

# Walking and Cycling Strategy 2017 – 2022

## Appendix 1: Action Plan - making it happen...

**Vision:**  
*Waimakariri residents choose to walk and cycle  
The environment is friendly, safe and accessible for walkers and cyclists*

## ***Walking and Cycling Strategy implementation***

This Action Plan details the walking and cycling projects to be implemented within the Waimakariri District in the next five years. It identifies a range of activities (engineering, education and promotion) that will deliver the projects.

The plan is central to the monitoring, review and reporting process and will align to the Council's Annual Plan and Long Term Plan processes.

The plan will be reviewed annually by the Walking and Cycling Strategy Steering group with representatives of: Roading, Planning, Greenspace and Policy Teams.

## Current/committed projects (updated October 2019)

Description	Priority link	Time frame	Funding
