## Submission details

The specific provisions of the proposal that my submission relates to are as follows: *(please give details)*

Subdivision SUB-R10 Rural Zoning

Changing the Zoning of part of Bush Road from Number 12 to the start of Mill Road be considered changing the zoning to residential.

My submission is that: *(state in summary the Proposed Plan chapter subject and provision of your submission. Clearly indicate whether you support or oppose the specific provisions or wish to have amendments made, giving reasons) (please include additional pages as necessary)*

Rural is defined is a place where farming takes place. Between the start of Bush Road at number 12 through to 74 Bush Road, there are several properties that are 2 hectares or less.

We have had notification that the speed limit will be changed in Bush Road from 100 kilometres per hour to 60 kilometres per hour - so it is really more a residential road than a rural road. It is not even a two lane road.

Bush Road is close to the township and easy access to Oxford Area School and the observatory.  
The infrastructure is in place having town water supply and on the town sewer system.

I/we have included: \_\_\_\_\_ additional pages

I/we seek the following decision from the Waimakariri District Council: *(give precise details, use additional pages if required)*

We are requesting that consideration is made that zoning between 12 Bush Road and Mill Road be changed from rural to residential. (on the even numbered side of the road).
