Activity status: PER

Where:

Activity status when compliance not achieved: DIS

1. the activity is not a motorised recreation activity.

Sentiment: Oppose

Submission:

This clause is far too broad. It excludes many activities that people purchase rural properties for

- Families flying remote control aircraft/drones on their own property
- Pilots using their own private airstrips
- Kids on trail bikes
- Does using a tractor to move mulch for recreational gardening fall in to this?
- Moving horse floats?

Relief sought

Remove this clause. It is unnecessary and is simply to placate people who shouldn't have moved to a rural property.
