My submission is that ...

We are relatively recent residents of "paradise" at Pegasus. Our property faces the south arm of Lake Pegasus, and we love watching people using the lake front reserve and walkway for walking, jogging and cycling. Currently, it appears that a continuous reserve /pathway is located around the lake except for the part north of the Good Home and up to the main bridge. We would like to see that a reserve area is protected to cover this gap. Perhaps the owners should be consulted. We are not sure how this could be achieved. Perhaps by designation? by exclusion of the area from the Zone? by covenant on title (with owners' approval)? We could supply sketches and /or photos if they would help.

I/we seek the following decision from Council for the following reasons:
