

Learn to Swim Term 2 - 2026

Commences: Monday 20 April 2026

General bookings open: Tuesday 31 March 2026

The focus of our programme is to provide children with a strong foundation of balance and body positioning in the water and then build on these skills. Learning to swim is a life skill and takes time.

Group Lessons (25 minutes)

Levels	1	2	3	4	5	6	7	8
	Building confidence: This level introduces children to the water and builds confidence while working on their floating skills. (4 children)	Body positioning: Children learn to float unassisted and focus on the basic building blocks to good swimming techniques. (5 children)	Movement through the water: Children build on the basic skills they have learnt with the introduction of arms and become more aware of how their body moves. (6 children)	Introduction to breathing: Children continue to work on their arm stroke and learn the basic breathing skills and water safety. (6 children)	Breathing through the water: Children continue to work on breathing and arm strokes, while transitioning into the lane pool (taught in both learners and lane pool). (6 children)	Breathing: Children start to breath bi-laterally and start putting their breast-stroke arms and legs together. This is taught in the 25m lane pool. (6 children)	Putting it together: Children swim freestyle, backstroke and breast-stroke with good technique and butterfly kick is introduced. (6 children)	Competent swimming: Children continue to work on technique for all strokes but also have some distance swims added. (6 children)
