#### MINUTES FOR THE MEETING OF THE OXFORD-OHOKA COMMUNITY BOARD HELD IN THE A&P ROOM, OXFORD TOWN HALL, OXFORD, ON WEDNESDAY 8 JUNE 2022 AT 7PM.

#### PRESENT

D Nicholl (Chairperson), T Robson (Deputy Chairperson), S Barkle, W Doody, S Farrell, R Harpur and N Mealings.

#### IN ATTENDANCE

T Tierney (Manager Planning and Regulation), J McBride (Roading and Transport Manager), G Stephens (Greenspace Design and Planning Team Leader), T Kunkel (Governance Team Leader) and A Connor (Governance Support Officer).

Six members of the public attended the meeting.

#### 1. APOLOGIES

Moved: T Robson

Seconded: R Harper

THAT an apology for absence be received and sustained from M Brown.

CARRIED

#### 2. PUBLIC FORUM

#### 2.1. Anemika Dion

A Dion expressed concern about Local Government New Zealand's (LGNZ) position on the proposed Three Waters reform. She felt that the LGNZ was not representing the community as it should and therefore requested the Board to convey the community's concern to the Council.

T Tierney explained that the Council had been very proactive about its opposition against the proposed reform and was currently part of the High Court action taking place against the Government regarding the ownership of assets. The Council was also a key player in Communities for Local Democracy.

A Dion acknowledged the Council's efforts to oppose the reform, however, she questioned why the Council was still a member of LGNZ when they were not adequately representing the Waimakariri district.

T Tierney advised that the matter would be brought to the Council's attention.

#### 3. CONFLICTS OF INTEREST

- <u>Item 7.1</u> As an Oxford Promotions Action Committee Inc member, S Farrell declared a conflict of interest.
- <u>Item 7.4 -</u> S Barkle declared a conflict of interest in applications (i) and (ii) as a member of the Standardbred Stable to Stirrup Charitable Trust and applications (iii) and (i) as a parent of students in Swannanoa School.

S Farrell declared a conflict of interest in application (vi) as a member of the Oxford Historical Records Society Inc and application (vii) as a member of the Oxford Promotions Action Committee Inc.

W Doody declared a conflict of interest in application (vii) as an Oxford Promotions Action Committee Inc. member. R Harper declared a conflict of interest in application (viii) as a grandparent to children in the Swannanoa Preschool.

#### 4. CONFIRMATION OF MINUTES

#### 4.1. Minutes of the Oxford-Ohoka Community Board – 4 May 2022

Moved: S Barkle Seconded: S Farrell

THAT the Oxford-Ohoka Community Board:

(a) **Confirms** the circulated Minutes of the Oxford-Ohoka Community Board meeting, held on 4 May 2022, as a true and accurate record.

CARRIED

#### 4.2. Matters Arising

D Nicholl asked if there was an update on the additional information requested at the previous meeting about the Oxford Sewer Rates. T Kunkel noted that she had lodged a request for information with the 3 Waters Team, however, she was yet to receive feedback.

S Barkle questioned if the Board could submit on the Council's Walking and Cycling Network Plan, which was out for public consultation. T Kunkel confirmed that the Board was entitled to make a submission.

#### 5. DEPUTATIONS AND PRESENTATIONS

#### 7. <u>REPORTS</u>

# 7.1. Oxford Main Street Public Toilets Mural – G Stephens (Greenspace Design and Planning Team Leader)

G Stephens noted that this report had been a long time coming. The Waimakariri Public Arts Trust had endorsed the proposed design of the mural, and the final step in the process was for the Board to approve the design. The Greenspace Team and the Waimakariri Public Arts Trust both believed that the proposed design was in keeping with the aesthetics of the local area, as the proposed design depicted native flora and fauna. In addition, the Rūnanga had confirmed that they were satisfied that the design did not cross cultural-lines.

G Stephens confirmed that the artwork would be owned and maintained by the Oxford Promotions and Action Committee and Keep Oxford Beautiful. The mural would also be covered with an anti-graffiti top coat making any tagging easy to clean off. W Doody questioned whether the anti-graffiti coating would preserve the painting sufficiently. G Stephens responded that the coating would not protect the mural against extensive vandalism, such as the scrapping of the paint. However, the mural would be safeguarded against spray-painting.

W Doody further enquired if the anti-graffiti coating would assist the mural in retaining its colour. G Stephens was unsure if it would keep the mural from fading. He noted that the mural was on a south-facing wall, so it was not anticipated that there would be significant colour fading. The five-year review process was in place to deal with any required maintenance.

T Robson asked if the process of installing public art could be streamlined to ensure that people were not deterred from taking part in such projects. G Stephens acknowledged that this had been a drawn-out process. Therefore, the Greenspace Team looked at a strategy to refine this process.

T Robson suggested the five year review of the mural should be done in conjunction with Oxford Promotions and Action Committee and Keep Oxford Beautiful.

Moved: W Doody Seconded: S Barkle

THAT the Oxford-Ohoka Community Board:

- (a) Receives report No. 220526085770.
- (b) **Notes** that the selection process had been jointly led by the Oxford Promotions and Action Committee (OPAC) and Keep Oxford Beautiful.
- (c) **Notes** the proposed design had been approved by the Waimakariri Public Arts Trust.
- (d) **Notes** that the Mural would be externally funded by the Oxford Promotions and Action Committee.
- (e) **Approve** the proposed Mural Design to be located on the Oxford Main Street Public Toilet.
- (f) **Approves** a five year review cycle, in conjunction with Oxford Promotions and Action Committee (OPAC) and Keep Oxford Beautiful, for this mural as an opportunity to identify any ongoing maintenance/operational issues as well as formally review the state of the mural and whether a replacement or refresh is required.

#### CARRIED

W Doody thanked S Farrell for the hard work she did in conjunction with Oxford Promotions and Action Committee and Keep Oxford Beautiful to get the mural approved. She commented that this mural would be beautiful.

#### 7.2. Approval to install two cattle stops on Carleton Road, between Harewood Road and Woodstock Road – S Maxwell (Roading Compliance Officer) and J McBride (Roading and Transport Manager)

J McBride explained that the owner of Carlton Dairies approached the Council and requested approval to install cattle stops on Carleton Road, between Harewood Road and Woodstock Road. There would be two stops on either side of the crossing with a sealed area in between for ease of maintenance. Currently, the location was a permitted crossing location, and the owner was pulling electric tape across the road, marking the new cattle stops to improve visibility.

T Robson questioned if having asphalt thresholds on either side of the cattle stop was now standard. J McBride confirmed that this was a standard requirement as the graders were having trouble accessing the unsealed road to grade the section between the cattle stops.

T Robson noted that this section of Carlton Road was in poor condition and questioned if further work would be done to the road after the property owner had installed the cattle stops. J McBride was unsure, however, she would confirm if there were any works in the programme.

Moved: T Robson Seconded: N Mealings

THAT the Oxford-Ohoka Community Board:

- (a) Receives report No. 220526085607.
- (b) Approves the construction of two cattle stops and associated fences on Carleton Road at the location shown on the attached diagram (Trim no. 220526085662) for the purpose of enabling the efficient movement of livestock across Carleton Road while at the same time keeping the road safe and accessible for road users.
- (c) **Approves** the attached Draft Licence to Occupy Agreement (Trim no. 220526085664).
- (d) Notes that all costs associated with the construction, maintenance and removal of the cattle stops, fences, gates and sealing of the road and up to and between the stops would be met by the property owner.
- (e) Notes that the property owner would be required to remove the cattle stops, fences and gates if and when they cease dairy farming operations or if they change their method of operation that did not require the regular movement of cows across Carleton Road.
- (f) **Circulates** this report to the Utilities and Roading Committee for information.

#### CARRIED

T Robson commented that this was a busy cattle crossing and commended the property owner for showing the initiative of installing cattle stops.

#### 7.3. <u>Proposed Roading Capital Works Programme for 2022/23 –</u> J McBride (Roading and Transport Manager)

J McBride explained the proposed programme was a general budget allocation in the Council's Ten Year Plan (LTP), for areas such as curb and channel renewals, footpath renewals, new footpaths, bus shelters and minor safety. The roading network was managed as a total network across the whole district and as such projects were prioritised district wide.

In response to questions, J McBride advised that curb and channel renewals, as well as footpath renewals, undergo a biannual condition rating which assisted in setting the programme meaning only poor condition curb, channels and footpaths were being replaced. Waka Kotahi did not fund the new footpath programme, however, it had been previously prioritised. S Barkle asked if the Walking and Cycling Network Plan was part of this programme. J McBride clarified that the walking and cycling projects within minor safety projects were only minimal and low-cost interventions. The Walking and Cycling Network Plan had a separate budget.

10

N Mealings sought clarity on the budget for the Oxford lighting deficiencies. J McBride advised that when the street lighting in Oxford was converted to LED, it was found that the long-distance between streetlights caused inadequate lighting. Therefore, the funding would be used to try and alleviate this problem.

N Mealings questioned the annual \$25,000 budget for Main Street Oxford Signage. She also asked where the funding to be carried over for Main Street Oxford pedestrian crossings stemmed from. J McBride clarified that the funding for signage would only be allocated for the first year and was therefore not an annual budget. She further noted that the carry-over funding was for upgrading three pedestrian crossings, however, the projects would not commence until the speed limit changes were finalised.

S Barkle noted that in the Walking and Cycling Network Plan, there was a proposed footpath in the Mandeville Village and enquired if this footpath had been taken into consideration when looking at the Mandeville Road improvements. J McBride confirmed that the information contained in the Walking and Cycling Network Plan would be taken into consideration before any roading work commenced in the district.

N Mealings asked what the Mandeville Road Improvements at Village entailed. J McBride responded that it would be mostly curb and channel improvements as well as organising and formalising the parking on Mandeville Road.

S Farrell noted that many roads in the area had deteriorated, and she did not believe that "the standard of our District's roads was keeping pace with increasing traffic numbers", as stated in the report. J McBride commented that that statement was a community outcome and was what the Council was striving to achieve..

T Robson commented that there were many locations in Oxford where the footpaths were damaged, such as the entrance to Pearson Park. He questioned the process of determining which footpaths needed to be renewed. J McBride advised that footpath renewals were undertaken when a whole section required replacement. Footpath maintenance referred to more minor repairs and was a separate budget not covered in the Roading Capital Works Programme.

Moved: W Doody

Seconded: S Farrell

THAT the Oxford-Ohoka Community Board:

- (a) **Receives** Report No. 220526086495.
- (b) **Notes** that feedback could be provided on the Draft Programme to the Roading and Transport Manager at the Board meeting.

CARRIED

W Doody acknowledged that there had been some problems with implementing the Capital Works Programme as the Council had been short-staffed. However, she thanked the staff for the work that had been achieved during this challenging time.

T Robson admitted that the programme seemed to cover the district's infrastructure well. However, he believed that the Harewood Road section from Burnt Hill Road to the Oxford Hospital should be included in the new footpaths programme.

#### 7.4. <u>Application to the Oxford-Ohoka Community Board's Discretionary</u> <u>Grant Fund 2021/22– T Kunkel (Governance Team Leader)</u>

It was agreed that the applications would be considered separately due to various members' declared conflicts of interest.

S Barkle noted that the Trust trained and rehomed Standardbred racehorses when they retired from harness racing. These horses did not fetch much money at resale, and the Trust struggled to secure funding from the New Zealand Racing Board. The Trust used the Eyreton Pony Club for most of their training and as a venue for their training videos.

S Farrell sought clarity on to whom the Trust paid the membership fee. T Kunkel confirmed that a family membership of \$400 per annum was paid to the Eyreton Pony Club.

Moved: W Doody

Seconded: N Mealings

THAT the Oxford-Ohoka Community Board:

- (a) Receives report No. 220428064617.
- (b) **Approves** a grant of \$400 to the Standardbred Stable to Stirrup Charitable Trust towards its membership renewal with the Eyreton Pony Club.

CARRIED S Barkle abstained

N Mealings commented it was a local organisation supporting a local club and that \$400 for a family membership seemed outstanding value.

Moved: S Farrell

Seconded: T Robson

(c) **Approves** a grant of \$500 to the Standardbred Stable to Stirrup Charitable Trust towards the cost of uniforms for the trainers and riders.

CARRIED Against: W Doody S Barkle abstained

Moved: T Robson

Seconded: N Mealings

- (d) **Approves** a grant of \$500 to the Swannanoa Home and School Committee towards the cost of Kapa Haka uniforms for students.
- (e) Approves a grant of \$500 to the Swannanoa Home and School Committee towards the cost of purchasing football t-shirts for Twilight Football teams.

CARRIED S Barkle abstained

N Mealings commented that Covid had made the past two years difficult for schools to raise additional funding and that Swannanoa School had not been able to hold their primary fundraiser.

In response to a question from R Harper, T Kunkel confirmed that the Tasman Young Farmers had only applied to the Oxford-Ohoka Community Board for funding.

Moved: W Doody Seconded: S Barkle

(f) **Approves** a grant of \$500 to the Tasman Young Farmers towards the cost of hosting a Community Ball.

CARRIED

Against: T Robson, S Farrell and R Harper

T Robson commented that he did not support the motion because he believed it did not meet the Discretionary Grant criteria as the ball would be held outside the Board's area and would not primarily benefit residents of the ward.

S Farrell and R Harper agreed with T Robson, and they, therefore, also did not support the motion. S Farrell felt that not many people from the Board's area would be attending the ball.

S Barkle noted that the Oxford-Ohoka Ward included a large rural community, including many young farmers. In the past, the Board had supported other events that were not held in its geographical area but would directly benefit its residents. She believed the ball would be an excellent opportunity to support the mental health of young farmers in the Board's area.

W Doody was sure that many young farmers from the Oxford-Ohoka ward would attend the ball. She noted that this had been a challenging time for the rural community, and several young farmers struggled with stress and mental health, and the ball would be a fantastic way to support them.

Moved: W Doody

Seconded: N Mealings

(g) **Approves** a grant of \$697 to the Oxford Historical Records Society Inc. towards securing the medal cabinets in the Oxford Museum.

CARRIED S Ferrell abstained

S Barkle questioned what the book actually entailed and if it would be distributed to everyone. T Kunkel explained that it was an activities book with puzzles and games that would be handed out to everyone at the Matariki event. It was envisaged that the book would be a fun way to assist people in understanding some of the Māori language and culture.

Moved: N Mealings

Seconded: W Doody

(h) **Approves** a grant of \$404 to the Oxford Promotions Action Committee Inc. towards the cost of producing a Te Papa Matariki Activity Book.

> CARRIED W Doody and S Ferrell abstained

N Mealings noted that this would be the first celebration of Matariki as a public holiday, and it was exciting to see the community planning something special for it.

W Doody was pleased that the event would be hosted despite the Covid still being common in the community.

Moved: T Robson

Seconded: N Mealings

(i) **Approves** a grant of \$461 to the Swannanoa Preschool towards the cost of providing storage for their new nursery.

CARRIED R Harper abstained

#### **REPORT FOR DECISION**

FILE NO and TRIM NO:	GOV-26-11-06 / 220622106473
REPORT TO:	OXFORD-OHOKA COMMUNITY BOARD
DATE OF MEETING:	6 July 2022
AUTHOR(S):	Thea Kunkel - Governance Team Leader
SUBJECT: ENDORSED BY:	Oxford-Ohoka Community Board's 2022/23 Discretionary Grant Fund and 2022/23 General Landscaping Fund
(for Reports to Council, Committees or Boards)	General Manager ppChief Executive

#### 1. <u>SUMMARY</u>

- 1.1 This report provides information regarding the Oxford-Ohoka Community Board's (the Board) 2022/23 General Landscaping Budget and the 2022/23 Discretionary Grant Fund.
- 1.2 This report also requests the Board consider for approval the Discretionary Grant Criteria, as included in the Application Form, and the Accountability Form for the 2022/23 financial year.

#### Attachments:

- i. Draft Oxford-Ohoka Community Board's 2022/23 Discretionary Grant Application Criteria and Application Form (Trim No. 210603089866).
- ii. Draft Oxford-Ohoka Community Board's 2022/23 Discretionary Grant Accountability Form (Trim No. 210603089980).
- iii. Spreadsheet of current and proposed projects for the 2022/23 General Landscaping Budget (To be tabled).

#### 2. <u>RECOMMENDATION</u>

**THAT** the Oxford-Ohoka Community Board:

- (a) **Receives** Report No. 220622106473.
- (b) Notes that the Board's General Landscaping Budget allocated by the Council for 2022/23 is \$13,090, with a carry forward for 2022/23 still to be determined due to outstanding invoices being processed.
- (c) **Notes** that the Board's Discretionary Grant Funding allocated by the Council for 2022/23 is \$5,990 and that an amount of \$549 was carried forward from the 2021/22 budget. Thereby bringing the Discretionary Grant Fund to a total of \$6,539 for this financial year.
- (d) **Approves** the Board's 2022/23 Discretionary Grant Fund Application Criteria and Application Form (Trim No. 210603089866).
- (e) **Approves** the Board's 2022/23 Discretionary Grant Accountability Form (Trim No. 210603089980).
- (f) **Approves** that Discretionary Grant Fund applications be considered at each meeting during the 2022/23 financial year (July 2022 to June 2023).

#### 3. BACKGROUND

- 3.1 The Council allocates a General Landscaping Budget to each Community Board to be expended on appropriate projects and initiatives in each Board's community area and the Council's Greenspace Team. This fund is not a contestable fund.
- 3.2 The Discretionary Grant Fund is a contestable fund enabling community groups and organisations meeting the relevant criteria to seek funding for various events, initiatives and projects.

#### 4 ISSUES AND OPTIONS

- 4.1 The *General Landscaping Fund's* 2022/23 financial year allocation approved by the Council for the Oxford-Ohoka Community Board is \$13,090. However, the amount to be carried forward from the 2021/22 financial year is still to be determined as outstanding invoices are still being paid and will be submitted to the Board for confirmation at the August 2022 meeting.
- 4.2 An initial workshop will be scheduled for August 2022 for the Board and the Council's Community Greenspace Manager to identify a range of potential projects for funding during the 2022/23 financial year, or the Board may choose to allow the incoming Board to determine projects for the new term. If the Board decides to allocate all or part of the 2022/23 Landscaping Fund, a report seeking the Board's formal approval for funding will then be presented to the November 2022 Board meeting.
- 4.3 The **2022/23** *Discretionary Grant Fund* approved by the Council for the Board is \$5,990. An unspent amount of \$549 was carried forward from the 2021/22 financial year, thereby bringing the Discretionary Grant Fund to a total of \$6,539 for this financial year.
- 4.4 Not all eligible groups may be aware of the fund, so it is anticipated that Community Board members will continue to be pro-active in this regard through networking and community groups they interact with. It is recommended that the Board regularly review the remaining balance of the fund to ensure that it is on track to be spent.
- 4.5 Staff will periodically advertise the Discretionary Grant through the Community Notice Board page in the Northern Outlook and Chatter. In addition, application forms are available on the Council website, from Service Centres or by contacting the Governance Support Team.
- 4.6 There are no significant implications on community wellbeing by the issues and options that are the subject matter of this report.
- 4.7 The Management Team has reviewed this report.

#### 5 <u>COMMUNITY VIEWS</u>

#### 5.1 Mana whenua

Taking into consideration the provisions of the Memorandum of Understanding between Te Ngāi Tūāhuriri Rūnanga and the Council, Te Ngāi Tūāhuriri hapū are not likely to be affected by or have an interest in the subject matter of this report. However, they may wish to apply for funding for events and projects.

#### 5.2 **Groups and Organisations**

Community groups and organisations are likely to be affected by or be interested in the subject matter of this report, as the Board's Discretionary Grant fund could assist them in achieving community-based programmes during the current financial year.

#### 5.3 Wider Community

The wider community is not likely to be affected by or be interested in this report's subject matter. However, it should be noted that the funding allocated to community groups and for beautification will increase the general feeling of wellbeing within the Board's community.

#### 6 OTHER IMPLICATIONS AND RISK MANAGEMENT

#### 6.1 Financial Implications

There are financial implications of the decisions sought by this report. The Council has approved an allocation of \$13,090 to the Board's General Landscaping Fund for the 2022/23 financial year. The amount to be carried forward from the 2021/22 financial year will be determined once the outstanding invoices have been processed.

The Annual Plan for 2022/23 includes budget provision for the Oxford-Ohoka Community Board to approve grants to community groups up to \$5,990. An amount of \$549 was carried forward from the 2021/22 financial year, bringing the Discretionary Grant Fund to a total of \$6,539 for this financial year.

The application criteria specify that grants are customarily limited to a maximum of \$500 in any financial year (July to June), even though a group can apply up to twice a year, providing it is for different projects. Where applicable, GST values are calculated and added to appropriately registered groups if decided benefits exceed Board resolved values.

#### 6.2 Sustainability and Climate Change Impacts

The recommendations in this report do not have sustainability and/or climate change impacts.

#### 6.3 Risk Management

There are no risks arising from the adoption/implementation of the recommendations in this report.

#### 6.4 Health and Safety

There are no health and safety risks arising from the adoption/implementation of the recommendations in this report.

#### 7 <u>CONTEXT</u>

#### 7.1 Consistency with Policy

This matter is not a matter of significance in terms of the Council's Significance and Engagement Policy.

#### 7.2 Authorising Legislation

Not applicable.

#### 7.3 **Consistency with Community Outcomes**

People are friendly and caring, creating a strong sense of community in our District.

There are wide-ranging opportunities for people of different ages and cultures to participate in community life and recreational activities.

#### 7.4 Authorising Delegations

The Community Boards have delegated authority for both funds.

# GOVERNANCE

# Oxford-Ohoka Community Board Discretionary Grant Application

#### Information to assist groups with their application

The purpose of the Board discretionary grants is to assist projects that enhance community group capacity and/or increase participation in activities.

When assessing grant applications the Board considers a number of factors in its decision making. These include, but are not limited to; type of project, time frame, benefits to the community and costs being contributed. The more information you as a group can provide on the project and benefits to participants the better informed the Board is. You are welcome to include a cover letter as part of your application. The decision to grant funds is the sole discretion of the Board.

The Board cannot accept applications from individuals. All funding is paid to non-profit community based organisations, registered charities or incorporated societies. Council funding is publicly accountable therefore the Board needs to demonstrate to the community where funding is going and what it is being spent on. This is one of the reasons the Board requires a copy of your financial profit/loss statements and balance sheet for the previous/ current financial year. Staff cannot process your application without financial records.

The Board encourages applicants, where practically possible, to consider using local businesses or suppliers for any services or goods they require in their application. The Board acknowledges that this may result in a higher quote.

It would be helpful to the Board to receive an expense summary for projects that cost more than the grant being requested to show the areas where funds are being spent and a paragraph on what fund raising the group has undertaken towards the project, or other sources considered (ie voluntary labour, businesses for supplies).

Examples (but not limited to) of what the Board cannot fund:	Examples (but not limited to) of what the Board can fund:
× Wages	✓ New equipment
× Debt servicing	✓ Toys/educational aids
<ul> <li>Payment for volunteers (including arrangements in kind eg petrol vouchers)</li> </ul>	✓ Sporting equipment
* Stock or capital market investment	✓ Safety equipment
× Gambling or prize money	✓ Costs associated with events
<ul> <li>Funding of individuals (only non-profit organisations)</li> </ul>	✓ Community training
* Payment of any legal expenditure or associated costs	
<ul> <li>Purchase of land and buildings</li> </ul>	
<ul> <li>Activities or initiatives where the primary purpose is to promote, commercial or profit-oriented interests</li> </ul>	
<ul> <li>Payment of fines, court costs or mediation costs, IRD penalties</li> </ul>	

### Criteria for application

- Grant applications will be considered every month by the Oxford-Ohoka Community Board. Applications are recommended to be received three weeks prior to Board meeting dates for processing.
- Grant funding will not be allocated for events/projects that have already occurred.
- Generally funding grants will be a maximum of \$500 in any one financial year (July 2022 to June 2023) but the group can apply up to twice in that year, providing it is for different projects.
- The grant funding is limited to projects within the Board area or primarily benefiting the residents of the ward.
- Applications will only be accepted from non-profit community-based organisations, registered charities or incorporated societies.
- Priority is to be given to groups with strong links with the Oxford-Ohoka community.
- The application should clearly state the purpose for which the money is to be used.
- The applicant should submit a 1-2 page summary balance sheet and an income and expenditure statement which shows their current financial assets and liabilities. Applications cannot be processed until financial information is received.
- Where possible, or feasible, applicants must declare other sources from which funding has been applied for, or granted from, for the project being applied to the Oxford-Ohoka Community Board.
- Organisations that are predominately funded by Central Government must provide supporting evidence that the requested grant will not be spent on projects that should be funded by Central Government funding.
- The Board supports a wide range of community activities but the application will only be considered if it is deemed of the nature listed in the table of examples of what the Board can fund (see previous page).
- An Accountability Form must be provided to the Council outlining how the funds were applied, within three
  months after the event or completion of the project, when funds are spent. A new application will not be
  accepted until the Council receives the Accountability Forms for previous funding granted. The group should
  maintain accurate records around the grant including, but not limited to: receipts, banks statements and
  invoices. In the event that funds are not spent on the project or activity applied for, the recipient may be
  required to return the grant funding to the Council.
- If the activity/event for which funds have been granted does not take place **or** if the group does not provide the information to enable the grant to be paid within six months of approval of the grant being notified, then in both cases the application will be regarded as closed and funds released for reallocation by the Board.

Tasman Young Farmers Region	Towards the cost of hosting a Hauora Health and Wellbeing Event	\$500
Total:		\$2,499

Attachments:

- i. An application from the Swannanoa Volunteer Fire Brigade (Trim Ref: 220427063953).
- ii. An application from the Waimakariri Dog Training Club Inc. (Trim Ref: 220519080727).
- iii. An application from the Oxford Senior Citizens Club (Trim Ref: 220526086291).
- iv. An application from the Tasman Young Farmers (Trim Ref: 220617103349).
- v. Spreadsheet showing the previous two years' grants.
- vi. Board funding criteria 2022/23 (Trim Ref: 210603089866).

#### 2 RECOMMENDATION

**THAT** the Oxford-Ohoka Community Board:

- (a) Receives report No. 220621105964.
- (b) **Approves** a grant of \$..... to the Swannanoa Volunteer Fire Brigade towards the cost of purchasing a BBQ.

OR

(c) Declines the application from the Swannanoa Volunteer Fire Brigade for funding towards the cost of purchasing a BBQ. (d) **Approves** a grant of \$..... to the Waimakariri Dog Training Club Inc. towards the cost of purchasing a new BBQ.

#### OR

- (e) **Declines** the application from the Waimakariri Dog Training Club Inc. for funding towards the cost of purchasing a new BBQ.
- (f) **Approves** a grant of \$..... to the Oxford Senior Citizens Club towards the cost of hiring transport during the year.

OR

- (g) **Declines** the application from the Oxford Senior Citizens Club for funding towards the cost of hiring transport during the year.
- (h) **Approves** a grant of \$..... to the Tasman Young Farmers towards the cost of hosting a Hauora Health and Wellbeing event for the rural community.

#### OR

(i) **Declines** the application from the Tasman Young Farmers towards funding for hosting a Hauora Health and Wellbeing event for the rural community.

#### 3 BACKGROUND

- 3.1 The Swannanoa Volunteer Fire Brigade is seeking funding to purchase a BBQ to be kept at the fire station.
- 3.2 The Waimakariri Dog Training Club Inc. is seeking funding to replace its BBQ, which is so old that it may be considered dangerous.
- 3.3 The Oxford Senior Citizens Club is seeking funding towards the cost of hiring transport to enable their members to visit places of interest during the year.
- 3.4 The Tasman Young Farmers is seeking funding towards the cost of hosting a Hauora Health and Wellbeing event for the rural community.
- 3.5 The current balance of the Oxford-Ohoka Community Board's Discretionary Grant Fund 2022/23 is \$6,539.

#### 4 ISSUES AND OPTIONS

#### Swannanoa Volunteer Fire Brigade (the Brigade)

- 4.1 The Brigade is a rural volunteer fire station located on Tram Road and is manned by volunteers who dedicate their time to serving their community. The Brigade responds to various emergencies in their local area, including wildfires, civil defence and natural disasters.
- 4.2 The Brigade would like to purchase a BBQ to be kept at the fire station to use at Brigade functions for members and their families and also for wider community events such as their Open Day for the community. Having a BBQ to use at both Brigade and community functions will assist in fostering a sense of community amongst the Brigade and their families.
- 4.3 The BBQ cost is estimated at \$999, and due to Covid, the Brigade had not had an opportunity to fundraise for this project. As the Brigade is a volunteer-based organisation, it will not be able to purchase the BBQ if the application is unsuccessful. The Board had previously granted the following funding to the Brigade, and all Accountability Forms were received:

Date	Project	Amount
July 2021	Towards the cost of purchasing junior crew uniforms	\$500
July 2021	Towards the cost of hosting an Open Day for the community.	\$500
Total		\$1,000

#### The Waimakariri Dog Training Club Inc. (the Club)

- 4.4 The Club is one of the South Island's leading dog agility training clubs that host its classes at the Mandeville Sports Club. Dog agility training creates a stronger bond and a partnership between owners and their dogs. The Club attracts members of all age groups with a common interest in dogs. The Club events allow the community to bond over their love for dogs.
- 4.5 The Club would like to replace its old BBQ, which is integral to catering at Club events. In addition, catering at events provides the Club with an opportunity to raise some much-needed funds to plough back into their work. The Club has struggled to raise funds for previous projects, and it took nine years for them to fund their club shed.
- 4.6 The BBQ cost is estimated at \$999, however, the Club is still fundraising to finish parts of the shed, and they will therefore not be able to purchase a new BBQ if the application is unsuccessful. This is the Club's first application to the Board for funding.

#### The Oxford Senior Citizen's Club (the Club)

- 4.7 An age-friendly community is where older people are engaged and connected to a community that values, respects and supports them, and where older people can have the best possible future with opportunities to achieve their full potential. The Club meets every second Wednesday of the month at the Oxford Working Mens Club and aims to keep senior citizens active, connected and mobile.
- 4.8 To guard against social isolation, the Club regularly organise outings for members to places of interest. The Club is therefore requesting funding towards the cost of safe transport to events. The Club also fundraises for their activities by having raffles and sales tables at their monthly meetings.
- 4.9 The Club had not specified the amount required, however, from the information provided, it seems that a trip costs approximately \$80. The Club will continue to organise outings even if this application is unsuccessful. This is the Club's first application to the Board for funding.

#### Tasman Young Farmers (the Group)

- 4.10 The Group is affiliated with the New Zealand Young Farmers, which has been an integral part of the agricultural industry since 1927, and includes over 140 clubs with 3,500 members that host approximately 150 events a year. Members include rural professionals and welcome all people involved with the rural sector.
- 4.11 The Group is requesting funding to host a Hauora Health and Wellbeing Event for the rural community at the Amberley Tin Shed on 13 July 2022 to promote rural wellbeing. The Group supports 300 young farmers from across 12 clubs, spanning from the top of the South Island down to the Rakaia River and the West Coast. Although the Group is based in Christchurch, they do represent the rural community in the Oxford area who would benefit from the event. The event will encourage people to take stock of their wellbeing and check up on their mates before heading into winter.
- 4.12 The Group is a volunteer-based organisation that takes care of its members and wants to help them thrive. If this application is unsuccessful, the event will continue, however, the Group will have less resources to run more events in the North Canterbury district in the future. In June 2022 the Board granted the Group \$500 towards the cost of hosting a Community Ball,

however the ball was subsequently cancelled due to low ticket sales and the funding not released.

- 4.13 The Board may approve or decline grants per the grant guidelines.
- 4.14 There are social and cultural implications on community wellbeing by the issues and options that are the subject matter of this report.
- 4.15 The Management Team has reviewed this report.

#### 5 <u>COMMUNITY VIEWS</u>

#### 5.1 Mana Whenua

Taking into consideration the provisions of the Memorandum of Understanding between Te Ngāi Tūāhuriri Rūnanga and the Council, Te Ngāi Tūāhuriri hapū are not likely to be affected by or have an interest in the subject matter of this report.

#### 5.2 **Groups and Organisations**

There are no other groups and organisations other than those organisations applying for funding likely to be affected by or to have an interest in the subject matter of this report.

#### 5.2 Wider Community

The wider community is not likely to be affected by, or to be interested in, this report's subject matter. However, it should be noted that these projects would positively impact the wellbeing of Oxford and the surrounding community.

#### 6 OTHER IMPLICATIONS AND RISK MANAGEMENT

#### 6.1 **Financial Implications**

The Annual Plan for 2022/23 includes budget provision for the Oxford-Ohoka Community Board to approve grants to community groups up to \$5,990. An amount of \$549 was carried forward from the 2021/22 financial year, bringing the Discretionary Grant Fund to a total of \$6,539 for this financial year.

The application criteria specify that grants are customarily limited to a maximum of \$500 in any financial year (July to June), even though a group can apply up to twice a year, providing it is for different projects. Where applicable, GST values are calculated and added to appropriately registered groups if decided benefits exceed Board resolved values. The current available balance of the Oxford-Ohoka Community Board's Discretionary Grant Fund 2022/23 is \$6,539.

#### 6.2 **Sustainability and Climate Change Impacts**

The recommendations in this report do not have sustainability or climate change impacts.

#### 6.3 Risk Management

There are no risks arising from the adoption of the recommendations in this report.

#### 6.4 Health and Safety

All health and safety-related issues would fall under the auspices of the organisations applying for funding.

#### 7 <u>CONTEXT</u>

#### 7.1 **Consistency with Policy**

These matters are not matters of significance in terms of the Council's Significance and Engagement Policy.

#### 7.2 Authorising Legislation

Not applicable.

#### 7.3 **Consistency with Community Outcomes**

People are friendly and caring, creating a strong sense of community in our District.

There are wide-ranging opportunities for people of different ages and cultures to participate in community life and recreational activities.

#### 7.4 Authorising Delegations

Community Boards have delegated authority to approve Discretionary Grant Funding.

	lication is declined, will this event/project still occur? 🗌 Yes 📝 No
f No, wha	at are the consequences to the community/organisation?
struggl clubsho com	buldn't be able to purchase a BBQ at the moment without the help of this funding. We have led for about 9 years fund raising to get enough money together to finally get our new ed erected, which we managed to do last year. But we still have a lot that needs doing to applete this project. But we also desperatly need the new BBQ as it is a important part of and the catering that we have to provide at club events.
What are t	the direct benefit(s) to the participants?
	ns that we can continue to provide catering for club members and competitors at our , club training days, seminars. $ecr$

36
What is the benefit(s) to your organisation?

When we provide catering all items are donated by club members and it is an area where we can make a small amount of funds to put back into the club.

What are the benefit(s) to the Oxford-Ohoka community or wider district?

At WDTC we have a wide age of club members from small children to retired mature adults who all have a common interest being their dog, we feel the club unites this whole community together and club events with catering is one of the ways that we do this.

Is your group applying under the umbrella of another organisation (that is Charity/Trust registered?) 🗌 Yes 🗹 No

If yes, name of parent group:

What is the relationship between your group and the parent group?

What other fundraising has your group undertaken towards this project/event? List any other organisations you have applied or intend to apply to for funding this project and amount applied for this project:

All our years of fund raising has had to be aimed at our clubshed as we upto last year only had shipping containers which weren't weather proof to store all our gear. We still have to fininsh parts of the shed and that is why a BBQ could not be fully purchased with out this funding

Have you applied to the Oxford-Ohoka Community Board or any other Waimakariri Community Board for other project funding in the past 18 months?  $\Box$  Yes  $\checkmark$  No

To whom it may concern

I have attached our copy of the Waimakariri Dog Training Clubs bank statement, you will see that there is a lot of money going into the account at the moment. This is due to the fact that we have a show in June and these are peoples entries being paid for. What the bank account won't show you at the moment is all the out going costs that we have to pay for once we know how many people will be attending. Cost such as Judges flights and accommodation, prize ribbons and prize money, catering, batteries to power our equipment for a full weekend, venue hire as it is winter months we hold the show at the RDA show grounds.

Thank you for your time to look at our application and I very much look forward to hearing from you.

Kind regards

Sarah Cole

### **Application from Tasman Young Farmers**

### Describe what the project is and what the grant funding be used for?

On the 13th of July 2022, Tasman Young Farmers are holding a Hauora Health & Wellbeing Event for the Rural community, at the Amberley Tin Shed.

We are holding this event for the community, to promote wellbeing and to get our hardworking farmers off farm. Our mission for the night is to encourage people to take stock of their wellbeing and check up on their mates, before heading into winter. This is a free event for anyone to attend.

We have headline speakers Wayne Langford from YOLO farmer and Harriet Bremner from Plant a seed for Safety, who will be sharing their wellbeing journeys as farmers, parents, partners and mates, and the tips they have for prioritising wellbeing.

We are also putting on dinner and will have free haircuts, massages and other wellbeing focused services for attendees to enjoy. We are expecting 100 attendees of all ages. Our similar event in Dunsandel which was smaller had 65 attendees.

The funding will be used towards:

- Keeping this event free for all attendees
- Speaking fee for Harriet Bremner (\$1000)
- Flights for Harriet Bremner (\$500)
- Fuel costs for Wayne Langford
- Catering costs

• Venue hire

We would love you to be apart of this event and support us in our mission to bring people together. I really feel that with your help, we make this a transformative evening for the Waimakariri District to prioritise their wellbeing.

### If No, what are the consequences to the community/organisation?

We would have less resources to run more events in the North Canterbury district in the future. As a not for profit, funding it difficult to come by. We have seen the success and value this event added to our Selwyn community last year, and it would be a lost opportunity to reach more farmers and growers who often do not prioritise their wellbeing and get a break from the life of farming.

### What are the direct benefit(s) to the participants?

We are holding this event for the community, to promote wellbeing and to get our hardworking farmers off farm. This is an important night off the farm to bring the community together, re-engage support networks and friendships to strengthen people's overall wellbeing. Through our speakers, there will be education on ways to prioritise your wellbeing and mental health. They will be sharing their struggles and strategies, which is incredibly powerful and inspirational to farmers. Our event is a forum to share experiences, to grow our community's mental and physical wellbeing together.

### What is the benefit(s) to your organisation?

We are volunteers of the region to take care of our community and members. We want to provide opportunities and resources to help people thrive, and by putting on this event we are able achieve this exact purpose. It also shows the need for more events like this, to ensure we are protecting our people and inspiring wellbeing resilience. As NZ Federation of Young Farmers Clubs (Inc.) is a not for profit organisation run by volunteers, we appreciate all of your support.

### What are the benefit(s) to the Oxford-Ohoka community or wider district?

This is a free event, open to all people in the area. It is also a family friendly event as wellbeing is vital to people of all ages. Our region takes care of 300 young farmers members from across 12 clubs, spanning from the top of the South Island, down to the Rakaia River and down the West Coast. It welcomes all people who wanting to invest in their wellbeing and have a break.

With the majority of the farming events cancelled due to covid, it has caused our rural communities to become even more isolated. Tasman Young Farmers are incredibly passionate about protecting the wellbeing of our communities, and through this event we will re-engage support networks and the importance of community.

We have a large club in Waimakariri who are excited to attend this night with their families, as well as local Hurunui and Amuri Basin clubs. We will be advertising this in local newspapers, local groups, social media and more. We have capacity up to 200 people and would love to make this as big of a night as possible.

### What other fundraising has your group undertaken towards this project/event? List any other organisations you have applied or intend to apply to for funding this project and amount applied for this project:

We have asked local businesses for donations of their time and services, to improve our community's wellbeing (hair dressers, massage therapists, etc). We have applied to our national office for support, as they have been gifted money from MPI to support our event. However it is only to a maximum of \$2,000 and our event is \$3,700 at this stage. We are hoping for local support to grow our connection with the local council and people, so we can host more events in your district in the future.

## **YOUNG FARMERS TASMAN YOUNG FARMERS**

SPONSORSHIP OPPORTUNITY

## WHOWE ARE

The Tasman Young Farmers Region is geographically the largest region stretching from the Rakaia River to the top of the South Island, and down the West Coast.

We are a very strong and progressive region within the NZYF organisation encompassing 12 clubs and 300 members. Our members are secondary school students (TeenAg) and Young Farmer members (aged 18-31).

Young Farmers attracts all people passionate about the primary industry. We provide social, educational and personal development opportunity for all of our members, to support the growth of the next generation of farmers and rural professionals.

55

### **OUR STRATEGIES FOR SUCCESS**

### SUPPORT OUR PEOPLE TO BE MENTALLY AND PHYSICALLY WELL

Helping to improve our young people's resilience and confidence while they are making lifelong friends at NZ Young Farmers.

### CONNECT PEOPLE TO THRIVING RURAL COMMUNITIES

Provide resources and support to enable clubs to grow their community connections and their membership. NZYF clubs are inclusive and welcoming to everyone from across their community.

### DEVELOP AND NURTURE OUR PEOPLE

Provide opportunities for our people to connect, learn and grow. Support them to effectively participate in their communities and workplaces.

### INSPIRE AND EMPOWER OUR PEOPLE TO ACHIEVE THEIR GOALS AND AMBITIONS

Connect our people to a network of employers, educators and experiences that will help them to make decisions about their future in the food and fibre workforce. Provide pathways and opportunities to excel.

### GOVERNANCE

# Oxford-Ohoka Community Board Discretionary Grant Application

#### Information to assist groups with their application

The purpose of the Board discretionary grants is to assist projects that enhance community group capacity and/or increase participation in activities.

When assessing grant applications the Board considers a number of factors in its decision making. These include, but are not limited to; type of project, time frame, benefits to the community and costs being contributed. The more information you as a group can provide on the project and benefits to participants the better informed the Board is. You are welcome to include a cover letter as part of your application. The decision to grant funds is the sole discretion of the Board.

The Board cannot accept applications from individuals. All funding is paid to non-profit community based organisations, registered charities or incorporated societies. Council funding is publicly accountable therefore the Board needs to demonstrate to the community where funding is going and what it is being spent on. This is one of the reasons the Board requires a copy of your financial profit/loss statements and balance sheet for the previous/ current financial year. Staff cannot process your application without financial records.

The Board encourages applicants, where practically possible, to consider using local businesses or suppliers for any services or goods they require in their application. The Board acknowledges that this may result in a higher quote.

It would be helpful to the Board to receive an expense summary for projects that cost more than the grant being requested to show the areas where funds are being spent and a paragraph on what fund raising the group has undertaken towards the project, or other sources considered (ie voluntary labour, businesses for supplies).

Examples (but not limited to) of what the Board cannot fund:	Examples (but not limited to) of what the Board can fund:

#### Criteria for application

- Grant applications will be considered every month by the Oxford-Ohoka Community Board. Applications are recommended to be received three weeks prior to Board meeting dates for processing.
- Grant funding will not be allocated for events/projects that have already occurred.
- Generally funding grants will be a maximum of \$500 in any one financial year (July 2022 to June 2023) but the group can apply up to twice in that year, providing it is for different projects.
- The grant funding is limited to projects within the Board area or primarily benefiting the residents of the ward.
- Applications will only be accepted from non-profit community-based organisations, registered charities or incorporated societies.
- Priority is to be given to groups with strong links with the Oxford-Ohoka community.
- The application should clearly state the purpose for which the money is to be used.
- The applicant should submit a 1-2 page summary balance sheet and an income and expenditure statement which shows their current financial assets and liabilities. Applications cannot be processed until financial information is received.
- Where possible, or feasible, applicants must declare other sources from which funding has been applied for, or granted from, for the project being applied to the Oxford-Ohoka Community Board.
- Organisations that are predominately funded by Central Government must provide supporting evidence that the requested grant will not be spent on projects that should be funded by Central Government funding.
- The Board supports a wide range of community activities but the application will only be considered if it is deemed of the nature listed in the table of examples of what the Board can fund (see previous page).
- An Accountability Form must be provided to the Council outlining how the funds were applied, within three months after the event or completion of the project, when funds are spent. A new application will not be accepted until the Council receives the Accountability Forms for previous funding granted. The group should maintain accurate records around the grant including, but not limited to: receipts, banks statements and invoices. In the event that funds are not spent on the project or activity applied for, the recipient may be required to return the grant funding to the Council.
- If the activity/event for which funds have been granted does not take place **or** if the group does not provide the information to enable the grant to be paid within six months of approval of the grant being notified, then in both cases the application will be regarded as closed and funds released for reallocation by the Board.

Oxford Ohoka Community Board Members

c/- Waimakariri District Council

When 3 waters controversy began and the Mayor proudly announced Waimakariri was good I thought council staff had thrown him under the bus. Because in my little rural neck of the woods it is far from good and the picture the government advertisement paints seems much more appropriate.

As a rural new Zealander I am well aware that we are responsible for our own water infrastructure and we are part of a Rural scheme for both our stock water and household water that was put in place back in the 1980s and was later increased to service the local township of Oxford.

We have a pretty good rural water scheme but it seems the easement information for water delivery may have been lost because the most recent neighbour on our south side has built over the water pipes/shifted the water pipes (never quite sure what the truth is there) and my understanding is that is not legal.

But when it comes to storm water and waste water pretty much anything goes. Our property encompasses a little valley with a stream running along the bottom. Three of our neighbours discharge into our property, sometimes through or across public land and their discharge ends up in the stream that in turn becomes the Cust River, which is diverted via the Main Drain through Ohoka and then into the Waimakariri River. Of those neighbours I know 2 discharge a mixture of waste water and storm water. In one case we have had the water tested. ESR like the water collection to be immediately after a rain event and the post rain collection had more than 24,000 e-coli per 100ml of water. ESR could not identify a species specific e-coli and believed it was likely from rotting vegetation or a kitchen waste machine. MPI advice was there is a high sugar content in discharges from honey processing plants that can change things like bacteria, as they feed it, so that could also be a factor. However, 24,000 e-coli per 100ml water into our water ways seems a bit big to ignore but all government Agencies did just that.

Water from a neighbours huge commercial building/s runs down and around our house and pools outside our bedrooms. Apparently this vast building was consented by council to run its storm water directly onto the ground. It also runs it into a shallow soak pit (large quantity of boulders). That water runs underground and also ends up around our house and through our vegetable gardens. I believe there are a number of buildings contributing water to our problem.

A summary of factors that have led me to write this document are;

• Water with high levels of bacteria are being discharged where they can affect human health and run off into our streams and rivers.

- I can stand on my land and see the drip lines just over the fence, in one case on a right of way.
- Council are consenting discharge of storm water with no concern over the consequences for existing land owners and householders or with little or no understanding of land contours.
- Council staff then treat complaints with contempt, even when they are backed by evidence.
- Our costs to channel the run off away from house and buildings is currently estimated to be thousands of dollars. While this will solve our pooling problems it will do nothing to help the water quality of the stream.

And importantly, I have given this information to Waimakariri District council staff, Environment Canterbury staff, MPI staff and ESR staff. None of these have shown a level of competence or concern that would be acceptable and yet all are fighting for the right to control our water. I don't believe any current public servants are capable of turning around the degradation of New Zealand's water assets. They will all be the same people who are currently enabling the polluting of our streams , rivers and groundwater. Our problems could have been avoided by local knowledge being followed (the commercial building was built over the natural depression where water drained) and people who really care about land and water over expediency and money. If I was looking for a solution I would go back to examine the likelihood of smaller management groups with local knowledge and a passion for the importance of clean water and environmental issues. Those people need to be accountable because currently nobody is accountable.

And just in case you think this might be a one off problem or that I might be exaggerating, I suggest you look into how council staff might have solved the problem of waste water pooling on the roadsides on the east side of the Sales Road and Ashley Gorge Road intersection.

I have written to you because I don't want to go directly to the media where the drama plays out but nothing is solved. I am hoping there are some of you who care enough about this problem to facilitate a solution. My understanding is the problem is so big now that council would need to extend the sewer lines to this area to take waste water away and treat it.

I have photographic and video evidence going back to 2018. I have a report from ESR. And I have emails/correspondence from council staff from 2019 until now that document their lack of concern. My expectation is that a solution and a way forward will be agreed by 15/07/2022. My further expectation is that there will be a degree of confidentiality around this until a solution is found due to the aggressive and intimidating neighbours.

Yours Sincerely,

**Dorothy Scott**

Dear Doug

#### Waimakariri District Council Adopts Annual Plan

The Wa makar r D str ct Counc has adopted ts Annua P an at a spec a meet ng on Tuesday 28 June 2022. The p an ays out a prudent and respons b e budget wh ch w a ow counc to cont nue to de ver a h gh eve of serv ce, wh e a so keep ng rates ncreases to a m n mum.

Counc has comm tted to a rates ncrease of 4.5 percent which s just 0.3 percent higher than was predicted in the Long Term P an (LTP) ast year.

Some of the key projects n the Annua P an nc ude:

- Upgrades to the dr nk ng water p ants
- A m xed use Commun ty Hub n Ka apo
- Upgrades to Rang ora A rf e d
- A comm tment to protect ng S gn f cant Natura Areas
- Ka apo storm water and food ng mprovements
- Upgrades to road ng nfrastructure to prov de safer roads.

Mayor Dan Gordon says current nd cat ons are that the Wa makar r D str ct s perform ng we, desp te the mpacts of Cov d-19 and g oba econom c uncerta nty.

"We set rea y c ear object ves n the LTP. We wanted to ensure that we were go ng to be ab e to de ver on everyth ng that we p anned and t not be a case of over prom s ng and under de ver ng. I m very conf dent that can prov de the very h gh eve of serv ce that our rate payers expect, wh e ensur ng that we are not overspend ng at th s cruc a t me."

Last year n ts Long Term P an (LTP) Counc nc uded c mate change for the f rst t me. The Annua P an, wh ch tracks Counc s progress as t moves nto the f rst year of the LTP, s underp nned by a consc ous effort to enhance we be ng, the env ronment and susta nab ty for our ever grow ng and chang ng D str ct.

Mayor Gordon says a ot of the feedback through the subm ss on process was that counce was on the right track.

"Peop e to d us they are happy with our advocacy around Three Waters and our commitment to balancing growth and opt m sm with economic uncertainty.

"We have brought c mate change nto the LTP for the f rst t me ast year and s nce then we have deve oped a portfo o to focus spec f ca y on th s. We know we have a ot of work to do and t w be a co aborat ve effort w th other counc s as these ssues don t stop at the boundary of the Wa makar r D str ct. However, mak ng c mate change a focus s part of our comm tment to our D str ct today and nto the future."

If you ra sed spec f c po nts of subm ss on, you w rece ve a etter address ng those po nts short y.

K nd regards
