DECISION (on papers)

This is an application by Red Leaf Winery Limited for a Special Licence in respect of premises situated at 493 Mill Road Ohoka known as Ohoka Domain, to cater for the Ohoka farmers market scheduled to be held on Fridays from 9 October 2020 through to 1 January 2021 at the Ohoka Domain from 9.00 am to 12.30 pm.

Reports from the Police, and the Licensing Inspector do not oppose the issuing of the Special Licence. The Medical Officer of Health has no objection to the application being granted as confirmed by their report dated 21 September 2020 and has submitted the following for consideration by the Committee.

The applicant has not detailed how the onsite consumption area will be demarcated from the rest of the event space, which has multiple entrances and exits. The Medical Officer of Health (MOH) submits that it is unreasonable to expect the applicant to effectively manage the whole area from his own stall.

Therefore should the Committee grant this application, the MOH respectfully submits that the onsite licensed area be made a more practical size such as a small 7m roped off area at the front of the applicants stall. I am aware that this has been done in other districts where the applicant frequents larger sized events.

Based on the information provided, and the complete file submitted to the District Licensing Committee it is determined not to convene a public hearing and to grant the application on the papers. Accordingly, we deal with the matter on the papers.

We are satisfied as to the matters to which we must have regard as set out in s.142 of the Act and we grant the applicant a Special Licence.

This is an application by Red Leaf Winery Limited for an On and Off site Special Licence in respect of premises situated at 314 Lehmans Road Fernside known as Rangiora Racecourse, to cater for the North Canterbury Sunday market to be held **on** Sundays from 8 November 2020 through to 14 February 2021 from 9.00 am to 2.00 pm.

Reports from the Police, and the Licensing Inspector do not oppose the issuing of the Special Licence. The Medical Officer of Health has no objection to the application being granted as confirmed in their report dated 5 October 2020 but has made the following submission for consideration by the District Licensing Committee.

Again, the applicant has not detailed how the onsite consumption area will be demarcated from the rest of the event space, which has multiple entrances and exits. The Medical Officer of Health (MOH) submits that it is unreasonable to expect the applicant to effectively manage the whole area of the event from his own stall.

Therefore should the Committee grant this application, the MOH respectfully submits that the onsite licensed area be made a more practical size such as a small 7m roped off area at the front of the applicants stall. I am aware that this has been done in other districts where the applicant frequents larger sized events.

Based on the information provided, and the complete file submitted to the District Licensing Committee it is determined not to convene a public hearing and to grant the application on the papers. Accordingly, we deal with the matter on the papers.
