in putting the motion must call for an expression of opinion on the voices or take a show of hands, the result of either of which, as announced by the Chairperson, must be conclusive unless such announcement is questioned immediately by any member, in which event the Chairperson will call a division;

(b) the Chairperson or any member may call for a division instead of or after voting on the voices and/or taking a show of hands; and

(c) where a suitable electronic voting system is available that system may be used instead of a show of hands, vote by voices or division, and the result displayed notified to the Chairperson who must declare the result.

18.5Calling for a division

When a division is called, the chief executive must record the names of the members voting for and against the motion and abstentions and provide the names to the Chairperson to declare the result. The result of the division must be entered into the minutes and include members’ names and the way in which they voted.

The Chairperson may call a second division where there is confusion or error in the original division.

18.6 Restating the motion

The chairperson may, immediately prior to any vote being taken, request the chief executive or the minute taker to restate the motion upon which the vote is to be taken.

18.7 Request to have votes recorded

If requested by a member immediately after a vote the minutes must record the member’s vote or abstention.

18.8 Members may abstain

Any member may abstain from voting.
19. Conduct

19.1 Calling to order

When the Chairperson calls members to order, they must be seated and stop speaking. If the members fail to do so, the Chairperson may direct that they should leave the meeting immediately for a specified time.

19.2 Disrespect

No member may speak or act in a manner which is disrespectful of other members or inconsistent with the local authority’s Code of Conduct at any meeting.

19.3 Retractions and apologies

In the event of a member or speaker who has been disrespectful of another member or contravened the council’s Code of Conduct, the Chairperson may call upon that member or speaker to withdraw the offending comments, and may require them to apologise. If the member refuses to do so the Chairperson may direct that they should leave the meeting immediately for a specified time and/or make a complaint under the Code of Conduct.

19.4 Disorderly conduct

Where the conduct of a member is disorderly or is creating a disturbance the Chairperson may require that member to leave the meeting immediately for a specified time.

If the disorder continues the Chairperson may adjourn the meeting for a specified time. At the end of this time the meeting must resume and decide, without debate, whether the meeting should proceed or be adjourned.

The Chairperson may also adjourn the meeting if other people cause disorder or in the event of an emergency.

19.5 Contempt

Where a member is subject to repeated cautions by the Chairperson for disorderly conduct the meeting may, should it so decide, resolve that the member is in contempt. Any such resolution must be recorded in the meeting’s minutes.

19.6 Removal from meeting

A member of the police or authorised security personnel may, at the Chairperson’s request, remove or exclude a member from a meeting.

This standing order will apply where the Chairperson has ruled that the member should leave the meeting and the member has refused or failed to do so; or has left the meeting and attempted to re-enter it without the Chairperson’s permission.
19.7 **Financial conflicts of interests**

Every member present at a meeting must declare any direct or indirect financial interest that they hold in any matter being discussed at the meeting, other than an interest that they hold in common with the public.

No member may vote on, or take part in, a discussion about any matter in which they have a direct or indirect financial interest unless an exception set out in s.6 LAMIA applies to them, or the Auditor-General has granted them an exemption or declaration under s.6.

Members with a financial interest should physically withdraw themselves from the table unless the meeting is in public excluded in which case they should leave the room.

Neither the Chairperson nor the meeting may rule on whether a member has a financial interest in the matter being discussed. The minutes must record any declarations of financial interests and the member’s abstention from any discussion and voting on the matter.

s. 6 & 7 LAMIA.

19.8 **Non-financial conflicts of interests**

Non-financial interests always involve questions of judgement and degree about whether the responsibility of a member of a local authority (or local or community board) could be affected by some other separate interest or duty of that member in relation to a particular matter. If a member considers that they have a non-financial conflict of interest in a matter they must not take part in the discussions about that matter or any subsequent vote.

The member must leave the table when the matter is considered, but does not need to leave the room. The minutes must record the declaration and member’s subsequent abstention from discussion and voting.

Neither the Chairperson nor the meeting may rule on whether a member has a non-financial interest in the matter being discussed.

19.9 **Qualified privilege for meeting proceedings**

Any oral statement made at any meeting of the local authority in accordance with the rules adopted by the local authority for guiding its proceedings is privileged, unless the statement is proved to have been made with ill will or took improper advantage of the occasion of publication.

s. 53, LGOIMA.

19.10 **Qualified privilege additional to any other provisions**

The privilege referred to above is in addition to any other privilege, whether absolute or qualified, that applies as a result of any other enactment or rule of law applying to any meeting of the local authority.
s. 53, LGOIMA.

19.11 Electronic devices at meetings

Electronic devices and phones should only be used to support the business of the meeting. Where personal use is unforeseen prior to the meeting, members should seek permission from the chair to leave the meeting to deal with such matters. It is not deemed good practice or indeed appropriate to convey any aspect of meeting content or decision via personal electronic devices prior to the conclusion of the meeting.

20. General rules of debate

20.1 Chairperson may exercise discretion

The application of any procedural matters in this section of the standing orders, such as the number of times a member may speak, is subject to the discretion of the Chairperson.

20.2 Time limits on speakers

The following time limits apply to members speaking at meetings:

(a) movers of motions when speaking to the motion – not more than 10 minutes;
(b) movers of motions when exercising their right of reply – not more than 5 minutes;
(c) other members – not more than 5 minutes.

Time limits can be extended if a motion to that effect is moved, seconded and supported by a majority of members present.

20.3 Questions to staff

During a debate members can ask staff questions about the matters being discussed. Questions must be asked through the Chairperson and how the question should be dealt with is at the Chairperson’s discretion.

20.4 Questions to be in writing

Questions shall be in writing and handed to the chairperson prior to the commencement of the meeting at which they are to be asked and in time for an appropriate answer to be prepared.

20.5 Questions may be deferred

If an answer to the question cannot be given at that meeting it shall, at the discretion of the Chairperson, be placed on the agenda for the next local authority meeting.

20.6 Questions to be concise
Questions and answers shall be submitted as briefly and concisely as possible. No discussion shall be allowed upon any question or upon the answer.

20.7 Questions of clarification

At any point of a debate a member may ask the Chairperson for clarification about the nature and content of the motion which is the subject of the debate and the particular stage the debate has reached.

20.8 Members may speak only once

A member may not speak more than once to a motion at a meeting of a local authority or any local or community board. This order does not apply to meetings of committees or subcommittees where a member may be permitted to speak twice.

20.9 Limits on number of speakers

If three speakers have spoken consecutively in support of, or in opposition to, a motion, the Chairperson may call for a speaker to the contrary. If there is no speaker to the contrary, the Chairperson must put the motion after the mover’s right of reply.

Members speaking must, if requested by the Chairperson, announce whether they are speaking in support of or opposition to a motion.

20.10 Seconder may reserve speech

A member may second a motion or amendment without speaking to it, reserving the right to speak later in the debate.

20.11 Speaking only to relevant matters

Members may speak to any matter before the meeting; a motion or amendment which they propose; and to raise a point of order arising out of debate, but not otherwise. Members must confine their remarks strictly to the motion or amendment they are speaking to.

20.12 Reading of speeches

Members shall not read their speeches, except with the permission of the chairperson, but may refresh their memory by reference to notes.

20.13 Personal explanation

Notwithstanding Standing Order 20.5, members may make a personal explanation with the permission of the chairperson, provided that the matter is personal to the member, deals with fact and not denigratory in nature. Such matters may not be debated.

20.14 Explanation of previous speech
With the permission of the chairperson, explanation of some material part of a previous speech in the same debate may be given by a member who has already spoken, but new matter may not be introduced.

The Chairperson’s rulings on any matters arising under this standing order are final and not open to challenge.

20.15 Restating motions

At any time during a debate a member may ask, for their information, that the Chairperson restate a motion and any amendments; but not in a manner that interrupts a speaker.

20.16 Criticism of resolutions

A member speaking in a debate may not unduly criticise the validity of any resolution except by a notice of motion to amend or revoke the resolution.

20.17 Objecting to words

When a member objects to any words used by another member in a speech and wants the minutes to record their objection, they must object at the time when the words are used and before any other member has spoken. The Chairperson must order the minutes to record the objection.

20.18 Right of reply

The mover of an original motion has a right of reply. A mover of an amendment to the original motion does not. In their reply, the mover must confine themselves to answering previous speakers and not introduce any new matters.

A mover’s right of reply can only be used once. It can be exercised either at the end of the debate on the original, substantive or substituted motion or at the end of the debate on a proposed amendment.

However, the original mover may reserve their right of reply and speak once to the principal motion and once to each amendment without losing that right of reply. If a closure motion is carried the mover of the motion has the right of reply before the motion or amendment is put to the vote.

20.19 No other member may speak

In exercising a right of reply, no other member may speak:

(a) after the mover has started their reply;
(b) after the mover has indicated that they want to forego this right;
(c) where the mover has spoken to an amendment to the original motion and the Chairperson has indicated that he or she intends to put the motion.
20.20 Adjournment motions

The carrying of any motion to adjourn a meeting must supersede other business still remaining to be disposed of. Any such business must be considered at the next meeting. Business referred to, or referred back to, a specified committee or local or community board, is to be considered at the next ordinary meeting of that committee or board, unless otherwise specified.

20.21 Chairperson’s acceptance of closure motions

The Chairperson may only accept a closure motion where there have been at least two speakers for and two speakers against the motion that is proposed to be closed, or the Chairperson considers it reasonable to do so.

However, the Chairperson must put a closure motion if there are no further speakers in the debate. When the meeting is debating an amendment, the closure motion relates to the amendment. If a closure motion is carried, the mover of the motion under debate has the right of reply after which the Chairperson puts the motion or amendment to the vote.

21. General procedures for speaking and moving motions

21.1 Speaking and moving

• The mover and seconder of a motion cannot move or second an amendment.
• Any members, regardless of whether they have spoken to the original or substituted motion, may move or second an amendment to it.
• The mover or seconder of an amendment that is carried can move or second a subsequent amendment. A mover or seconder of an amendment which is lost cannot move or second a subsequent amendment.
• Members can speak to any amendment and, provided they have not spoken to the main motion or moved or seconded an amendment, they can move or second further amendments.
• The meeting by agreement of the majority of members present may amend a motion with the agreement of the mover and seconder.

21.2 Procedure if no resolution reached

If no resolution is reached the Chairperson may accept a new motion to progress the matter under discussion.
22. Motions and amendments

22.1 Proposing and seconding motions
All motions and amendments moved during a debate must be seconded (including notices of motion). The Chairperson may then state the motion and propose it for discussion.

Amendments and motions that are not seconded are not in order and are not entered in the minutes.

22.2 Motions in writing
The Chairperson may require movers of motions and amendments to provide them in writing, signed by the mover.

22.3 Motions expressed in parts
The Chairperson, or any member, can require a motion that has been expressed in parts to be decided part by part.

22.4 Substituted motion
Where a motion is subject to an amendment the meeting may substitute the motion with the amendment, provided the mover and seconder of the original motion agree to its withdrawal. All members may speak to the substituted motion.

22.5 Amendments to be relevant and not direct negatives
Every proposed amendment must be relevant to the motion under discussion. Proposed amendments cannot be similar to an amendment that has already been lost. Any amendment which, if carried, would have the effect of defeating a previous motion that was carried is a direct negative and is therefore not allowed.

22.6 Foreshadowed amendments
The meeting must dispose of an existing amendment before a new amendment can be foreshadowed. However, members may notify the Chairperson that they intend to move further amendments and the nature of their content.

22.7 Lost amendments
Where an amendment is lost, the meeting will resume the debate on the original or substituted motion. Any member who has not spoken to that motion may speak to it, and may move or second a further amendment.
22.8  **Carried amendments**

Where an amendment is carried the meeting will resume the debate on the original motion as amended. This will now be referred to as the substantive motion. Members who have not spoken to the original motion may speak to the substantive motion, and may move or second a further amendment to it.

22.9  **Where a motion is lost**

In a situation where a motion that recommends a course of action is lost a new motion may be proposed, subject to the agreement of a majority of members present and voting. The new motion must be on a matter that has been previously publicly notified, on the Agenda, for that meeting.

22.10  **Withdrawal of motions and amendments**

Once a motion or amendment which has been seconded has been put to the meeting by the Chairperson the mover cannot withdraw it without the consent of the majority of the members who are present and voting.

The mover of an original motion, which has been subject to an amendment that has been moved and seconded, cannot withdraw the original motion until the amendment has either been lost or withdrawn by agreement, as above.

22.11  **No speakers after reply or motion has been put**

A member may not speak to any motion once:

(a) the mover has started their right of reply in relation to the motion; and
(b) the Chairperson has started putting the motion.

22.12  **Amendment once moved**

When a motion has been moved and seconded, then proposed by the chairperson for discussion, an amendment may be moved or seconded by any member who has not spoken to the motion, whether an original motion or a substituted motion. The mover or seconder of a motion for the adoption of the report of a committee, who desires to amend any item in the report, may also propose or second an amendment.

22.13  **Procedure until resolution**

The procedures in Standing Orders 22.12 and 22.6 must be repeated until a resolution is adopted.

---

**23.  Revocation or alteration of resolutions**
23.1 **Member may move revocation of a decision**

A member may give the chief executive a notice of motion for the revocation or alteration of all or part of a previous resolution of the council, subordinate body or community board. The notice must set out:

(a) The resolution or part of the resolution which the member proposes to revoke or alter;

(b) The meeting date when the resolution was passed;

(c) The motion, if any, which the member proposes to replace it with; and

(d) Sufficient information to satisfy the decision-making provisions of sections 77-82 of the LGA 2002.

If the mover of the notice of motion is unable to provide this information, or the decision is likely to be deemed a significant decision, the notice of motion should provide that the proposal is referred to the chief executive for consideration and report.

A member must give notice to the chief executive at least 5 working days before the meeting at which it is proposed to consider the motion. The notice is to be signed by not less than one third of the members of the local authority, including vacancies. Notice can be sent via email and include the scanned electronic signatures of members.

The Chief Executive must then give members at least two clear working days notice in writing of the intended motion and of the meeting at which it is proposed to move such motion.

23.2 **Revocation must be made by the body responsible for the decision**

If a resolution is made under delegated authority by a committee, subcommittee or subordinate decision-making body or community board, only that body may revoke or amend the resolution, assuming the resolution is legally made.

This provision does not prevent the body that made the delegation from removing or amending a delegation given to a subordinate body or community board.

*cl. 32 (2)4 Schedule 7, LGA 2002.*

23.3 **Restrictions on actions under the affected resolution**

Once a notice of motion to revoke or alter a previous resolution has been received no irreversible action may be taken under the resolution in question until the proposed notice of motion has been dealt with. Exceptions apply where, in the opinion of the Chairperson:

(a) the practical effect of delaying actions under the resolution would be the same as if the resolution had been revoked;

(b) by reason of repetitive notices, the effect of the notice is an attempt by a minority to frustrate the will of the local authority or the committee that made the previous resolution.
In either of these situations, action may be taken under the resolution as though no notice of motion had been given to the chief executive.

23.4 Revocation or alteration by resolution at same meeting

A meeting may revoke or alter a previous resolution made at the same meeting where, during the course of the meeting, it receives fresh facts or information concerning the resolution. In this situation 75 per cent of the members present and voting must agree to the revocation or alteration.

23.5 Revocation or alteration by recommendation in report

The local authority, on a recommendation in a report by the Chairperson, chief executive, or any committee or subcommittee, or community board, may revoke or alter all or part of a resolution passed by a previous meeting. The chief executive must give at least two clear working days’ notice of any meeting that will consider a revocation or alteration recommendation.

cl. 30 (6) Schedule 7, LGA 2002.

Procedural motions

24.1 Procedural motions must be taken immediately

A procedural motion to close or adjourn a debate will take precedence over other business, except points of order and rights of reply. If the procedural motion is seconded the Chairperson must put it to the vote immediately, without discussion or debate.

24.2 Procedural motions to close or adjourn a debate

Any member who has not spoken on the matter under debate may move any one of the following procedural motions to close or adjourn a debate:

(a) that the meeting be adjourned to the next ordinary meeting (unless the member states an alternative time and place);
(b) that the motion under debate should now be put (a closure motion);
(c) that the item being discussed should be adjourned to a specified time and place and not be further discussed at the meeting;
(d) that the item of business being discussed should lie on the table and not be further discussed at this meeting;
(e) that the item being discussed should be referred (or referred back) to the relevant committee or local or community board.

A member seeking to move a procedural motion must not interrupt another member who is already speaking.
24.3 Closure motion on amendment

When an amendment to a motion is under debate, a closure motion relates to the amendment and not to the motion.

24.4 Voting on procedural motions

Procedural motions to close or adjourn a debate must be decided by a majority of all members who are present and voting. If the motion is lost no member may move a further procedural motion to close or adjourn the debate within the next 15 minutes.

24.5 Debate on adjourned items

When debate resumes on items of business that have been previously adjourned all members are entitled to speak on the items.

24.6 Remaining business at adjourned meetings

Where a resolution is made to adjourn a meeting, the remaining business will be considered at the next meeting.

24.7 Other business not superseded

The carrying of any motion to adjourn a meeting shall not supersede other business before the meeting remaining to be disposed of, and such other business is to be considered at the next meeting.

24.8 Business referred to the council, committee or community board

Where an item of business is referred (or referred back) to a committee or a local or community board, the committee or board will consider the item at its next meeting unless the meeting resolves otherwise.

25. Points of order

25.1 Members may raise points of order

Any member may raise a point of order when they believe these standing orders have been breached. When a point of order is raised, the member who was previously speaking must stop speaking and sit down (if standing).
25.2 Subjects for points of order

A member who is raising a point of order must state precisely what its subject is. Points of order may be raised for the following subjects:

(a) disorder – bringing disorder to the attention of the Chairperson;
(b) language – use of disrespectful, offensive or malicious language;
(c) irrelevance – the topic being discussed is not the matter currently before the meeting;
(d) misrepresentation – misrepresentation of any statement made by a member or by an officer or council employee;
(e) breach of standing order – the breach of any standing order while also specifying which standing order is subject to the breach;
(f) request the recording of words, such as a request that the minutes record words that have been the subject of an objection.

25.3 Contradictions

Expressing a difference of opinion or contradicting a statement by a previous speaker does not constitute a point of order.

25.4 Point of order during division

A member may not raise a point of order during a division, except with the permission of the Chairperson.

25.5 Chairperson’s decision on points of order

The Chairperson may decide a point of order immediately after it has been raised, or may choose to hear further argument about the point before deciding. The Chairperson’s ruling on any point of order, and any explanation of that ruling, is not open to any discussion and is final.

26. Notices of motion

26.1 Notice of intended motion to be in writing

Notice of intended motions must be in writing signed by the mover, stating the meeting at which it is proposed that the intended motion be considered, and must be delivered to the chief executive at least 5 clear working days before such meeting. [Notice of an intended motion can be sent via email and include the scanned electronic signature of the mover.]

Once the motion is received the chief executive must give members notice in writing of the intended motion at least 2 clear working days’ notice of the date of the meeting at which it will be considered.

26.2 Refusal of notice of motion

The Chairperson may direct the chief executive to refuse to accept any notice of motion which:
(a) is disrespectful or which contains offensive language or statements made with malice; or
(b) is not related to the role or functions of the local authority or meeting concerned; or
(c) contains an ambiguity or a statement of fact or opinion which cannot properly form part of an effective resolution, and where the mover has declined to comply with such requirements as the chief executive officer may make; or
(d) is concerned with matters which are already the subject of reports or recommendations from a committee to the meeting concerned; or
(e) fails to include sufficient information as to satisfy the decision-making provisions of s.77-82 LGA 2002; or
(f) concerns a matter where decision-making authority has been delegated to a subordinate body or a local or community board.

Reasons for refusing a notice of motion should be provided to the mover. Where the refusal is due to (f) the notice of motion may be referred to the appropriate committee or board.

26.3 Mover of notice of motion

Notices of motion may not proceed in the absence of the mover unless moved by another member authorised to do so, in writing, by the mover.

26.4 Alteration of notice of motion

Only the mover, at the time the notice of motion is moved and with the agreement of a majority of those present at the meeting, may alter a proposed notice of motion. Once moved and seconded no amendments may be made to a notice of motion.

26.5 When notices of motion lapse

Notices of motion that are not put when called by the Chairperson must lapse.

26.6 Referral of notices of motion

Any notice of motion received that refers to a matter ordinarily dealt with by a committee of the local authority or a local or community board must be referred to that committee or board by the chief executive.

Where notices are referred the proposer of the intended motion, if not a member of that committee, must have the right to move that motion and have the right of reply, as if a committee member.

26.7 Repeat notices of motion

When a motion has been considered and rejected by the local authority or a committee, no similar notice of motion which, in the opinion of the Chairperson, may be accepted within the next 12 months, unless signed by not less than one third of all members, including vacancies.
Where a notice of motion has been adopted by the local authority no other notice of motion which, in the opinion of the Chairperson has the same effect, may be put while the original motion stands.

26.8 Second repeat where notice of motion rejected

If such a repeat notice of motion as provided for in Standing Order 26.7 is also rejected by the local authority, any further notice prior to the expiration of the original period of six months must be signed by a majority of all members, including vacancies.

27. Minutes

27.1 Minutes to be evidence of proceedings

The local authority, its committees, subcommittees and any local and community boards must keep minutes of their proceedings. These minutes must be kept in hard copy, signed and included in the council’s minute book and, when confirmed by resolution at a subsequent meeting and signed by the Chairperson, will be prima facie evidence of the proceedings they relate to.

cl. 28 Schedule 7, LGA 2002.

27.2 Matters recorded in minutes

The chief executive must keep the minutes of meetings. The minutes must record:

(a) the date, time and venue of the meeting;
(b) the names of the members present;
(c) the Chairperson;
(d) any apologies or leaves of absences;
(e) the arrival and departure times of members;
(f) any failure of a quorum;
(g) a list of any external speakers and the topics they addressed;
(h) a list of the items considered;
(i) the resolutions and amendments related to those items including those that were lost, provided they had been moved and seconded in accordance with these standing orders;
(j) the names of all movers, and seconders;
(k) any objections made to words used;
(l) all divisions taken and, if taken, a record of each members’ vote;
(m) the names of any members requesting that votes or abstentions be recorded;
(n) any declarations of financial or non-financial conflicts of interest;
(o) the contempt, censure and removal of any members;
(p) any resolutions to exclude members of the public;
(q) the time at which the meeting concludes or adjourns;
(r) the names of people permitted to stay in public excluded.

Please Note: hearings under the RMA, Dog Control Act 1996 and Sale and Supply of Alcohol Act 2012 may have special requirements for minute taking.

27.3 No discussion on minutes

The only topic that may be discussed at a subsequent meeting, with respect to the minutes, is their correctness.

27.4 Minutes of last meeting before election

The chief executive and the relevant Chairpersons must sign the minutes of the last meeting of the local authority and its community boards before the next election of members.

28. Minute books

28.1 Inspection

A hard copy of the local authority's minute books must be kept by the chief executive and be open for inspection by the public. This does not preclude the complementary use of electronic minutes in accordance with the Electronics Transactions Act.

The public is entitled to inspect, take notes from, or receive copies of, minutes of any meeting or part of any meeting from which the public was not excluded free of charge.

s. 51, LGOIMA

28.2 Inspection of public excluded matters

The chief executive must consider any request for the minutes of a meeting or part of a meeting from which the public was excluded as a request for official information in terms of the Local Government Official Information and Meetings Act 1987.

Appendix 1: Grounds to exclude the public

A local authority may, by resolution, exclude the public from the whole or any part of the proceedings of any meeting only on one or more of the following grounds:

A1 That good reason exists for excluding the public from the whole or any part of the proceedings of any meeting as the public disclosure of information would be likely:
   (a) to prejudice the maintenance of the law, including the prevention, investigation, and detection of offences, and the right to a fair trial; or
   (b) to endanger the safety of any person.

A2 That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information where the withholding of the information is necessary to:
   (a) Protect the privacy of natural persons, including that of deceased natural persons; or
   (b) Protect information where the making available of the information would:
      i. disclose a trade secret; or
      ii. be likely unreasonably to prejudice the commercial position of the person who supplied or who is the subject of the information; or,
   (c) In the case only of an application for a resource consent, or water conservation order, or a requirement for a designation or heritage order, under the Resource Management Act 1991, to avoid serious offence to tikanga Māori i, or to avoid the disclosure of the location of waahi tapu; or
   (d) Protect information which is subject to an obligation of confidence or which any person has been or could be compelled to provide under the authority of any enactment, where the making available of the information would:
      i. be likely to prejudice the supply of similar information, or information from the same source, and it is in the public interest that such information should continue to be supplied; or
      ii. be likely otherwise to damage the public interest; or
   (e) Avoid prejudice to measures protecting the health or safety of members of the public; or
   (f) Avoid prejudice to measures that prevent or mitigate material loss to members of the public; or
   (g) Maintain the effective conduct of public affairs through – the protection of such members, officers, employees, and persons from improper pressure or harassment; or
   (h) Maintain legal professional privilege; or
   (i) Enable any Council holding the information to carry out, without prejudice or disadvantage, commercial activities; or
   (j) Enable any Council holding the information to carry on, without prejudice or disadvantage, negotiations (including commercial and industrial negotiations); or
(k) Prevent the disclosure or use of official information for improper gain or improper advantage.

Provided that where A2 of this Appendix applies the public may be excluded unless, in the circumstances of the particular case, the exclusion of the public is outweighed by other considerations which render it desirable, in the public interest, that the public not be excluded.

A3 That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information, the public disclosure of which would:

(a) Be contrary to the provisions of a specified enactment; or

(b) Constitute contempt of Court or of the House of Representatives.

A4 That the purpose of the whole or the relevant part of the proceedings of the meeting is to consider a recommendation made to that Council by an Ombudsman under section 30(1) or section 38(3) of this Act (in the case of a Council named or specified in Schedule 1 to this Act).

A5 That the exclusion of the public from the whole or the relevant part of the proceedings of the meeting is necessary to enable the Council to deliberate in private on its decision or recommendation in:

(a) Any proceedings before a Council where
   i. A right of appeal lies to any Court or tribunal against the final decision of the Council in those proceedings; or
   ii. The Council is required, by any enactment, to make a recommendation in respect of the matter that is the subject of those proceedings; and

(b) Any proceedings of a Council in relation to any application or objection under the Marine Farming Act 1971.

Appendix 5: Powers of a Chairperson

This Appendix sets out the specific powers given to the Chairperson contained in various parts of these Standing Orders.

Chairperson to decide all questions

The Chairperson is to decide all questions where these standing orders make no provision or insufficient provision. The Chairperson’s ruling is final and not open to debate.

Chairperson to decide points of order

The Chairperson is to decide any point of order and may do so immediately after it has been raised or may first hear further argument before deciding. The ruling of the Chairperson upon any point of order is not open to any discussion and is final. No point of order may be raised during a division except by permission of the Chairperson.

Items not on the agenda

Major items not on the agenda may be dealt with at that meeting if so resolved by the local authority and the Chairperson explains at the meeting at a time when it is open to the public the reason why the item was not listed on the agenda and the reason why discussion of the item cannot be delayed until a subsequent meeting.

Minor matters not on the agenda relating to the general business of the local authority may be discussed if the Chairperson explains at the beginning of the meeting, at a time when it is open to the public, that the item will be discussed at that meeting, but no resolution, decision or recommendation may be made in respect of that item except to refer it to a subsequent meeting.

Chairperson’s report

The Chairperson, by report, has the right to direct the attention of the local authority to any matter or subject within the role or function of the local authority.

Chairperson’s recommendation

The Chairperson of any meeting may include on the agenda for that meeting a Chairperson’s recommendation regarding any item brought before the meeting. The purpose of such a recommendation is to focus debate on a suggested motion.

Chairperson’s voting

The Chairperson at any meeting has NO casting vote.
Motion in writing

The Chairperson may require the mover of any motion or amendment to submit it in writing signed by
the mover.

Motion in parts

The Chairperson may require any motion expressed in parts to be decided part by part.

Notice of motion

The Chairperson may direct the chief executive to refuse to accept any notice of motion which:

(a) Is disrespectful or which contains offensive language or statements made with malice; or
(b) Is not within the scope of the role or functions of the local authority; or
(c) Contains an ambiguity or statement of fact or opinion which cannot properly form part of
an effective resolution, and the mover has declined to comply with such requirements as
the chief executive may have made; or
(d) Is concerned with matters which are already the subject of reports or recommendations
from a committee to the meeting concerned.

Reasons for refusing a notice of motion should be provided to the proposer.

Where a notice of motion has been considered and agreed by the local authority, no notice of any other
motion which is, in the opinion of the Chairperson, to the same effect may be put again whilst such
original motion stands.

Action on previous resolutions

If, in the opinion of the Chairperson the practical effect of a delay in taking action on a resolution which
is subject to a notice of motion, would be equivalent to revocation of the resolution; or if repetitive
notices of motion are considered by the Chairperson to be an attempt by a minority to frustrate the will
of the meeting, action may be taken as though no such notice of motion had been given.

Repeat notice of motion

If in the opinion of the Chairperson, a notice of motion is substantially the same in purport and effect to
any previous notice of motion which has been considered and rejected by the local authority, no such
notice of motion may be accepted within six months of consideration of the first notice of motion unless
signed by not less than one third of the members of the local authority, including vacancies.

Revocation or alteration of previous resolution

A Chairperson may recommend in a report to the local authority the revocation or alteration of all or
part of any resolution previously passed, and the local authority meeting may act on such a
recommendation in accordance with the provisions in these standing orders.
Chairperson may call a meeting

The Chairperson:

(a) May call a meeting to dispose of the business to be transacted following the lapsing of a meeting due to failure of a quorum, if such business cannot be delayed until the next meeting;

(b) May requisition an extra meeting to be held at a specified time and place, in order to conduct specified business.

SIGNED BY:

Department Manager

Chief Executive

1. SUMMARY

1.1. The purpose of this report is to consider the appointment of the Ward members to the Rangiora-Ashley, Oxford-Ohoka, Woodend-Sefton and Kaiapoi-Tuahiwi Community Boards and to adopt the delegations to the Community Boards.

2. RECOMMENDATION

THAT the Council:

(a) Receives report No. 190903123099.
(b) Appoints Councillors Kirstyn Barnett, Robbie Brine, Joan Ward and Paul Williams to the Rangiora-Ashley Community Board in accordance with section 19F of the Local Electoral Act 2001.
(c) Appoints Councillors Wendy Doody and Niki Mealings to the Oxford-Ohoka Community Board in accordance with section 19F of the Local Electoral Act 2001.

(e) Appoints Councillors Neville Atkinson and Al Blackie to the Kaiapoi-Tuahiwi Community Board in accordance with section 19F of the Local Electoral Act 2001.
(f) Approves the delegations for the Community Boards (S-DM 1041), (Trim 191017145497).
Notes the delegations for Community Boards can be further reviewed by Council in the future.

3. ISSUES AND OPTIONS

3.1. It was determined by the Local Government Commission (LGC) in April 2016 the membership of the Rangiora-Ashley Community Boards shall consist of eight elected members, being five elected members from the Rangiora subdivision and three elected members from the Ashley subdivision, along with four appointed members from the Waimakariri District Council. The LGC further determined that six elected members, being three elected members from each the Ohoka-Swannanoa subdivision and Oxford subdivision, along with two appointed members from the Waimakariri District Council form the Oxford-Ohoka Community Board. The LGC determined that five elected members and two appointed members of the Waimakariri District Council form the Woodend-Sefton and Kaiapoi-Tuahiwi Community Boards respectively.

3.2. The Local Electoral Act 2001 states that the number of members appointed by the Council is to be less than half the total number of up to 12 members. Therefore with six members being elected to the Kaiapoi-Tuahiwi and Woodend-Sefton Community Boards, the Council shall appoint two members for each Board however, they must represent the Ward in which the Board is situated.

3.3. During the 2016-19 term the Kaiapoi-Tuahiwi Community Board resolved that the two appointed Councillors from the Woodend-Sefton Community Board held speaking rights, but not voting rights at the Community Board. Members believed this enabled the whole ward area to be well represented with information sharing and enhanced the Kaiapoi-Tuahiwi Community Board. This option was declined from the Woodend-Sefton Community Board in the previous term. The matter of non-appointed councillors representing the ward at the two Community Board tables of the Kaiapoi-Woodend Ward will be considered at the individual Community Board inaugural meetings.

3.4. Community Boards are an unincorporated body and are not a local authority nor a committee of the Waimakariri District Council.

3.5. The delegations to Community Boards remain unchanged from the 2016-19 term, however the Council can review these at any time. Note delegation related to the Rangiora Airfield remains with the Manager, Community and Recreation to meet Civil Aviation Authority requirements.

3.6. The Management team has reviewed this report and supports the recommendations.

4. COMMUNITY VIEWS

There has not been any formal request of the existing Community Boards for their input into delegations since the Representation Review was completed in April 2016. However staff have noted feedback from the past three years which generally related to member understanding rather than the actual delegation itself, with no specific requests for additional delegations. Surveys of elected members have occurred in the past five years and no specific additional delegation was requested. Staff have also considered other Community Board delegations from around New Zealand.

5. IMPLICATIONS AND RISKS

5.1. Financial Implications

Not applicable.

5.2. Community Implication

Not applicable.
5.3. **Risk Management**
Not applicable.

5.4. **Health and Safety**
Not applicable.

6. **CONTEXT**

6.1. **Policy**
This matter is not a matter of significance in terms of the Council’s Significance Policy.

6.2. **Legislation**
Community Boards are an unincorporated body and are not a local authority nor a committee of the Waimakariri District Council. All powers to Community Boards are delegated directly from the Council. A territorial authority must consider delegating to a Community Board a delegation if it would enable the Community Board to best achieve its role.

### 3. ISSUES AND OPTIONS

3.1. It is anticipated the Council will have four Standing Committees: the Audit and Risk Committee, the Community and Recreation Committee, the District Planning and Regulation Committee and the Utilities and Roading Committee.

3.2. Portfolio Holder positions were established at the beginning of the 2016-19 term and have proved to be successful, therefore it is recommended that they continue for the 2019-22 term.
3.3. In recent years, each committee has comprised five Council members and the Mayor as an ex-officio member of each committee. This is recommended to continue. All Councillors are entitled to attend and speak at any Standing Committee, however only those appointed to that particular committee hold voting rights. Additional briefings have been scheduled for the District Planning and Regulation Committee to ensure members are fully briefed on matters pertaining to changes to the District Plan. All Councillors are encouraged to attend all briefings whenever possible.

3.4. The Chairperson of each standing committee will be rotated on a 12 or 18 month basis to share the workload and assist Councillors gaining a greater understanding of each area of the Council.

3.5. A number of Councils have appointed an independent member to the Audit and Risk Committee to ensure ongoing transparency of process. This follows recommendations from the Auditors and may provide assurance to financial agencies such as Standards & Poor’s. If the Council decides to appoint an independent member, a matter that requires consideration is whether an independent member of the Audit and Risk Committee holds full voting rights or not. This matter was considered by the outgoing Council and will be subject of further discussions in 2020.

3.6. Discussion during the previous term of Council was that whilst it is important that an Iwi representative be involved in the change process of the District Plan, in an advisory position, it is best that such an appointment occur at a stage of the project delivery group discussions that will be at the formulation stage of the process; rather than at the end stage of Committee process. This will ensure the best information is fed into the process at an early stage and appropriate action can be taken before committee decisions are sought. This will also assist with the timely flow of information. Therefore the establishment of the Mahi Tahi Joint Development Committee was recommended by the previous Council.

4. COMMUNITY VIEWS

4.1. Discussions have been held between each Member of the Council and the Mayor.

5. FINANCIAL IMPLICATIONS AND RISKS

5.1. Remuneration will be paid in accordance with the Remuneration Authority’s determination. The Remuneration Authority has accepted and approved all Waimakariri Councillors as holding portfolios and therefore they receive a slightly higher remuneration to allow for the additional duties than the base remuneration. During the term the individual portfolio holders chair a committee related to their portfolio. No additional remuneration is provided for committee membership as that is seen as part of a Councillors normal duty. Councillor remuneration will be considered at the 5 November Council meeting.

5.2. Meetings are serviced by appropriate staff and costs are met within existing Council budgets. If an independent member is appointed to the Audit and Risk Committee additional funding will be sought through the Annual Plan process for the appointment fee which is anticipated in the region of $12,000 to $15,000 per annum.

2. ISSUES AND OPTIONS

2.1. Standing Committees

It is proposed that for the 2019-22 term the Council retains the existing arrangement of four Standing Committees being:
- Audit and Risk (A&R)
- Community and Recreation (C&R)
- Utilities and Roading (U&R)
- District Planning and Regulation (DP&R)

It has been recommended from the outgoing Council that the Mahi Tahi Joint Development Committee commence at the beginning of the 2019/22 term.
The Mayor is a member of each committee of a territorial authority as per Section 41A of the Local Government Act 2002, with full voting rights. It is recommended that the A&R, C&R, DP&R and U&R Committees continue with five Councillors on each committee and a quorum of three.

Due to the significant workflow programmed during 2020 and 2021 generated from the District Plan Review, the DP&R Committee will also receive monthly briefings to enable members to be fully informed on the complex issues.

It is recommended that the Mahi Tahi Joint Development Committee is acknowledged as a joint committee between Ngai Tuahuriri and the Council, consisting of three members from each organisation. The quorum is four, being two members from each organisation.

It is recommended that a new Committee be created from the previous terms Land and Water Working Group and that it be called the Land and Water Committee. This committee would be chaired by the Water Management Strategy portfolio holder, Councillor Stewart. Meetings are proposed to be monthly, with a further report presented to the 5 November 2019 Council meeting with terms of reference, membership and meeting times.

The Chairperson of each standing committee will be rotated on a 12 or 18 month basis to share the workload and assist Councillors gaining a greater understanding of each area of the Council.

All Councillors are entitled to attend and speak at the standing committees, although only the appointed councillors hold voting rights.

2.2. Other Committees

The Council will also require the additional adhoc committees and subcommittees during the 11th term of the Council which will be subject to a separate reports, as required. The Joint Committee arrangements between neighbouring Councils and Environment Canterbury are subject to a separate report.

2.3. Council Controlled Organisations (CCOs)

Appointments made to CCOs of Te Kohaka o Tuhaitara Trust and Enterprise North Canterbury (ENC) will be considered during the term of the Council. Both the Mayor of Waimakariri and Hurunui District Councils are ex-officio on the ENC Trust. Appointments will also be confirmed by the Council relating to Tranwaste Canterbury.

2.4. Working Parties, Steering Groups and Workshop Meetings

These meeting types are open to the public, unless the business being discussed falls within the criteria for matters to be dealt with by excluding the public as stipulated in the Local Government Official Information and Meetings Act 1987. Working Parties and Steering Groups have a Terms of Reference authorised by their reporting Committee or Board. Working parties included in the previous term were:

- Solid and Hazardous Waste Working Party
- Policy Reference Group
- Multi-Use Sports Facility Steering Group

2.5. Advisory Groups and appointments to outside organisations

These groups and appointments will be considered at the November meeting of the Council and Community Boards.

2.6. Councillor Portfolios
It has proven successful during the previous three terms for each Councillor and the Mayor to hold various portfolios, which shares the workload and knowledge.

Minor amendments to the portfolios are recommended for the 2019-22 term and this is subject to a separate report presented to the 25 October Council meeting. Portfolios are determined through discussions with members and the Mayor. A person holds the same portfolio for the whole term.

The Council may wish to review the Councillor Portfolios in November 2020.

2.7. Appointments to outside organisations

Previously Councillors have been appointed to organisations which have an alliance with the Committees they are appointed to. This will be taken into account when the Council consider the appointments at the 5 November 2019 Council meeting. 3. COMMUNITY VIEWS

3.1. Not sought.

4. IMPLICATIONS AND RISKS

4.1. Financial Implications

4.1.1. The Council is not required to establish committees and some Councils in New Zealand have used a portfolio system where each elected member is allocated one
or more activities. It is proposed a portfolio system continue for the new term, as it has proved beneficial during the 2016-19 term. Remuneration is set by the independent Remuneration Authority and it has accepted and approved all Waimakariri Councillors as holding portfolios and therefore receive a slightly higher remuneration to allow for the additional duties than the base remuneration. During the term the individual portfolio holders chair a committee related to their portfolio. In addition to the portfolios it is recommended to establish committees to aid the decision and governance and workload relating to the many matters that come before Councillors for consideration and determination. No additional remuneration is provided for committee membership as that is seen as part of a Councillors normal duty.

4.1.2. The Remuneration Authority has advised that new salary levels for the elected members for Waimakariri District Council will take effect after the October 2019 election. The Remuneration Authority set the remuneration for the Mayor and the Community Board members. The councillors remuneration is a base rate* from a funding pool set by the Remuneration Authority. The incoming Council will decide on the distribution of the pool, with the ability to increase remuneration in recognition of additional duties, such as portfolio holder or committee chair responsibilities. The process of councillor remuneration is then finalised with the Remuneration Authority in late 2019. It is anticipated that the Deputy Mayor will receive additional Remuneration above the Councillor salary.

4.1.3. Remuneration shown below is provisional*.

2. **ISSUES AND OPTIONS**

   **Council and Standing Committees**

   2.1 The 2016-2019 term of Council experienced ordinary council meetings occurring at 1pm
   on the first Tuesday of the month. In reviewing the Council structure and delegations
   with the Mayor, and based on the successful flow of meetings during the previous term it
   has been recommended that the Council meets on the first Tuesday of each month at
   1pm and has four Standing Committees and one joint committee (Mahi Tahi), which
generally alternate in two pairs on the third Tuesday of each month.

   2.2 During the 2016-2019 term a number of workshops or briefings were required to keep
   members abreast of developments and these were often held on the second Tuesday of
   the month. Occasionally short or urgent briefings or workshops would be held at the end
   of a committee meeting. It is recommended this practice continue, with a 1pm start time.

   2.3 Staff believe the recommended starting times and flow of meetings maximise councillor
   time efficiency with other meetings, including commitments in the community.

   **Community Boards**

   2.5 The previous cycle for the Community Boards were on a monthly basis during the
   second and third weeks of the month. It is proposed that the Boards retain this pattern
   after their inaugural meetings.

3. **COMMUNITY VIEWS**

   3.1 The established pattern of Council and Board meetings has generally worked well for
   members, taking into account other community commitments.
3.2 Community views were not sought. We are not aware of any adverse comments from the public on meeting times. However, there are some who may be disadvantaged with meeting times established during the day, due to work or family commitments.

3.3 Neighbouring Councils commence their meetings either at 9.30am or 1pm with no adverse effects on the community to our knowledge.

4. IMPLICATIONS AND RISK

4.1 Financial Implications
Not applicable. Servicing of Council and Committees are met within existing Council budgets.

4.2 Community Implication
The most appropriate way for giving notice of meetings is to establish a meetings calendar. All Council, Standing Committees, and Community Board meetings are publicly advertised in compliance with LGOMIA and on the Council website.

4.3 Risk Management
Nil.

4.4 Health and Safety
Nil.

5. CONTEXT

5.1 Policy
This is not a matter of significance in terms of the Council’s Significance Policy.

5.2 Legislation
Local Government Act 2002 Schedule 7 clause 19 - A local authority must hold the meetings that are necessary for the good government of its region or district. Meetings must be called and conducted in accordance with Local Government Official Information and Meetings Act 1987 (LGOIMA) and the standing orders of the local authority.

5.3 Community Outcomes
There are wide ranging opportunities for people to contribute to the decision-making by local, regional and national organisations that affect our District.
