Submission

That the proposed Waikuku Large Lot Residential Zone (LLRZ) Overlay Gressons Road be deleted from the Proposed District Plan.

Reasons

The criteria for the identification / location of future LLRZ is described in Section Part 2 – District-wide matters Strategic directions UFD - Āhuatanga auaha ā tāone - Urban form and development, repeated below together with an assessment of the proposed Waikuku LLRZ:

UFD-P3 Identification/location and extension of Large Lot Residential Zone areas

In relation to the identification/location of Large Lot Residential Zone areas:

- *new Large Lot Residential development is located in the Future Large Lot Residential Zone Overlay which adjoins an existing Large Lot Residential Zone as identified in the RRDS and is informed through the development of an ODP;*
- *new Large Lot Residential development, other than addressed by (1) above, is located so that it:*

Criteria	Assessment
<ul style="list-style-type: none"> • <i>occurs in a form that is attached to an existing Large Lot Residential Zone or Small Settlement Zone and promotes a coordinated pattern of development;</i> 	Does not comply as it not attached to an existing LLRZ or Small Settlement
<ul style="list-style-type: none"> • <i>is not located within an identified Development Area of the District's main towns of Rangiora, Kaiapoi and Woodend identified in the Future Development Strategy;</i> 	Does not comply as it is highly likely that the Greater Christchurch Spatial Plan will identify the triangle between Rangiora Woodend Road, SH1 and Tulls Rd as an area to be developed as a Medium Residential Zone (MRZ)
<ul style="list-style-type: none"> • <i>is not on the direct edges of the District's main towns of Rangiora, Kaiapoi and Woodend, nor on the direct edges of these towns' identified new development areas as identified in the Future Development Strategy;</i> 	Does not comply as it is highly likely that the Greater Christchurch Spatial Plan will identify the triangle between Rangiora Woodend Road, SH1 and Tulls Rd as an area to be developed as a Medium Residential Zone (MRZ)
<ul style="list-style-type: none"> • <i>occurs in a manner that makes use of existing and planned transport infrastructure and the wastewater system, or where such infrastructure is not available, upgrades, funds and builds infrastructure as required, to an acceptable standard; and</i> 	Does not comply as it is separated from the existing RRLZ zoned area roading network. Extending the existing waste water system to Woodend or Pegasus will be a major project. Extending the existing water system from Woodend or Pegasus will be a major project.
<ul style="list-style-type: none"> • <i>is informed through the development of an ODP.</i> 	Developing a sensible ODP will be fraught as it is likely to be in direct conflict with the Greater Christchurch Spatial Plan that is likely to identify the triangle between Rangiora Woodend Road, SH1 and Tulls Rd as an area to be developed as a Medium Residential Zone (MRZ)
Additional Matters	The proposed Waikuku LLRZ does not promote the safety of pedestrians and cyclists by requiring residents, particularly children attending school, to cross SH1
