Submission details

The specific provisions of the proposal that my submission relates to are as follows: *(please give details)*

Re: A heritage order proposed on the Sefton Library

My submission is that: *(state in summary the Proposed Plan chapter subject and provision of your submission. Clearly indicate whether you support or oppose the specific provisions or wish to have amendments made, giving reasons) (please include additional pages as necessary)*

This building has been vacant for several years and without power or water/sewer facilities has very little practical use to the community. It has taken many years to sort the paperwork out to be able to sell this area of land with the proceeds proposed to go towards a new community facility for Sefton. If a heritage order was to be placed this would likely make this very unattractive to any potential buyer and the building would remain as is, unable to be used, thus deteriorating as there are no funds to be able to do any maintenance to it. Parts of it are not original and it has been a target for vandalism over the years

I/we have included: _____ additional pages

I/we seek the following decision from the Waimakariri District Council: *(give precise details, use additional pages if required)*

Propose that a heritage order not be placed on the Sefton Library
