Submission details

The specific provisions (objectives, policy and rules) of the proposal that my submission relates to are as follows:
(please give details)

All that are relevant

My submission is that: *Please indicate whether you support or oppose the specific provisions or wish to have amendments made, giving reasons (include additional pages as necessary).*

I generally support the specific provisions but am concerned that the definition of a Site is unclear and that the proposed Rules will apply to small individual sites whereas the objective of the NPS UD was to increase density over a wider area.

The proposed Objectives, Policies and Rules do not adequately address the need for integrated, safe and efficient Urban Design objectives to be achieved.

I/we have included: _____ additional pages

I/we seek the following decision from the Waimakariri District Council: *(give precise details, use additional pages if required)*

That the Objectives, Policies and Rules be amended to have the required densities be achieved over a wide area, not just at an individual lot level.

That proposed developments meet integrated, safe and efficient Urban Design objectives.
